9-2-5 Construction site maintenance

Any person who is issued a building permit shall be responsible for maintenance of the construction site for which the building permit is issued. The construction site shall be maintained free of junk, garbage and rubbish. Every construction site shall have an approved trash enclosure. Upon request of the building permit holder, the Chief Building Official may approve the use of a single trash enclosure to serve multiple construction sites. If junk, garbage or rubbish is found outside of the approved trash enclosure, the permit holder shall make modifications as required by the Chief Building Official, which may include covering the trash enclosure.
