Re: Public Utilities Advisory Board Vacancy Appointment

This memorandum is to recommend that the Council appoint Danny Schoenfeld to serve on the Public Utilities Advisory Board (PUAB). Danny would fill the appointment vacated by Don Milne.

Danny's interest in Sandy Public Utilities is evident with his attendance of nearly every PUAB meeting for the past 2 years. In addition, he serves on the Sandy Planning Commission, and sits on Utah's Colorado River Commission. Danny's experience in water, planning, management and budget with senior roles at the State of Utah will be valuable at a time of change in water policy, funding, management, and water scarcity.

The City Attorney's office reviewed and confirmed the ability for Sandy residents to serve on both Planning Commission and PUAB. This would continue a past practice that has afforded PUAB the benefit of residents with broad experience and interests.
