> **Subject: Reams rezoning**
>
> Greetings City Council Members,
>
> I am lifelong resident of Sandy and have loved living here. I have several concerns about the upcoming rezoning vote for the former Reams development off of 106 S. & 700 E.
>
> I am concerned about the size of development that is being requested and that this development is only rentals. This will bring over-crowding, transients population, increased traffic congestion, unkempt rental properties, strain on the current infrastructure and decrease in property values.
>
> I ask you to please consider single family homes or a PUD 6.
>
> Thank you for your consideration,
> Shannon Brown
