Subject: Fall and spring pick up

To whom it may concern;

Please don't get rid of fall and spring pick up. I have neighbors that save all of their junk up and take it out 2 times a year. I fear that if there no pick up they will never remove the garbage from their yards. This should be included in the taxes we are paying and have paid for years. This would be a large disservice to Sandy neighborhoods to discontinue this service. There is a reason that Sandy City and its neighborhoods stay looking nice and clean.  
Please keep Fall and Spring clean up!!

Sincerely,  
Courtney Monsen
