Jake,

Thank you for this opportunity to submit a comment to you.

"Senior Charity Care Foundation is proud to support the seniors of Sandy who are low-income residents of senior apartments and care facilities. We are thrilled to receive the additional round of funding to help us fully serve those who cannot afford a pair of prescription eyeglasses, the lack of which greatly affects their physical and mental health and opportunities to be more involved in their community. Thank you!"

I know there is no time for this, but this is a Youtube video showing our mobile vision clinics in action. https://www.youtube.com/watch?v=yfAqRVLGJWI&feature=emb_logo It is 3 minutes and 8 seconds long. This was actually filmed in Sandy with Sandy residents.
