

I would like this read into the record during the public hearing please:

My name is Ryan Shosted. I am a surrounding property owner directly attached to the property that is proposed to have the property changed. I am not opposed to changing the zoning to allow PUD building zoning to happen. I would like to publicly notify Sandy City and the builder and property owner that I do not relinquish any legal right to my access easement to the Sandy Park Circle property. I do see the plans call for buildings directly on the legal easement currently in place. I do not waive any right to access of said property. I also have not agreed or allowed any other easement through my lot at 350/354 E Sandy Park Cir. Sandy Utah. Thank you for your time and consideration.

Sincerely,

Ryan Shosted
