Subject: Spring and Fall pick ups

To whom it may concern:

We have been Sandy City residents for 47 years. We have raised our children here and have loved it. I understand that Sandy Government is planning on discontinuing our Spring and Fall pick ups. Please reconsider that decision. So many older Sandy residents use that service to keep their property managed and clean as well as growing families. Many of us have no way of taking a load to the dump on our own. I watch as every Spring and Fall people make huge piles of trimmings, home repair garbage and old furniture, it has always been one of the perks of living in Sandy.
Please rethink that decision and help the residents of Sandy continue to keep Sandy City clean.

Sincerely,
Dave and Paula Thomas
