

# MEMORANDUM

To: City Council  
From: City Attorney  
Subject: Proposed Resolution Approving the Interlocal Cooperation Agreement between Sandy City and Salt Lake County

## **BACKGROUND**

Salt Lake County owns certain real property (4 parcels) located in Sandy City which have street frontage. Pursuant to the Sandy City Street Light Ordinance, the properties are subject to street light service fees. The County owes unpaid street light fees to the City, \$470.46. While attempting to collect the unpaid fees, the County offered to convey those properties and seven other parcels to the City. The County proposes conveying the property to the City in satisfaction of the unpaid fees and the City's payment of certain back taxes (\$1,633.29) on two of the parcels. The properties will assist in the future East Jordan Canal Trail extension and the Bell Canyon Preservation Trailhead access.

## **STAFF RECOMMENDATION**

Staff recommends that City Council approve Resolution #19-49C.
