

**Sec. 21-26-8. Temporary Signs.**

- (a) *General Provisions for All Temporary Signs.* The following shall apply to all temporary signage as outlined herein:
- (1) Signs shall be removed as specified herein, unless otherwise indicated in this chapter. There are no specific timeframes for noncommercial opinion signs.
  - (2) Signs may only be located on private property and must have the property owner's permission. Signs may not be placed on public property, or in a public right-of-way unless otherwise allowed herein, such as banners on public light poles and public necessity signs.
  - (3) Signs shall not be erected in a manner as to constitute a roof sign.
  - (4) Signs may not flash, blink, be illuminated, spin, rotate, block traffic visibility, constitute a vehicular or pedestrian traffic hazard, or cause a public nuisance of any kind.
  - (5) Signs in residential zones shall not be attached to utility poles or trees. Signs in all other zones shall not be attached to utility poles, fences, or trees.
  - (6) Signs must be secured to a building or the ground.
  - (7) Signs may be attached to existing permanent signs only for the grand opening period.
  - (8) Signs may cover or obscure an existing permanent sign only if the business has changed ownership or changed names.
  - (9) No off-premises temporary signs are allowed except those specifically allowed herein.
  - (10) Signs shall require application and approval from the Department for issuance of a temporary sign permit prior to installing or erecting a temporary sign, unless exempted in this section.
  - (11) All temporary signage must be subordinate to and be positioned in such a way so that any permanent ground-mounted signage on the same property remains visible.
  - (12) All signs and sign supports, including decorative covers, must be maintained in a graffiti-free and clean, like-new condition. Allowed banners and flags must be repaired or replaced when the surface area is frayed, torn, defaced or damaged.
  - (13) Any sign not expressly allowed by this ordinance is prohibited.
  - (14) Signs may be two-faced but may not be split faced if the interior angle is greater than 45 degrees.
