

6-8-16

Dear Mr. Sorensen:

This is to confirm our phone conversation of June 6th.

I am a resident and owner of the property at 2334 Sugarloaf Lane. This letter is in response to the proposed annexation of this property to Sandy City.

I do not want to be annexed to Sandy City.

Thank you,

Mary Kay Power

Subject: Annexation Sugarloaf Lane

James Sorensen
Sandy City

My name is Allan Payne. I live at 8553 Sugarloaf Lane. We built our house in 1976 (40 years ago). I served on the Sandy Planning Commission in the early 1980's. Currently I live in Ottawa Canada as a volunteer. My family tells me that they received a notice that Sandy City in making a move to annex four houses on my street. I am in full support of the annexation. In my opinion this annexation should have happened a long time ago as I believe It is better for everyone involved. In addition, I believe that the annexation should be much larger to include most of the Willow Creek neighborhood and the Willow Creek Golf Course. I would like to see an even more aggressive effort on the part of Sandy City.

Respectfully,
Allan Payne
