Electronic Meeting

Planning Commission Chairman Statement

In accordance with, Utah Code 52-4-207(4) Open and Public Meeting Act, I have determined that to protect the health and welfare of Sandy citizens, an in person Planning Commission meeting, including attendance by the public and the Planning Commission is not practical or prudent.

Considering the continued rise of COVID-19 case counts in Utah, meeting in an anchor location presents substantial risk to the health and safety of those in attendance because physical distancing measures may be difficult to maintain in the Sandy City Council Chambers.

The Center for Disease Control states that COVID-19 is easily spread from person to person between people who are in close contact with one another. The spread is through respiratory droplets when an infected person coughs, sneezes or talks and may be spread by people who are non-symptomatic.

It is my intent to safeguard the lives of Sandy residents, business owners, employees and commission members by meeting remotely through electronic means without an anchor location.

Community Development staff are hereby authorized and directed to include a copy of the above notice with each Planning Commission agenda.

Cameron Duncan, Chair
Sandy City Planning Commission
