Hi Jake,

See below for the notes from last night's meeting.

1. Only one resident
2. Had questions that were answered
  - a. Want to see how his property will change, Ryan will make sure we go out and survey the property and show him where the new property line will be
  - b. Timeline questions – project will hopefully be done in July
  - c. Schedule on any internet or water interruptions coming up? – Ryan will follow up with this
  - d. Watering his lawn may be an issue – he has no access for watering at this time, Ryan will bring this up with project team, and make sure someone waters his lawn. Backyard, front and side.

Thanks,  
Jamie
