MEMORANDUM

October 18, 2018

To: City Council via Planning Commission
From: Community Development Department
Subject: Mosher Annexation (R-1-20) Zone
11465 and 11467 E. Oberland Road
[Lone Peak, Community#27]

ANEX-09-18-5489
Approximately 0.89
acres

HEARING NOTICE: *This item has been noticed to property owners within 500 feet of the subject area.*

BACKGROUND

Philip Mosher is requesting to annex a certain contiguous unincorporated area, totaling approximately 0.89 acres, located at approximately 11465 South and 11467 South Oberland Road (Approximately 2900 East) in Salt Lake County, Utah. The area under consideration for annexation contains two parcels, with two property owners.

Mr. Mosher and his neighbor to the north (Mr. Benns) did a lot line adjustment recently, through Salt Lake County, which created the smaller parcel. The primary dwelling for Mr. Benns (owner of smaller parcel) is already within Sandy City. The larger parcel, owned by Mr. Mosher, has two homes on the same property. Both property owners have consented to the proposed annexation.

The subject properties are bordered by Sandy City on the north, west, and south.

ANALYSIS

The annexation is being considered by the City for the following reasons:

1. The area is **contiguous** to the Sandy City boundary (north, west, and south sides).
2. The properties are located within an area designated in the **Sandy City General Plan** for incorporation.
3. The City is presently providing **water, fire service and emergency medical service** to this area.
4. The City can provide a high level of other **municipal services** to these properties.

General Plan

Portions of the **Sandy City General Plan** which relate to this application are as follows:

p.43 *Recognize that economics alone is not sufficient reason to alter established neighborhoods. Human and environmental impacts also should be recognized.*

p.44 *Require proposed zoning changes to be in harmony with established neighborhoods.*

Zoning

The current Salt Lake County zoning on these properties is R-1-43, one acre lots. There are a number of different zoning districts near these parcels. To the north is PUD (1.45), the parcel to the east (within Sandy City) is zoned R-1-40, to the south is R-1-40A, and the west is PUD(2).

In general, when Sandy City annexes a property into the City from Salt Lake County we have always been sensitive to what the property was zoned in the County. In most cases we have been able to zone property to a comparable zone as we annex them into the City. As we have done this we have taken into account the existing properties that are adjacent to the area being annexed and try to assure that the annexed area is compatible with the existing area.

There are two homes on the larger parcel, which does not meet current standards for the zoning district in which it is currently located in. The applicant has indicated to staff that he intends to create separate lots for each home through our subdivision process. Therefore, Staff is proposing to annex the subject properties into the City with R-1-20 zoning district.

STAFF RECOMMENDATION

It is recommended that the Planning Commission send a positive recommendation to the City Council that the Mosher Annexation be approved and zoned R-1-20 based upon the following findings:

1. The area is **contiguous** to the Sandy City boundary (north, west, and south sides).
2. The properties are located within an area designated in the **Sandy City General Plan** for incorporation.
3. The City is presently providing **water, fire service and emergency medical service** to this area.
4. The City can provide a high level of other **municipal services** to these properties.
5. The R-1-20 zone is appropriate for these parcels based upon current land use.
