**Subject:** [EXTERNAL] Kuwahara Wholesale Rezoning

I would like to voice my support for the rezoning of Kuwahara Nursery. I believe this business has added greatly to the City of Sandy. For years, I have taken my gardening business to J&J's in Layton. A long drive, I know, but there was nowhere in Sandy that I could find what I wanted and needed. I was thrilled when I found Kuwahara and now keep my spending in Sandy. I know they have had issues, but believe that the City of Sandy should work with local businesses to help them be successful.

Thank you for giving them another chance. That chance benefits all of us who live close by.

**Subject:** [EXTERNAL] Kuwahara's

I'd like to share my support for Kuwahara's wonderful gardening place. I have shopped there for years and so does many of my family members.

My daughters are now married and on their own and now shop there too. My sister comes up from Milford each spring to buy all her plants for her pots and gardens. My 80 year-old mother has me take her to get plants for her yard at least 2 or 3 times each year. She always grabs some produce and jams at the same time.

My husband and I love the produce, salsa, and his favorite is their cherries and apricots. I love their plants, especially being able to buy healthy ones which are a little different from all the big box stores. Having them here in Sandy is a blessing for those of us who love to garden.

Thank you for finding a way to keep them in Sandy for all of us to benefit from. We love Kuwahara's nursery and Alex & Sarah.

**Subject:** [EXTERNAL] Save Kuwahara Wholesale

Sandy City,

It would be in my best interest, to have the rezone go through to keep Kuwahara Wholesale. My place of residence is not in Sandy, but I come in there to purchase my bedding plants, flowers and shrubs. I live in Tooele Utah and many of us from Tooele, go into Kuwahara Wholesale for our flowers. I think that is says something about Kuwahara, if we are willing to travel a great distance to support a business. I would think that it would be in the best interest of Sandy City to rezone to keep such a great business.

Sincerely,  
Sindy Maxfield
