

## ORDINANCE # 24-14

AN ORDINANCE REVISING TITLE 21 OF THE SANDY CITY MUNICIPAL CODE, CHAPTER 7, “LAND USES IN RESIDENTIAL DISTRICTS”, CHAPTER 8, “LAND USES IN THE COMMERCIAL, OFFICE, INDUSTRIAL, MIXED USE, TRANSIT CORRIDOR, AND RESEARCH AND DEVELOPMENT DISTRICTS”, CHAPTER 9, “INSTITUTIONAL CARE DISTRICT”, CHAPTER 10, “OPEN SPACE DISTRICT”, CHAPTER 11, “SPECIAL USE STANDARDS”, CHAPTER 19, “SPECIAL DEVELOPMENT (SD) DISTRICTS” AND CHAPTER 37, “DEFINITIONS”; ALSO PROVIDING A SAVING CLAUSE AND EFFECTIVE DATE FOR THE ORDINANCE.

WHEREAS, a request has been made to revise Title 21 of the Sandy City Municipal Code, Chapter 7, “Land Uses in Residential Districts”, Chapter 8, “Land Uses in the Commercial, Office, Industrial, Mixed Use, Transit Corridor, and Research and Development Districts”, Chapter 9, “Institutional Care District”, Chapter 10, “Open Space District”, Chapter 11, “Special Use Standards”, Chapter 19, “Special Development (SD) Districts” and Chapter 37, “Definitions”. The code amendments are related to home-based microschools, micro-education entities, charter schools and public schools to ensure Sandy’s Land Use Development Code (LDC) is consistent with the Utah Code; and

WHEREAS, the Planning Commission held a public hearing on July 18, 2024, which meeting was preceded by notice posting in Sandy City Hall, the Sandy City Parks & Recreation Building, Salt Lake County Library – Sandy, on the Sandy City Website – <http://www.sandy.utah.gov>, and the Utah Public Notice Website – <http://pmn.utah.gov> on July 3, 2024; and

WHEREAS, following the public hearing before the Planning Commission, the Commission made a recommendation to the City Council regarding the amendment; and

WHEREAS, a public meeting was held by the Sandy City Council on July 30, 2024, to consider adoption of the proposed amendment; and

WHEREAS, the City Council has been given specific authority in Title 10, Chapter 9a, Utah Code Ann. to adopt land use regulations to regulate the erection, construction, reconstruction, alteration, repair and uses of buildings and structures, and the uses of land; and

WHEREAS, the State legislature has granted welfare power to the City Council, independent, apart from, and in addition to, its specific grants of legislative authority, which enables the City to pass ordinances which are reasonable and appropriate to the objectives of that power, i.e., providing for the public safety, health, morals, and welfare; and

WHEREAS, the forgoing legitimate governmental objectives are achieved by reasonable means, in that any adverse impact on private property value or use has been carefully balanced against the corresponding gain to the public; and the regulations have been calculated to permit property owners to beneficially use their properties for the practical purposes to which the property is reasonably adaptable; and procedures have been established by the Land Development Code and

Utah Code Ann. whereby appeals can be heard and decided if it is alleged that there is legislative or administrative error, or where a special exception or variance to the ordinance is required.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Sandy City, State of Utah, as follows:

Section 1. Amendment. Title 21 is amended as shown on **Exhibit “A”**, which is attached hereto and by this reference made a part hereof.

Section 2. Severable. If any part of this ordinance or the application thereof to any person or circumstances shall, for any reason, be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, such judgement shall not affect, impair or invalidate the remainder of this ordinances or the application thereof to other persons and circumstances, but shall be confined in its operation to the section, subdivision, sentence or part of the section and the persons and circumstances directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the City Council that this section would have been adopted if such invalid section, provisions, subdivision, sentence or part of a section or application had not been included.

Section 3. Effective. This ordinance shall become effective upon publication of a summary thereof.

...

**Sec. 21-11-5. Home Occupations.**

...

- (d) *Home Occupation Standards.* All home occupations, licensed or not, shall comply with the following standards at all times:
- (1) *Bona Fide Resident.* The home occupation business shall be owned by and carried on only by a bona fide resident of the home that resides in the home more than six months (183 days or more) per calendar year. Proof of residency shall be provided as follows:
    - a. A signed statement stating that the property is the primary residence of the business owner and will remain as the primary residence for the duration of the home occupation license; and
    - b. A government-issued identification listing the address of the property as the address of the business owner, unless the Director determines, for good cause, it is not required.
  - (2) *Satellite Office Not Allowed.* A home occupation shall not be construed to mean an employee working in his home in the service of an employer whose principal place of business is licensed at another location. Business activities that do not qualify for the exemption from licensure as described in this Section shall not be conducted at the home of an employee of a company and shall not be conducted by nonresident company employees.
  - (3) *Accessory Use on the Property.* For residential purposes, the home occupation shall be clearly secondary and incidental to the primary use of the dwelling unit.
  - (4) *On-Site Employees.* One full-time or full-time equivalent nonresident may be employed, volunteer, or work on the premises where the home occupation business is located. No more than two persons shall comprise the equivalent full-time employee, and only one nonresident employee may work at the home at one time.
  - (5) *Off-Site Employees.* Any home occupation may utilize employees to work off-site. The off-site employee, volunteer, hiree, or any other person engaged with the home occupation shall not come to the home for purposes related to the home occupation business license except for incidental vehicle stops.
  - (6) *Off-Street Parking.* All business-related vehicles which park at the location of the home occupation, including those of the applicant, employee, customers, clients, or business-related visitor vehicles, must use off-street parking. This provision excludes stops made by delivery vehicles.
  - (7) *Vehicle Advertisement.* Vehicles, trailers, or equipment may not be used for the primary purpose of advertising the home occupation at the site of the home occupation.
  - (8) *Designating Areas of Property to be Used.* The home occupation applicant must designate the portion of the home, accessory structure, yard, or attached or detached garage to be used as the location for business activities. No businesses are allowed to operate outside of an enclosed structure, unless otherwise approved by the Planning Commission for outside activities.
  - (9) *External Appearance.* The home occupation must maintain or improve the external residential appearance of the principal structure, attached or detached garage, or accessory structure. Any structural alterations to accommodate the home occupation shall maintain the architectural aesthetics and compatibility of the neighborhood.
  - (10) *Outdoor/Yard Space.* The home occupation shall not involve the use of any yard space for storage or display of supplies, inventory, or equipment when such use is in conjunction with the sales, service, or production of goods, unless specifically stored within trailers or accessory structures as allowed herein. Any screened area or structure used for the home occupation must be located in either the side or rear yard areas.
  - (11) *Business Trailer.* One trailer may be used in association with the home occupation. Trailers allowed in conjunction with a home occupation are as follows:

---

- b. Materials/equipment shall not be stored outside of the trailer.
  - c. The trailer shall be placed in the side or rear yard behind a fence or garaged on private property and not within the front yard of the dwelling. If the home is located on a corner lot, the trailer shall not be stored on the street side of the house unless it is out of the required front yard setback. If the topography of the lot prohibits the parking of the trailer on the side or rear yard, the trailer must be stored off-site.
  - d. The trailer must be well-maintained and must not present negative impacts for adjacent neighbors, including, but not limited to, odors, dust, or parking location.
  - e. All areas utilized for the parking of trailers shall be paved with a hard surface (e.g., concrete, asphalt, brick, or other water impenetrable surface). This includes the side and rear yard of the home. It is prohibited to park upon areas that have been landscaped or are reserved for future landscaping.
  - f. A site plan shall be included with all business license applications indicating where the trailer will be stored outside of the front yard.
- (12) *Commercial Vehicle.* Only one such vehicle may be parked on a residential lot. A commercial vehicle parked or stored on a residential lot must be owned or apportioned by an occupant who resides at the residence. This vehicle must comply with all residential parking requirements contained within this title.
- (13) *Conformity with Safety Codes.* There shall be complete conformity with fire, building, plumbing, electrical, and all other City, County, State, and Federal codes.
- (14) *Health and Safety.* No process can be used which is hazardous to public health, safety, morals, or welfare.
- (15) *No Excessive Utility Uses.* The home occupation shall not cause a demand for municipal, community, or utility services that are substantially in excess of those usually and customarily provided for residential uses.
- (16) *Neighborhood Disruptions Not Permitted.* The home occupation shall not interfere or disrupt the peace, quiet, and domestic tranquility of the neighborhood. The home occupation shall not create or be associated with or produce odor, smoke, dust, heat, fumes, light, glare, noises or vibrations, excessive traffic, or other nuisances, including interferences with radio and television reception, or any other adverse effects within the neighborhood.
- (17) *Renter/Owner Responsibility.* If the applicant for a home occupation license rents or leases the property wherein the home occupation is intended to be conducted, the applicant must provide a letter of acknowledgment and consent from the property owner at the time the application is submitted to the Business License Office.
- (18) *Interior Alterations/Remodeling.* Interior alterations of the principal dwelling for the purpose of accommodating the home occupation are prohibited if such alteration eliminates the kitchen, and/or all of the dining areas, bathrooms, living areas, or all of the bedrooms.
- (19) *Exempt from Business Licensure.* A business license will not be required unless the combined off-site impact of the home occupation and the primary residential use materially exceeds the impact of the primary residential use alone. If a home occupation has any of the following impacts, a business license is required:
- a. Business-related customers, client visits, or meetings on the property.
  - b. Signage or advertising of the business that is visible from the exterior of the home.
  - c. The business owner or operator desires a physical copy of a business license.

- (e) *Category I Qualifications.* In addition to the standards previously set forth above, all Category I home occupation businesses must also comply with the provision of the qualifications outlined below.
