Subject: Sandy Bulk Pickup Changes

Thank you for making us aware of the changes to the Sandy Bulk Pickup.
I don't love the new plan, but if it has to happen, here are some suggestions/questions:
1. Could we have a schedule for the dumpsters? (Ex. This block/street gets a dumpter from April 7-10)
2. How many dumpsters are available?
3. How do we ensure that we don't get blamed if one of our neighbors dumps something in our dumpters that shouldn't be in there?

We love the current bulk pickup program and don't see any reason for change.

Thanks!
Mallory Boggs
