Proposed Code Amendments

General Plan Elements

Future adoption of the General Plan Update will require consistency with State law and City code

For consistency with Utah Code, specific descriptions for each plan element is proposed to be replaced it with a general reference to state law:

“The General Plan shall include elements in accordance with the provisions of the Utah Code Annotated as are currently in effect or as may be amended.”

Planning Commission Recommendation

Positive recommendation to the City Council to amend Title 21, of the Sandy Municipal Code, relating to Elements of the General Plan based on the analysis and findings in the staff report.
