WHEREAS, a request has been made to amend Title 15A of the Revised Ordinances of Sandy City (the Land Development Code), 2008 by amending Chapter 19 “Special Development Districts”, to add the SD(MDM) “Medical Device Manufacturing District”; and

WHEREAS, the Planning Commission held a public hearing on May 3, 2018, which hearing was preceded by notice by publication in the Salt Lake Tribune on April 19, 2018 and by posting in Sandy City Hall, the Sandy City Parks & Recreation building, the Salt Lake County Library-Sandy, on the Sandy City Website - <http://www.sandy.utah.gov>, and the Utah Public Notice Website - <http://pmn.utah.gov> on April 16, 2018; and

WHEREAS, following the public hearing before the Planning Commission, the Commission recommended the amendment to the City Council; and

WHEREAS, a public meeting was held by the Sandy City Council on June 12, 2018, to consider the adoption of the proposed amendment, which meeting was preceded by publication in the Salt Lake Tribune on May 25, 2018 and by posting in Sandy City Hall, the Sandy City Parks & Recreation building, the Salt Lake County Library-Sandy, on the Sandy City Website - <http://www.sandy.utah.gov>, and the Utah Public Notice Website - <http://pmn.utah.gov> on May 25, 2018; and

WHEREAS, the City Council has been given specific authority in Title 10, Chapter 9a, Utah Code Ann. to adopt a zoning plan, including an ordinance and map which divide the municipality into districts or zones, and within such districts to regulate the erection, construction, reconstruction, alteration, repair and uses of buildings and structures, and the uses of land; and

WHEREAS, the State legislature has granted general welfare power to the City Council, independent, apart from, and in addition to, its specific grants of legislative authority, which enables the City to pass ordinances which are reasonably and appropriately, related to the objectives of that power, i.e., providing for the public health, morals, and welfare; and

WHEREAS, the foregoing legitimate governmental objectives are achieved by reasonable means, in that any adverse impact on private property value or use has been carefully balanced against the corresponding gain to the public; and the regulations have been calculated, on recommendation of City planning staff to permit property owners to beneficially use their properties for the practical purposes to which the property is reasonably adaptable, and procedures have been established by the Land Development Code and Utah Cod Ann. whereby appeals can be heard and decided if it is alleged that there is legislative or administrative error, or where a special exception or variance to the ordinance is required.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Sandy City, State of Utah as follows:

Section 1. Title 15A, Chapter 19 is hereby amended by adding section 15A-19-13, "SD(MDM)" as shown on **Exhibit "A"**, which is attached hereto and by this reference made a part hereof.
