WHEREAS, the Planning Commission held a public hearing on July 7, 2016 which meeting was preceded by notice by publication in the Salt Lake Tribune on June 23, 2016, and by posting in Sandy City Hall, the Sandy City Parks & Recreation Building, on the Sandy City Website - <http://www.sandy.utah.gov>, and the Utah Public Notice Website - <http://pmn.utah.gov> on June 17, 2016; and

WHEREAS, following the public hearing before the Planning Commission, the Commission recommended the amendment to the City Council; and

WHEREAS, a public meeting was held by the Sandy City Council on August 9, 2016 to consider adoption of the proposed amendment, which meeting was preceded by publication in the Salt Lake Tribune, on July 26, 2016, and by posting in Sandy City Hall, the Sandy City Parks & Recreation Building, on the Sandy City Website - <http://www.sandy.utah.gov>, and the Utah Public Notice Website - <http://pmn.utah.gov>, on July 20, 2016; and

WHEREAS, the City Council has been given specific authority in Title 10, Chapter 9a, Utah Code Ann. (2012) to adopt a zoning plan, including an ordinance and map which divide the municipality into districts or zones, and within such districts to regulate the erection, construction, reconstruction, alteration, repair and uses of buildings and structures, and the uses of land; and

WHEREAS, the State legislature has granted general welfare power to the City Council, independent, apart from, and in addition to, its specific grants of legislative authority, which enables the City to pass ordinances which are reasonably and appropriately related to the objectives of that power, i.e., providing for the public safety, health, morals, and welfare; and

WHEREAS, the foregoing legitimate governmental objectives are achieved by reasonable means, in that any adverse impact on private property value or use has been carefully balanced against the corresponding gain to the public; and the regulations have been calculated, on recommendation of City planning staff to permit property owners to beneficially use their properties for the practical purposes to which the property is reasonably adaptable; and procedures have been established by the Land Development Code and Utah Code Ann. where by appeals can be heard and decided if it is alleged that there is legislative or administrative error, or where a special exception or variance to the ordinance is required.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Sandy City, State of Utah, as follows:

Section 1. Amendment. Title 15A is amended as shown on **Exhibit "A"**, which is attached hereto and by this reference made a part hereof.

It is hereby declared to be the intent of the City Council that this section would have been adopted if such invalid section, provisions, subdivision, sentence or part of a section or application had not been included.
