- a. Divisions (Alta Canyon, Golf, Parks, Recreation, & Seniors)
- b. Interdepartmental (other City Departments)
- c. Administration and elected officials
- d. Citizens and volunteers
- e. Professional networks
 - i. Connections with other parks & recreation departments in the county and state
 - ii. Contractors, architects, and engineers
 - iii. Vendors
 - iv. URPA leadership positions
 - v. GCSA leadership Positions
 - vi. Utah Community Forestry Council leadership Positions

Reputation in community, other cities & profession

3. Goal for 2005 Master Plan was 6.5 Acres per thousand people – Added 42.1 acres of Park Space and we are currently at 7.1 Acres per thousand based on estimated July 2014 Census number of 91,148
4. Department offerings to the general public
 - a. Recreation program diversity
 - i. Youth programs
 - ii. Adult programs
 - iii. Senior programs
 - iv. Active programs
 - v. Passive programs
 - b. Diversity of Parks
 - i. Active park space
 - ii. Passive park space
 - iii. Open space
 - c. Golf Course – In addition to providing and maintaining 18 holes and driving range for paying golfers it provides the land and some maintenance for the following at no cost to the public:
 - i. Jordan River Tail
 - ii. Jordan River Trail Head
 - iii. Urban Fishery
 - iv. Practice greens
 - d. Staff diversity – Employee people from 14 to 70 years old.
 - e. Events
 - f. Proximity of parks for residents

 - b. Accident Review Committee
6. Capital project management
7. Pricing in market for recreation programs
8. Online registration
9. Budget management (11.6 million in operations and capital funds in FY 16)

WEAKNESSES

1. Hiring of seasonal employees
 - a. Low pool of employees due to strong economy
 - b. High turnover rates
 - c. Low pay
2. Age of parks and facilities
 - a. Alta Canyon Sports Center
 - b. Parks & Recreation office
 - c. Backfacing fences
 - d. Pavilions
 - e. Playgrounds
 - f. Irrigation systems
 - g. Jogging paths
 - h. A few remaining tennis courts that need to be reconstructed

3. Size of Pro Shop
4. Community needs
 - a. Gym
 - b. Soccer fields
 - c. Lacrosse fields
 - d. Pickleball
 - e. Larger trail network
 - f. Passive park space
5. Rising Cost of supplies and utilities
6. Parks provides a lot of support to other areas. Makes it hard to keep the main thing the main thing
7. Capital projects and other development distract staff from other responsibilities and staff management. We do not have any staff dedicated to performing inspections to make sure things are going in correctly. We rely on Public Works and Public Utilities to inspect areas that they have expertise in while we take care of layout, landscaping, & Irrigation with our supervisors.
 - a. Utilities companies damaging streetscapes

OPPORTUNITIES

 - h. Sports camps and clinics
 - i. Running club
 - j. Community classes
 - k. Program vacated space Boys & Girls Club
11. Staff educational opportunities
 - a. Trainings
 - b. Conferences
 - c. Certifications

THREATS

1. Economy
2. Compliancy and/or overwhelmed at periods of time
3. Hiring of Seasonal staff
 - a. Concerned about minimum wage impacts. Utah or the US government follow suite to what some states are doing. This will have a large impact on Alta Canyon, Golf and Recreation and will force larger fee increases.
4. Emergency situations
 - a. Kids
 - b. High risk activities
 - i. Risk management issues beyond our control.
 1. Slip & Slides
 2. Inflatables
 3. Slack lines
5. Political and legislative effects – unfunded mandates
6. Environmental effects
7. Market demands
 - a. Outside groups
 - b. Competitive leagues
8. Seasonal / weather effects
 - a. Rain outs
 - b. Lightening
9. Retention of key staff

3. What did you like most about this program?

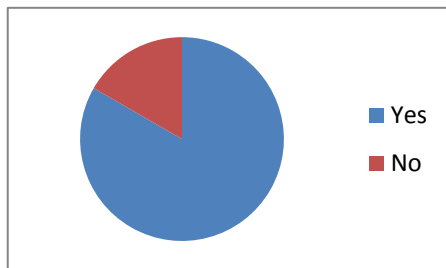

12 Responses

1. My son's excitement to go to the class.
2. Being able to spend quality time with my child.
3. The volunteers were very friendly and very helpful. The site of the class and the pond were perfect for the purpose.
4. Location, experienced volunteers.

5. I appreciated the fish fry at the end. The volunteers were helpful.
6. The volunteers broke down the basics in the first class.
7. The idea of the program.
8. Educational components
9. Wonderful volunteers/instructors
10. We only went to one class, and there were way to many kids, so didn't go back.
11. Plenty of time to fish, worms. Cookout was nice.
12. Everyone was informative and friendly.

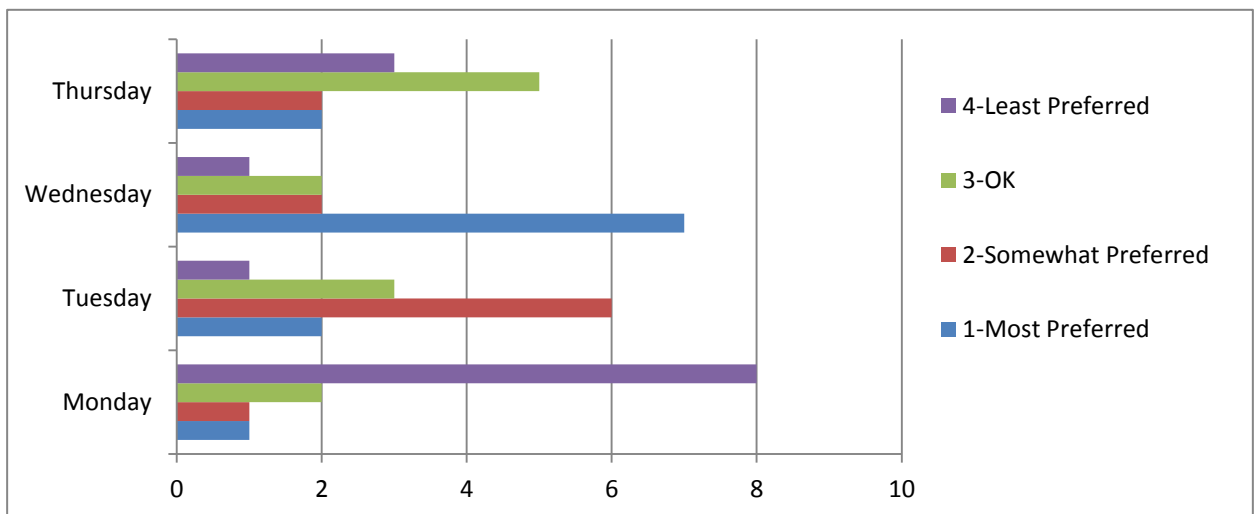

4. Would you like the Sandy Parks & Recreation Department to run this program twice a year, in the spring and the fall?

7. How many fish did your child catch?

8. How did you like the last class when the cookout was held?

9. Did your child learn enough skills to fish on their own?

10. Do you have any other comments, questions, or concerns?

1. My work schedule does not allow me to volunteer.
2. None
3. My son had a lot of fun. A few items that would make it better would be to have more volunteers and to spend more time educating. I know finding volunteers is always a problem.
4. The boys were taught all the skills and if we could have practiced with them during the week they could fish on their own now. Too bad the fishing was so slow until the last day; if the fish had been stocked more consistently and if there is a way to stock the fish in different areas of the pond it would be a better experience.
5. The very first classes were crowded around the pond and my son got caught in the neck with a fly fish hook from another kid at the pond. There was a lack of supervision with the beginner fisherman kids because of the quantity of kids versus the amount of volunteers or staff. My son was worried all the time around the pond that he might get hurt again so that made him lose interest. I do appreciate discovering this pond and nice picnic area in Sandy.

6. We only went to the first class. Too many kids and not enough volunteers to get the help needed. I am a mom who doesn't know how to fish but my kids really wanted to learn. With some few volunteers, we realized the class was too big to continue on with it.
7. There were not enough volunteers out helping the kids. They gave a quick knowledge course at the start of each class, but when it came time to fish there were not enough helpers to go around to help the kids learn to fish. We did enjoy the class and will attend again however.
8. Definitely need more volunteers.
9. Fantastic program! We returned from last year as the kids truly enjoyed it.
10. Limit the enrollment. There were way too many kids there the first class and not enough staff. He learned nothing that way. After the first class, we never went back. It honestly was aw asteroid of money.
11. Need much more instruction about basics - 5 minutes on tying knots, 5 minutes on casting just aren't enough. Those should be practiced in every class. Also, there was little discussion about what types of lures/bait to use. Not sure that's the best pond to use as well, no one seemed to be catching fish.

Better scorekeepers and umpires. Scorekeepers seem to have no clue what they are doing. At Crescent, Johnny needs to be kept in check. It is not his job to be a "dictator" and be in charge of everything. It's not his job to make sure every rule is followed and call it out when not

Please host a "tournament" with 4 game guarantees. Our team plays in a few tournaments a year in St. George. They are super fun. It would be nice to do something up here. It can easily be done in a Friday night Saturday all day setup... There are enough fields in Sandy to handle 20-30 teams easily.

When dragging the fields, lay a drag mat behind the spike bar. There are horrible ridges every game. The scoreboards didn't work half of the time, and the scorekeeper would never announce the score. (Ken excluded) the vast majority of umpires don't care about their jobs, which is evident in their attitude and hustle. The trophy is fine for lower leagues, where businesses might play, but for upper leagues, they're useless.

Rather than give a trophy for first place it would be great to get a team bat. Also, XXL league winner shirts are good for one thing: oil rags.. (1st world problems, I know)
