Citizen Comments

a. Earl Bramble, Sandy resident, addressed problems and eviction notices that residents are having at the Parkway Mobile Home Park, 9300 South 480 East. He asked for the Council's support.

Chairman Stephen Smith noted that the residents would need to seek separate legal assistant. The City has no authority over landlord/tenant issues.

b. Steve Van Maren, 11039 Lexington Circle, believes that more attention, care, and diligence needs to be given to the Council minutes. They have become brief, less accurate, with items being taken out of order.

c. Linda Smith, Parkway Mobile Home resident, has been dealing with the owner of the mobile home park. Residents are dealing with trees, water that is being turned off, and a wall with overgrown trees against the freeway and railroad tracks. They asked for help from the City to keep them maintained.

Chairman Smith referred Ms. Smith to the Community Development Director Mike Coulam regarding the trees and any other problems that may fall within the City code.
