Melissa Anderson introduced this item to the Planning Commission.

Adam Nash, 1500 East Vine Street, SLC, spoke about the staff report and that his project will have minimal impact to his neighbors.

Melissa Anderson spoke about staff's analysis and a recommendation to not approve the code amendment.

Steven Wrigley asked if a restaurant is allowed.

Melissa Anderson said a restaurant is a permitted use but a restaurant with a drive up window is not.

Dave Bromley asked Brittney Ward if she could talk about the arterial road.

Brittney Ward, Sandy City Traffic Engineer, said that 10600 South is an arterial road that can take between 25k-50k trips a day and is designed to handle heavier use.

Dave Bromley said that the applicant mentioned in his presentation that the 250 foot regulation can be removed if the arterial road bisects the area.

Melissa Anderson said that arterial road is to the north but to the east it's a residential zone.

Dave Bromley asked if 1000 East is an arterial road.

Brittney Ward said that 1000 East is a major collector roadway.

Dave Bromley clarified that the exclusion of the 250 foot regulation that the applicant mentioned would not apply.

Jamie Tsandes said there's one point of access along 10600 South and asked if a second access is allowed there or does it have to be on 1000 East or on the access road to the south which is owned by the county.

Brittney Ward said that Sandy City owns 60-70 feet of the access to the southeast and two access roads are needed for circulation with businesses that have a high trip generation rate, such as a fast food drive through.

Daniel Schoenfeld opened this item for public comment.

Steve Van Maren, 11039 S Lexington Circle, is not in favor of the proposal due to traffic concerns.

Jackie Smith, Heather Circle, shared her concerns regarding traffic.
