Public Meeting Items

[SPX0516202](#) Lujan Special Exception for Restoration in the
[5-006969](#) Sensitive Area Overlay with 30% or greater slopes
10870 S Lostwood Drive
[The Dell, Community #29]

Attachments: [Staff Report](#)
[Exhibits A-D](#)

Melissa Anderson introduced this item to the Planning Commission.

Brandon Lujan, 10870 S Lostwood Drive, said that he's going to restore the hill as close to it's original state as they can.

Melissa Anderson further presented this item to the Planning Commission.

Dave Bromley spoke about modifying the conditions to allow for implementation of the vegetation.

Melissa Anderson said that could be included.

David Hart shared his concerns relating to erosion and flooding and wants assurance that the hill will be put back together and quickly.

Dave Bromley commented that planting materials could take a year to hold the soil.

Darien Alcorn, Sandy City Attorney, commented that there isn't anything preventing a review after a certain amount of time.

Brandon Lujan said that he's going to do everything he can to make sure the vegetation takes and is worried about the unknown.

David Hart replied that they want to make sure that the vegetation is holding to prevent further excessive erosion.

David Hart opened this item for public comment.

David Hart closed this item to public comment.

A motion was made by Cameron Duncan, seconded by Daniel Schoenfeld, that the Planning Commission grant a Special Exception to allow restoration of 30% or greater slopes in the Sensitive Area Overlay for the property located at 10870 S Lostwood Drive, based on the five conditions of approval with an additional 6th condition - That city staff work with the applicant to ensure that the re-vegetation plan is adequate for the period of one year. [CUP0424202](#) Burton Accessory Structure (Conditional Use Permit)
[5-006960](#) 2277 E. Zermatt Circle
[Community #18]

Attachments: [Staff Report](#)

Sarah Stringham introduced this item to the Planning Commission.

Scott & Leslie Burton, 2277 E Zermatt Circle, presented their item to the Planning Commission.

Dave Bromley asked the applicants if they read the recommendations and conditions in the staff report relating to the 4' setback.

Leslie Burton replied that they read part of the staff report and were told of the setback from Sarah Stringham. Scott Burton clarified the setback and said they could accommodate that.

Mike Wilcox said that another option would be to reduce the pitch of the roof so they wouldn't need the exception if they didn't agree with the setback.

Sarah Strigham further presented this item to the Planning Commission and recommended approval.

David Hart asked if the retaining wall will follow the footprint of the house or the property line.

Scott Burton replied that the retaining wall will follow the footprint of the building.

Cameron Duncan said that the fence does not line up with the property line.

Sarah Stringham said the fence does not go along the exact property line. The accessory structure is proposed to be two feet from the property line, not the fence.

David Hart opened this item for public comment.

David Hart closed this item to public comment.

A motion was made by Daniel Schoenfeld, seconded by Dave Bromley, that the Planning Commission approve a Conditional Use Permit for increased height for an accessory structure for the property located at 2277 E Zermatt Circle based on the four findings and subject to the two conditions detailed in the staff report. The motion carried by the following roll call vote:

[Community 3, Sandy Woods]

Attachments: [Staff Report](#)
[Exhibit A](#)

Thomas Irvin introduced and presented this item to the Planning Commission.

David Hart asked for clarification with the four parking stalls.

Thomas Irvin said they would need four surface parking stalls no matter what.

David Hart asked if the four parking stalls is for both properties.

Thomas Irvin said yes.

Mike Wilcox said each lot has to have four off street parking (two in the garage and two in the driveway.)

Cameron Duncan said there doesn't seem to be a straight right of way through the properties.

Britney Ward, Sandy City Engineer, said that they are requiring dedication of property on the west side. The property on the east side currently has enough right of way width to meet the standard cross section.

David Hart opened this item for public comment.

David Hart closed this item to public comment.

[5-006930](#) Drive-up Window Use Conditional Use Review)
10101 S. State Street
[Community #5]

Mike Wilcox introduced this item to the Planning Commission.

Jamin Kunz, 2354 E 2100 S, SLC, presented this item to the Planning Commission.

Cameron Duncan asked about the elevation being used.

Jamin Kunz said the wood elevation in the presentation is an outdated one.

Jennifer George asked how many cars can accommodate that property.

Jamin Kunz replied they have a turning radius of 19 or 20.

Mike Wilcox further presented this item to the Planning Commission and recommended approval.

David Hart shared his concerns with the project and would prefer this property be rezoned.

Mike Wilcox replied that the use is allowed in the current zone and there are provisions to allow for some flexibility in the standards and that if the property were rezoned then other Cairns Design Standards (pedestrian improvements, signage, branding, landscaping standards) would all go away.

David Hart said they could make those conditions in the rezone.

James Sorensen replied that because this is a permitted use you cannot add conditions to a rezone.

Danny Schoenfeld said that as part of the Architectural Review, the applicant did a good job addressing the changes.

LaNiece Davenport asked if the applicant is aware of all the conditions in the staff report.

Jamin Kunz said yes.

David Hart opened this item for public comment.

Steve VanMaren, Riverton resident, said he couldn't find all the conditions.

Steve Fairbanks, 1205 E Edenbrook Drive, commented about the overpass.

David Hart closed this item to public comment.

Mike Wilcox replied to Steve VanMaren and pointed out the conditions are listed in the presentation as being shown on the screen.

A motion was made by Daniel Schoenfeld, seconded by Dave Bromley, that the

Planning Commission approve the conditional use permit for a restaurant drive-thru window for the Swig State Street located at 10101 S State Street based on the two findings and subject to the three conditions detailed in the staff report. The motion carried by the following roll call vote:
