

## **CHAPTER 12-2. HOBBY LICENSE<sup>1</sup>**

### **Sec. 12-2-1. Purpose.**

It is the purpose of this chapter to create in Sandy City a dog hobby license which shall allow the licensee to maintain a maximum of five dogs over one year of age upon the licensed premises and a large animal hobby license that will allow the licensee to maintain more than four horses on a residential lot within an "A" designated zone. Both hobby licenses are intended to provide for the proper care and maintenance of the animals kept on a property in a non-nuisance manner.

(Revised Ords. 1978, § 3-2-1)

### **Sec. 12-2-2. Hobby License Requirements.**

(a) Dog Hobby License. A dog hobby license shall allow the custodian to keep no more than five dogs over one year of age (other than an assistance service animal, a retired assistance service animal, or both) in a residential area. In no event shall a person with a dog hobby licensee be allowed to keep any other dogs if the custodian has a dangerous dog. Such-The licensee may keep intact one litter of pups up six months of age and may thereafter keep one animal dog from the original litter up to an age of 12 months. At no time shall the licensee keep more than five dogs over one year of age. Nevertheless, the following requirements shall be met by the licensee:

- (1) *Statement of Hobby Interest.* The applicant for a dog hobby license shall complete a form provided by the City, which form shall require the notarized signature of the applicant and shall indicate that the applicant desires to maintain said dogs for hobby purposes. Hobby purposes shall include, but not be limited to, the showing of dogs, training of dogs for field trials, the training of dogs for rescue, for obedience, tracking and other such purposes, and the maintaining of dogs for recreation, breeding, and sporting purposes.
- (2) *Outdoor Requirements.*
  - a. The applicant shall provide dog runs with shelter to protect the dogs from foul weather, wind, and excessive exposure to natural elements. Said runs shall also be designed to prevent the escape of any dog constrained therein.
  - b. All fencing shall be of sufficient strength and of such construction to prevent the escape of or injury to any dog housed within such fencing.
  - c. All fencing shall be maintained so that no part of such fence shall be broken, damaged, or in any way pose a significant risk of injury to the enclosed dog or to allow the escape thereof.
  - d. In addition to providing the fenced animal runs, the applicant shall be required to erect a substantial fence around that portion of the yard in which the dogs are maintained sufficient to prevent the dogs' escape.

- 
- e. The animal runs located in the yard shall be positioned so as not to be a nuisance to any neighbor, and shall be at least 40 feet from the nearest portion of any neighboring building used as a dwelling.
  - f. No dog runs shall be located within the front yard setback area.
  - g. An opaque screen shall be provided to screen any dog run from view by surrounding persons or from surrounding properties.
  - h. An applicant for a dog hobby license shall submit a plot plan showing the location of the applicant's lot, the location of surrounding and adjoining lots, and shall include the location of all structures presently in place, both main and accessory, and the proposed location of any dog runs, shelters or other such structures. The Division may determine the adequacy of the applicant's plot plan.
  - i. No dog run shall be located in the side yard setback area unless specific authorization is granted pursuant to a review by the Division and the Department of Community Development.
  - j. All accessory runs, buildings, fences and other outdoor facilities must also comply with all provisions of the Land Development Code of Sandy City, Utah 2002 (Sandy Land Use Code). In the case of a conflict between the ordinances, the more restrictive provision shall apply.
- (3) *Size of Dog Runs.* The dog runs required by this section shall have as a minimum size the following:
- a. The dog run shall be no less than 32 square feet in size when the dog restrained therein is over 50 pounds in weight.
  - b. The dog run shall be no less than 18 square feet in size when the dog restrained therein is more than 15 pounds but less than 50 pounds in weight.
  - c. The dog run shall be no be less than ten square feet when the dog restrained therein is 15 pounds or less in weight.
  - d. If the applicant desires to construct dog runs which shall be communal in nature, said runs shall be proportionally larger for each additional dog therein. For example, if two dogs in a dog run both weigh over 50 pounds, then the dog run shall be at least 64 square feet in size.
- (4) *Bedding.* The bedding contained in the dog runs shall meet the following requirements:
- a. The bedding shall be of a material which may be either disposed of by sanitary means or removed and cleaned.
  - b. Newspapers or other similar material used to absorb moisture shall be removed and replaced daily, and areas beneath them cleaned and disinfected daily. All newspapers or other material removed shall be disposed of in a manner acceptable to the Salt Lake Valley Health Department.
  - c. The floors of a dog run, constructed of concrete, shall provide for a resting board or some type of bedding for the dogs restrained therein which insulates the dogs from the concrete.
  - d. If any bedding used is of a type that must be cleaned, the material shall be cleaned as often as necessary to maintain a healthy and sanitary condition. All bedding shall be kept clean and free of noxious odors.
- (5) *Cleaning of Dog Runs.*
- a. All runs shall be cleaned and disinfected as needed each day to prevent fecal accumulation.
  - b. Cleaning agents or chemicals that may be harmful to dog tissue shall not be used where there is a possibility of contact or ingestion of such agents or chemicals by the dog.

- 
- c. Fecal material shall be properly handled and disposed of in accordance with applicable regulations of the Salt Lake Valley Health Department.
  - d. When necessary, or under the direction of the Salt Lake Valley Health Department, the licensee shall use such chemicals and materials as may be necessary to control flies, insects or other pests.
  - e. Accumulations of fecal or other waste material or garbage in and around any dog run shall be cleaned up and properly disposed of at least daily. The dog run itself and the surrounding area shall be neat, clean and free of litter, trash garbage and noxious odors.
- (6) *Feed.* The feeding of the dogs shall be governed by the following requirements:
- a. The feed given to the animals shall be stored in a manner so as to prevent contamination from any source, and shall be stored so it does not attract rodents, vermin or other pests.
  - b. Fresh ~~portable~~ potable water shall be available to the dogs at all times.
- (7) *Noise Control.* The licensee shall take such steps as may be necessary to ensure that noise generated by the dogs owned and kept by the licensee shall not be in violation of Section 12-1-17(6) or (7).
- (8) *Land Use Regulations.* A dog hobby license shall not be granted to any applicant unless the application shall conform to all Sandy City land use regulations.
- (9) *Other Regulations.* The licensee shall comply with the provisions of Chapter 12-1, except Sections 12-1-7 and 12-1-8.

(Revised Ords. 1978, § 3-2-2)

(b) Large Animal Hobby License. No more than four horses and one corresponding foal under 12 months of age may reside at any address at a time unless: (1) the property is in an "A" designated zone; (2) the number of large animals on the property does not exceed the number permitted within the zone; and (3) a large animal hobby license is obtained. If granted in accordance with the requirements of this chapter, the large animal hobby license shall allow the property owner to keep more than four horses over one year of age, up to the maximum number of horses allowed in the zone. The licensee may also keep one offspring of each mare up to an age of 12 months. At no time shall the licensee keep more than the maximum number of horses over one year of age permitted in the zone. The following requirements shall be met by the licensee:

- (1) *Statement of Hobby Interest.* The applicant for a large animal hobby license shall complete a form provided by the City, which form shall require the notarized signature of the applicant and shall indicate that the applicant desires to maintain horses for hobby purposes. Hobby purposes shall include, but not be limited to, showing, training, maintaining for recreation, breeding, and sporting purposes.
- (2) *Outdoor Requirements.*
- a. *Shelter.* The licensee shall provide shelter to protect the horses from foul weather, wind, and excessive exposure to natural elements at all times.
    - (i) At a minimum, this shelter shall consist of three solid walls, a pitched or slanted roof and provide ventilation.
    - (ii) The shelter must meet all Building Code requirements. The minimum space required for shelter shall be 120 square feet per horse. An outdoor animal domicile structure is required for all other farm animals.
    - (iii) No shelter shall be located within the front or side yard setback areas.
    - (iv) The constructed shelter shall be located at least 40 feet from the nearest portion of any neighboring building used as a dwelling.
