Subject: Rezoning proposed on 114th South
Date: Saturday, August 31, 2019 2:09:44 PM

I understand that there is another meeting on Tuesday, September 3 to discuss the rezoning of this property. Since my husband and I will be out of town, we want to give our input as being opposed to this proposal. Sandy City has already "caved in" to developers in recent times to reduce lot sizes and build more high density housing. When is this going to stop? This rezoning is totally against the Sandy master plan, created many years ago to keep Sandy a desirable place to live.

Please do not rezone the property at 1785-1810 E, 14000 South. It is not the best use of the property or good for the neighborhood.
