Subject: Sandy Bulk Pick Up Cancellation?

I just heard that the mayor has cancelled our spring and fall bulk pick-ups. What a disappointment! Having bulk pick-up is one of the perks of living in Sandy City. Quite honestly, there have been a handful of years that I would not have gotten around to pruning my trees or cleaning my yard up, except I was motivated by the pick-up date! Bulk pick-up is one of the things that keeps Sandy City from looking run-down. Please reinstate it! Thank you,

Janae Ricks
