Hey Mike and Dustin,

I got his email in support of the Rossett Green Lane Annexation. Can you please distribute to other Council members?

Thanks
Brian

I have just listened to the meeting held on September 17th. I did email you our thoughts... not sure where they ended up so I will send them again. I have listened to Joe talk about his project. Originally, he signed the paper, then a few day later he asked us to not send it in because he was concerned about his project. Hopefully, you and he can get this all worked out. I do not want this to be delayed for one person. Thanks, Susan and Dave Updike

Dear Mr. McCuiston,

Thank you for the email. We will listen on Zoom this Thursday.

Concerning our desire to be annexed into Sandy City, the reasons are these:

1 When calling police or fire, EMS or even snow removal on Creek Rd., we are always met with; "You are not part of the County, call Sandy". When we call Sandy, "You are not part of Sandy, call Cottonwood Heights" and so it goes. When we were broken into two years ago and called 911, this was the story. It is extremely uncomfortable, and has happened several times. Across Creek Road, is one city, next door is another and we are part of the County. It would be confusing to anyone, but for emergency services, this is a nightmare.

2. We would like to see a drop in our property taxes. They are already ridiculously high and continue to increase, substantially, every year. We are cutting back on work hours and want to be able to afford our home. The County overspends every year... enough said.

3. We would like to belong to a community and feel pride in our city. The Healing Fields this past week was a perfect example. We visit them each year with our family and feel the emotion and oneness with Sandy. We simply want to belong to this city.

We have discussed this with our neighbors and they are in agreement.

Please feel free to read this at both of the meetings: the 17th and 22nd. .

Sincerely,
Dave and Susan Updike

Thanks,

Hi David,

I am attaching a copy of the staff report that will be heard by the Planning Commission next Thursday (September 17, 2020) at 6:15. Two annexations will be the first items on the agenda. Rossett Green will be the second one. You as the sponsor will need to attend the meeting and be able to say you have read the staff report and be able to answer any questions that may come up. Not sure if any will, but just in case.

Please let me know if you have any questions.

Thanks,
