WHEREAS, the State legislature has granted welfare power to the City Council, independent, apart from, and in addition to, its specific grants of legislative authority, which enables the City to pass ordinances which are reasonable and appropriate to the objectives of that power, i.e., providing for the public safety, health, morals, and welfare; and

WHEREAS, the forgoing legitimate governmental objectives are achieved by reasonable means, in that any adverse impact on private property value or use has been carefully balanced against the corresponding gain to the public; and the regulations have been calculated, on recommendation of City planning staff to permit property owners to beneficially use their properties for the practical purposes to which the property is reasonably adaptable; and procedures have been established by the Land Development Code and Utah Code Ann.
