

ANNUAL BUDGET CARRYOVER PROCESS

From Fiscal Year Ending 06/30/25

History

Operating Budgets

- The process is intended to curb the “use it or lose it” mentality and encourage more productive spending and investment
- Also helps to avoid overspending total department appropriations

Purpose

The goal is to appropriate remaining balances to **increase productivity, efficiency, and service levels.**

Recommended appropriations are for expenses such as:

- Equipment
- Capital Projects
- Fleet Vehicles
- IT Projects/Software

Cannot be used for operating expenses

Carryover Process

Allocate **General Fund Savings**

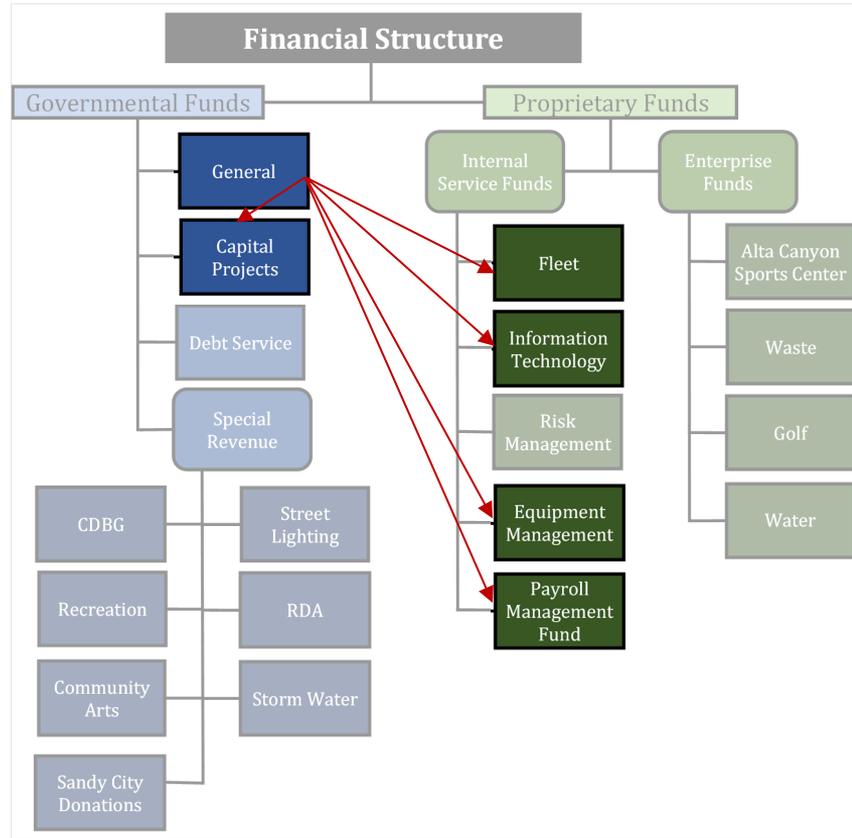

- Step 1:** Savings in each General Fund department budget are reviewed after the close of each fiscal year and sent to departments
- Step 2:** Departments submit requests to spend that remaining budget on equipment, software, capital projects, etc.
- Step 3:** Requests are reviewed and recommended to Budget Committee and City Council for approval and appropriation

Other Funds

- Close Out Completed Capital Projects
- Carry Over Uncompleted Capital Projects
- Transfer Appropriations Between Capital Projects
- Carry Over and/or Adjust Appropriations for Fleet/Equipment Items
- Carry Over and/or Adjust Appropriations for Operating Line Items

Accounting

- General Fund savings may be transferred to appropriate internal service funds or other funds, such as the Capital Projects fund
