Sandy, Utah 84092

Dear Mike:

As requested, this letter is a written to indicate that the Metropolitan Water District of Salt Lake & Sandy appreciates the service Don Milne has given to the District since joining the Board of Trustees in October 2006. His background and expertise have made him a valuable member of our board and his continued service would be a benefit to the District. Even though Don's prior term has expired he has continued to be active in attending all board and committee meetings. All indications are that Don is willing to serve an additional term representing Sandy City.

We appreciate the council's ongoing commitment to finding and appointing qualified and dedicated trustees. The board provides a meaningful and important service to the public utilities departments of the member cities and the public they serve.

Sincerely,

Michael L. Wilson
General Manager
