2021 SANDY CITY WATER CONSERVATION PLAN

WHEREAS U.C.A. § 73-10-32 requires Sandy City to update and submit its Water Conservation Plan to the Utah Division of Water Resources (DWR) every 5 years; and

WHEREAS a draft Water Conservation Plan was reviewed and approved by the DWR; and

WHEREAS the approved draft was presented to and approved by Public Utilities Advisory Board on the 21st of October, 2021; and

WHEREAS the draft Water Conservation Plan was introduced at the City Council meeting on the 9th of November 2021, and the City Council and public had an opportunity to comment; and

WHEREAS Sandy's update of the Water Conservation Plan is due to the State Division of Water Resources (DWR) by December 31, 2021; and
