Staff Report Memorandum May 15, 2025

To: Planning Commission
From: Community Development Department
Subject: Jordan Credit Union Rezone
9260 S. 300 E.
[Community #4, Historic Sandy]

REZ03192025-006931
R-1-8 to PO Zone
0.98 Acre

Public Hearing Notice: This item has been noticed to property owners within 500 feet of the subject area, on public websites, at public locations, and a sign posted on site.

Request

Nate Reiner (applicant), on behalf of Jordan Credit Union (property owner), is requesting a change of zone district on property located at 9260 S. 300 E. The request is to rezone the property from the R-1-8 (Single-Family Residential District) Zone to the PO (Professional Office District) Zone (see Exhibit “A” for Application Materials).

Background

The subject property includes two parcels, addressed as 9260 S. 300 E., approximately 0.98 acres in area. The property is currently used as a credit union by the owner. According to a letter submitted by the applicant, the property owner intends to rezone the property to bring the current use in line with the appropriate zone district in order to make improvements to the site and the building. If this rezone application is approved, subsequent applications (subdivision, site plan, building permit, etc.) would be required to be submitted, reviewed, and approved prior to any improvements.

The application is requesting the PO Zone (Professional Office District). The zoning designation (and existing land use) of the surrounding properties are as follows (see also Exhibit “C” for an area zoning map):

North: R-1-8 (single-family residential)
East: R-1-8 (single-family residential, church)
South: R-1-8 (middle school)
West: R-1-8 (school district bus facility)

Public Notice and Outreach

This item was noticed to all property owners within 500 feet of the proposal (see Exhibit “B”) and posted to the property (see Exhibit “D”). The city also issued notice of the public hearing for the proposed rezone on public websites, mailed notice to affected entities and posted in three public locations at least 10 days prior to the Planning Commission public hearing in accordance with the Land Development Code Sec. 21-36-1 and the Utah State Code § 10-9a-205.

In addition, staff held a virtual neighborhood meeting via Zoom on April 23, 2025. Residents within 500 feet of the proposed site were notified by mail. Other than staff, the owner, and the applicant, one person attended the meeting.

Facts and Findings

- According to Salt Lake County Assessor records, the structure was originally built in 1968. An annexation of the property occurred in 1969. A site plan application for a remodel was approved in 1978.
- The zoning designation of the subject property and the surrounding area is R-1-8, which is a single-family residential zone district.
- The current uses (Business or financial services, Drive-up window (non-food)) of the property are considered non-conforming as they are not permitted in the R-1-8 Zone.
- Proposed improvements to the existing building and site would expand and enlarge the existing uses, which is not allowed as non-conforming uses in the current zoning designation.
- The Applicant is requesting that the zoning designation of the subject property be changed to the PO Zone. The “Business or financial services” use is a permitted use and the “Drive-up window (non-food)” use is a conditional use in the PO Zone.
- The subject property is directly adjacent to single-family homes to the north and across the street (300 E.) from single-family homes to the east.
- General Plan (Pace of Progress: Sandy City General Plan 2050) analysis:
 - The future land use map designates the subject property, together with the surrounding facilities owned by the Canyons School District, as Institutional. “The Institutional (IN) land use designation is established to provide for the development and management of land used by educational, governmental, healthcare, and other public or semi-public institutions.” With stated priorities being: 1. Ensure comfort and security; 2. Provide services to the community; and 3. Provide job opportunities.
 - The subject property is located in the Expo Center Station Area. It is shown in an Opportunity Area. The preferred scenario anticipates the existing building remaining and potentially the addition of more housing in the area.

- Applicable goals, objectives, policies, and recommendations include:

Livability: Neighborhoods and Housing

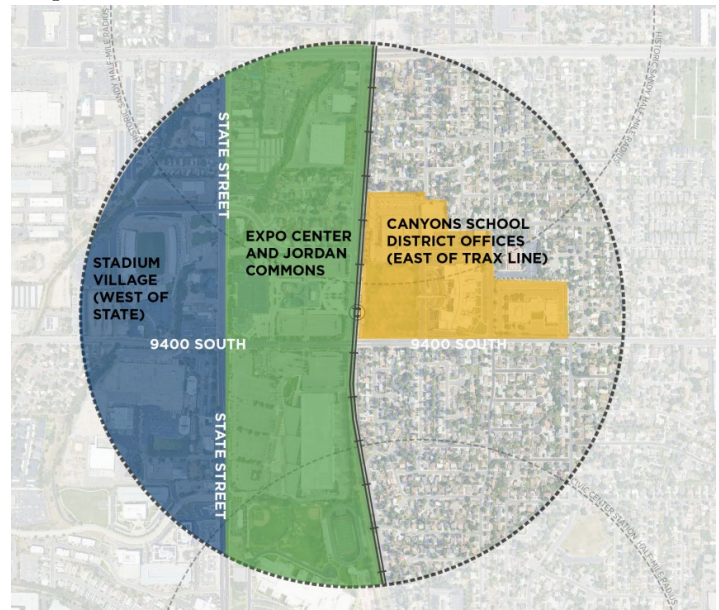

- Policy: Sidewalks and trails form complete pedestrian networks and are comfortable for users
- Goal: Sandy's neighborhoods in transition take advantage of opportunities and minimize negative impacts
- Objective: New and infill structures within exiting neighborhoods are comparable in height and massing to the average of existing structures

Economic Stability

- Objective: Land use and development policies provide opportunities for private investment that respond to changing market conditions to ensure long-term viability of commercial investments

Land Use

- Policy: Employment, service, and shopping areas are easily accessible from Sandy's existing and new neighborhoods
- Objective: Station Areas include a mix of housing, employment, services, and civic spaces

Conclusions

- A zone change is a legislative item that requires the Planning Commission to make a recommendation to the City Council, after having held a public hearing, with the City Council making the final decision.
- If the zone change application were to be approved, final approval of the proposed development, would be subject to compliance with the Development Code upon a full review of a subdivision and/or site plan application.

RE: Rezone Request Letter for the Jordan Credit Union Site from R-1-8 to PO

Hello,

This letter is to formally request a rezone to the existing Jordan Credit Union site located at 9260 South 300 East, Sandy, UT 84070. The site currently includes two parcels – 28:06:376:030 and 28:06:376:042.

The site is existing and operates as a financial services and professional office establishment. We plan to keep this use as-is and are proposing some site and building elevation improvements. As part of these improvements, we would also request the zoning map is brought current to match the existing/proposed usage for the site. The two parcels are currently zoned for the R-1-8 zone (Single Family Residential District) and we propose to rezone the parcels to PO zone (Professional Office).

Thanks,

Nate Reiner

Date: 4/23/2025

Project Name: Jordan Credit Union Rezone

Applicants: Nate Reiner

Location: Zoom Webinar

Number of Attendees: 1

Number of Invitees: 54

Project Description:

The application proposes to rezone two parcels, approximately 0.98 acres, located at approximately 9260 S. 300 E. from the R-1-8 Zone to the PO Zone. The property is currently being used as a credit union, however it is zoned for residential. The property owner intends to continue using the property as a credit union, but is proposing improvements to the site and the building. The rezone would bring the use in conformance with the zoning.

Summary of Attendee Comments:

Other than Planning staff and the project team, one other person attended. That person had no questions nor comments.
