Subject: Sandy pick up

Hi Cyndi,
I got the news that Mayor Bradburn intends to curtail the bi-annual bulk trash pickup. That service is a hallmark reminder of why Sandy City is such a wonderful town to live in. The costs and management challenges of that program can be addressed if the administration puts service to the citizens ahead of other pet projects.

I know many people who will feel betrayed by the mayor if his proposal passes.

I have high hopes that you and your colleagues can bring back the good service oriented government mindset that I and my neighbors have enjoyed for the past 30 years.

Please share these concerns with the Mayor and his associates.

Best Regards
Bruce Miller
