## MEMORANDUM

October 14, 2022

To: Council Members

CC: Monica Zoltanski, Mayor  
Shane Pace, CAO  
Brian Kelley, Administrative Services Director

From: Cyndi Sharkey, Council At-large

Subject: Proposed amendment to Carryover Resolution 22-48C

---

Council Members, Mayor, and Administrative Staff -

I propose that the Council consider amending Carryover Resolution 22-48C.

As originally written, the resolution programs \$1,173,773 of FY 2022 Excess Revenues to Capital Projects for next fiscal year (FY24). While we all view capital projects as a priority, we've been making measurable strides during carryover for the past few budget cycles in increasing our capital projects accounts. This year I'm suggesting the council consider addressing another priority with this money. We've all identified Fire Staffing as a significant need and an important priority. We applied for the SAFER grant and have come to believe that it's doubtful we'll be awarded the grant this year. That being the case, and while this opportunity to allocate excess funds in carryover exists, I propose that the Council amend Resolution 22-48C, reprogramming \$1,173,773 of FY22 excess revenues from FY24 Capital Projects to FY24 Payroll Management for Fire Staffing.

Making this amendment will provide Fire Department Leadership and City Administration with the funding necessary to continue the 3-2 Fire Staffing in the FY24 Tentative Budget. It would give comfort to our Fire Department personnel that the staffing levels recently adopted will continue throughout this fiscal year and all of the following. It gives flexibility and latitude to decide how to best continue the necessary staffing and whether to reapply for a grant.

The attached Alternative Resolution 22-48C Redline (Exhibit "A") reprograms excess revenues as I've described above. As part of its adoption, the Council should also give the Finance Department direction to make any other changes to the exhibits within 22-48C that would be required to implement the proposed amendment.
