Subject: Rezoning issue 11400 South

Please do not rezone the property at 1785-1810 E, 14000 South. It is not the best use of the property or good for the neighborhood!!

There are many reasons I am against the rezone, one of them is the incredible congestion along 11400 South and already overcrowded schools in our area.

We will suffer as a neighborhood (and already have!) with the continual building of cheap homes with big prices on small lots.

What happened to the Sandy City Master Plan? Please stick to it and stop listening to builders who want to stuff their pockets on our expense.
