Subject:

UTA 11400 South Park and Ride – Parking and Safety Plan

CUP-06-10-

1384

Update - Annual Update (2018) 361 E. 11400 S.

R-1-8 Zone

[Community # 11 – Crescent]

**HEARING NOTICE:** This item has been noticed to property owners within a specified area around the stadium property, which is beyond 600 feet.

	PROPERTY CASE HISTORY
Case Number	Case Summary of Significant Changes or Recommendations
CUP-6-10-1384	On June 14, 2011, the City Council approved the conditional use for a Park and Ride Facility located at 11400 South and the TRAX line. After much discussion and several meetings with the applicant, staff, and residents, 34 conditions were considered, 32 of which were finalized.
CUP-6-10-1384	On March 21, 2013 UTA presented the parking and safety plans. Included in that report was a request to modify two conditions of approval. The first change was to increase the height and type of lighting to be installed within the parking lot. The second was to require an increase in police patrols by UTA based on a 3-month rolling average of crimes occurring at the park and ride lot combined with SCPD reported crimes within .5 miles of the park and ride lot. By way of example, if the crime rate were to increase 20% over the baseline, UTA would add an additional daily patrol to their schedule. Both of these modifications were approved by the Planning Commission.
CUP-6-10-1384	During the April 2015 update and review, staff suggested to eliminate the PC annual review and leave it up to Staff. The Planning Commission forwarded a positive recommendation, however, the City Council did not approve the recommended change.

### DESCRIPTION OF REQUEST

The applicant, the Utah Transit Authority (UTA) is complying with the conditions of their original Conditional Use Permit approval in bringing an update of their Parking and Safety Plan to the Planning Commission for review and approval. A short summary, along with the full update and report, is included in the packet. Representatives from UTA will be at the Planning Commission meeting to discuss the report in full detail.

Condition #11(a) required a parking management plan to be put in place, and in part states that, "approval of the parking management plan shall then occur on a semi-annual basis for two years following the opening of the park and ride lot for use, then annually thereafter." Since the opening of the facility, UTA has continued to work closely with staff, including the Police Department, in monitoring and addressing both parking concerns and safety concerns as they relate to the lot.

In reviewing the current report and data, it appears that crime incidents and parking issues have been adequately addressed by the applicant and that they work swiftly to address concerns of the residents as they pertain to their operations. The number of incidents (not including Public Order and Public Pease) remains fairly stable and close to those that existed prior to the opening of the station. There was an increase in 2016 to 49 incidents, but 25 of those were Public Order incidents (Ambulance/Medical; Assist Citizen, Other Agency, UTA; Fire; Personal Security/Welfare Check and Public Intoxication). The number of incidents decreased in 2017 to 29 with 20 of those being Public Order incidents and then up to 53, with 27 of those being Public Order incidents. The number of incidents outside of Public Order incidents have averaged between 20 and 25 since opening. The number of Sandy City Police Department cases within ½ mile of this station have decreased since the opening of the station.

UTA was required to provide four security patrols per day and will continue to maintain this level of service since it is their standard procedure. They also have made efforts to address any concerns brought to their attention, including installing a fence along 300 East in June 2015, in addition to "No Trespassing" signs along the vacant lot to the west as well as signs to deter parking within the adjacent neighborhood.

#### NOTICE

This item was noticed to property owners within 600 feet of the site and included an additional expanded area to ensure adequate notification to all property owners within the neighborhood adjacent and to the north of the site.

#### RECOMMENDATION

Staff recommends that the Planning Commission review and approve the 2018 annual updated Parking Management and Safety Plan for the UTA 11400 South Park and Ride facility lot located at 361 East 11400 South.

Re:

Parking and Safety Management Plan - Executive Summary, Report and Graphs

2018 Annual update for the 114th South Crescent View Park-and-Ride Lot

#### **Executive Summary-**

The five plus years after the opening of the Draper LRT Extension on August 16, 2013 have been very successful. For the past two years, the Crescent View Park-and-Ride Lot has averaged approximately 60% to 70% full on a weekdays and 5% to 35%.on weekends as noted in the two tables below, with isolated instances of 85% to 90% full. The average, maximum and minimum number of parking stalls occupied thought the past two plus years is noted below.

Jan to Dec 2018	Sun	Mon	<u>Tue</u>	Wed	<u>Thu</u>	<u>Fri</u>	Sat
Crescent View Average of 248 Stalls occupied	12	160	168	158	154	130	21
Percent	5%	64%	68%	64%	62%	52%	9%
Max	53	201	210	202	213	191	87
Percent	21%	81%	85%	81%	86%	77%	35%
Min	5	40	140	71	80	66	5
Percent	2%	16%	56%	29%	32%	27%	2%

Sept 2016 to Sept 2017	Sun	Mon	<u>Tue</u>	Wed	<u>Thu</u>	<u>Fri</u>	<u>Sat</u>
Crescent View Average of 248 Stalls occupied	12	161	169	162	167	125	25
Percent	5%	65%	68%	65%	68%	50%	10%
Max	39	229	209	192	210	144	89
Percent	16%	92%	84%	77%	85%	58%	36%
Min	2	94	128	107	134	85	5
Percent	1%	38%	52%	43%	54%	34%	2%

The incident reports for 2012 to 2018 are included in the appendix. The total and average per month as reported by UTA PD for the 114<sup>th</sup> South Crescent View station are noted in the table below. There was an increase in incidents in 2016 primarily due to 29 incidents of Public Order and Public Pease. Then a reduction in 2017 to 9 incidents followed up an uptick again in 2018 to 27 incidents. **Otherwise the number of incidents in other classifications of incidents have been averaging around 20 to 25 since opening.** 

Year		11400 5	S Station Incidents less Fare Evasion
2012	n/a	n/a	
2013	4	0.90	incidents per month for 4.5 months
2014	9	0.75	incidents per month
2015	24	2.00	incidents per month
2016	49	4.08	incidents per month
2017	29	2.42	incidents per month
2018	53	4.42	Incidents per month

UTA has installed "No Trespassing" signs along the vacant lot to the west and installed a fence along 300 East in June 2015 to prevent trespass though the vacant lot to the west of the parking lot. UTA Police are patrolling this park and ride lot and station on a regular basis during their patrols and are providing a minimum average of 4 daily patrols daily to ensure compliance and to curtail crime. No new calls or complaints to our customer call center or items of concern were brought to UTA's attention in 2016 or to date in 2017. Sandy City has also reported no new complaints over the past two years.

The Sandy City Police Dispatch Case Reports within ½ Mile of Crescent View Station for 2011 to 2018 are noted in the table and graph of the 3 month rolling average below. The 2014 through 2018 totals are tracking about 20 percent less than the 2011 to 2013 totals prior to the opening of the Station. The average incidents per month for 2011 to 2013 are approximately 27 and at an average of 22 per month since the opening of the Draper LRT Extension. 2018 recorded the lowest number of cases in the past 8 years at 208. The number of cases continues to show a downward trend.

Year	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total
2011	29	24	30	20	27	27	22	37	34	35	31	21	337
2012	18	31	29	34	28	28	16	23	19	33	23	33	315
2013	17	26	25	22	38	25	28	34	39	26	19	26	325
2014	25	31	22	18	41	18	25	33	19	29	17	21	299
2015	29	15	29	32	31	29	23	23	25	34	13	15	298
2016	15	26	25	19	24	30	34	19	27	15	28	18	280
2017	17	19	35	17	23	25	24	26	16	21	12	14	249
2018	19	11	23	16	12	23	22	15	18	18	15	16	208
Avg.	21	23	27	22	28	26	24	26	25	26	20	21	289

As can be seen on the chart, on two occurrences the rolling average approached 30% but that was due to the preceding 3 months of very low incidents (shown in green) with a following month of a higher number of incidents (shown in yellow). So while it appeared crime increased, in reality it is a statistical anomaly that the 3 month rolling average overly inflates due to low monthly incidents in November, December and January.

In summary, the two primarily important concerns of parking and crime are in compliance with the final conditions set forth by the Sandy City Council in June of 2011 for the Crescent View station park and ride lot. The following report provides more details.

#### Introduction-

The following information is provided as an update to the memorandum presented in September 2017. This report represents the first 5 plus years of operation after the August 16, 2013 opening of the Draper TRAX Extension to address the 114th South park-and-ride lot parking and safety management plans as requested in the final conditions of approval by the Sandy City Council in June of 2011. The Council requested that UTA provide and present a parking management plan to contend with potential off-site parking issues in conjunction with a safety plan for the park-and-ride lot. These plans were presented, reviewed, and approved by the Sandy City Planning Commission on March 21, 2013 with minor modifications to portions of the text as follows.

The Parking Plan had modifications including allowing energy efficient LED lighting from the previously approved metal halide and also allowing the LED lights to be installed at 15' feet above grade instead of 14'.

The Safety Plan had one modification in Section 13.d where the trigger to increase daily UTAPD officer patrols was raised from 15% to 20% for a 3-month rolling average. This was due to the 15% rolling average calculation being exceeded twice previously to the opening of the Draper TRAX extension. Updated graphs are included in this report.

Parking Management Plan- The Sandy City Council requested that UTA present a parking management plan to contend with potential off-site parking issues to be reviewed and approved by the Planning Commission through a public hearing process no less than thirty days prior to the opening of the parkand-ride lot for public use. UTA presented the plan at the March 21, 2013 public hearing which was then approved by the Planning Commission. Approval of this parking management plan was then occur on a semi-annual basis for two years following the public opening of the park-and-ride lot, and then on an annual basis thereafter. This report covers represents the first 5 plus years of operation.

Safety Management Plan- The safety management plan was to be presented, reviewed, and approved by the Planning Commission through a public hearing process no less than thirty days prior to the opening of the park- and-ride lot for public use. UTA presented the plan in conjunction at the same Planning Commission meeting and it was also approved. The plan included the elements requested in the final conditions of approval. These are conditions and compliance are noted in the following report.

#### Parking Management Plan-

The parking management plan addressed the concerns raised in item number 11 of the final conditions of approval set forth by the Sandy City Council in June of 2011. It required that UTA perform the following to mitigate parking problems in nearby residential areas: (The conditions are shown in italics with UTA's response shown in regular font.)

11) Present a parking management plan to contend with potential off-site parking issues to be reviewed and approved by the Planning Commission through a public hearing process no less than thirty days prior to the opening of the park-and-ride lot for use. Approval of the parking management plan shall then occur on a semi-annual basis for two years following the opening of the park-and-ride lot for

use, then annually thereafter.

a) Conduct joint meetings with residents to the north and east of the UTA property, Sandy City Police Department (SCPD), and the Sandy City Community Development (SCCD), to review and discuss the plan, and to formulate solutions to existing overflow parking issues. **COMPLETED** 

Utah Transit Authority hosted public meetings in conjunction with established community meetings to review and address parking issues which may have arose with use of the park-and-ride lot. These meetings occurred on a semi-annual basis for two years following the opening of the park-and-ride lot for use and then annually.

It is the goal of these meetings was to discuss the parking management plan's effectiveness and how to formulate collaborative solutions to resolve issues.

The schedule of past and future meetings shall roughly follow the outline below:

March 2013:

Joint meeting with residents, SCPD, and SCCD – Completed

April 2013:

Final approval of parking management and safety plans - Completed

May 2013:

Public meeting - Completed

July 2013:

Opening of park-and-ride lot - Completed

February 2014:

1st semi-annual review -Completed

August 2014:

2nd semi-annual review- Completed

February 2015:

3rd semi-annual review- Completed

August 2015:

4th semi-annual review- Completed

August 2016: September 2017: 1st annual review- Completed 2nd annual review- Completed

April 2019:

3rd annual review-Pending PC meeting

March 2020:

4th annual review- Future PC meeting

b) Erect "NO TRAX PARKING" signs at entrance to all nearby residential streets in Sandy including: La Ver, Lane, Jerard Way, Crescent Vista Lane, O'Henry Road, Oak Bush Drive, and Abbottsford Lane.

COMPLETED

UTA installed "No TRAX Parking" signs at entrances to the above listed residential streets. Sandy City may elect to begin a residential parking permit program to be administered, patrolled, and enforced by Sandy City and SCPD. Please refer to appendix B for a map showing the areas suggested for inclusion for a residential parking permit program, and to the text in appendix B for Article 24: Permit Parking Areas.

c) A defined trigger for lot expansion on the Lloyd property which is being acquired by UTA.\_
COMPLETED

If the SCPD is unable to prevent illegal parking in nearby residential areas though citations and education then Sandy City may discuss with UTA the possibility of further developing the vacant property to the west of the 114th South park-and-ride lot to full build-out and capacity. Further,

UTA will pursue expansion of the park-and-ride lot when the parking lot appears to be consistently reaching capacity on a weekday monthly average. Current use is averaging only 60 to 70% as noted previously and does not warrant expansion into the adjacent property.

d) An education program to inform UTA riders boarding at 114th South of the parking options available and to identify prohibited parking areas. <u>COMPLETED</u>

UTA installed informative signs at the 114th South park-and-ride lot directing users to other available park-and-ride lots. These signs also give instructions prohibiting parking in surrounding neighborhoods and along 114th South.

e) Reader board installation provisions and parameters, which at a minimum shall be that upon occurrence of the park-and-ride lot reaching peak parking demand (measured at 12 noon) at least 40% of the time reader boards shall be placed on entrance monument sign and/or along 114th South in both directions of this proposed parking lot, that displays space availability in this lot and in the adjacent park-and-ride lots within the TRAX system (particularly 11800 South and 12300 South park-and-ride lots) to educate patrons of other legal TRAX parking options. COMPLETED

UTA installed an electronic reader board facing both directions on 114th South. This reader board displays if the park-and-ride lot is at full capacity. This reader board also displays if there is parking availability open at the nearby 118th South and 123rd South park-and-ride lots.

The parking management plan should also, but is not required to, address such issues as:

i. The use of the LDS Church parking lot just east of the corridor in Draper. <u>PENDING IF NEEDED</u>

The LDS Church parking lot located at 114th South and 552 East in Draper will be considered for future TRAX day-use parking. This will require an agreement between UTA and the LDS Church. UTA will pursue entering into such an agreement when the parking lot appears to be consistently reaching capacity on a weekday monthly average.

ii. Street parking on Draper side of 114th South. <u>COMPLETED</u>

Signage was installed instructing TRAX users that parking is not allowed on 114th South.

iii. Potential implementation of a permit parking area in the neighborhoods to the north and east of the subject property including nearby residential streets in Sandy: La Vera Lane, Jerard Way, Crescent Vista Lane, O'Henry Road, Oak Bush Drive, and Abbottsford Lane. <u>PENDING IF NEEDED</u>

UTA installed "No TRAX Parking" signs at entrances to the above listed residential streets. Sandy City may elect to begin a residential parking permit program to be administered, patrolled, and enforced by Sandy City and SCPD.

Please refer to appendix B for a map showing the areas suggested for inclusion for a residential Page 6 of 37

parking permit program, and to the text in appendix B for Article 24: Permit Parking Areas.

#### Safety Management Plan

The safety management plan below is to address the concerns raised in item number 13 and 20 of the final conditions of approval set forth by the Sandy City Council in June of 2011. The safety management plan was presented, reviewed, and approved by the Planning Commission. (The conditions are shown in italics with UTA's response shown in regular font.)

13) A study comparing the performance of the installed lighting versus the Lighting & Photo Metrics Plan specifications shall be presented to the Planning Commission in a public meeting, duly noticed, within 60 days after the opening of the park-and-ride lot for use. The Planning Commission may at that time require modifications to the installed lighting and the Lighting & Photo Metrics Plan specifications in order to reduce light spillage and/or to achieve the crime prevention through environmental design (CPTED) goals. **COMPLETED** 

UTA prepared and presented a photo-metric study of installed lighting performance for the 114th South park-and-ride lot. This study was approved by the Sandy City Planning Commission on March 21, 2013.

- 20) That a safety plan is presented to, reviewed and approved by the Planning Commission through a public hearing process no less than thirty days prior to the opening of the park-and-ride lot for use. The plan shall include, but not be limited to, the following:
- a) Provision for UTA to provide police patrols by sworn officers a minimum of 4 times per day. For the purposes of this condition, the presence of bus operators, maintenance workers or other UTA employees at the park-and- ride lot, while of value, does not satisfy the intent of the condition.

  ONGOING

UTA Police Department (UTA PD) has provided on average 4 daily random patrols of the 114th South park-and-ride lot since the opening of the Draper extension. These patrols are performed by sworn officers from the UTA PD and during UTA's 20-hour operations schedule.

b) Provision for prior notification and coordination of such patrols with Sandy City Police Department. <u>ONGOING</u>

UTA PD provides coordination concerning the patrols of the 114th South park-and-ride lot but UTA PD is not able to give detailed scheduling or prior notification of daily patrol routines.

c) Provision for crime statistics generated by UTA police on crimes committed in the park-and-ride lot is forwarded to Sandy City Police Department on a monthly basis, in a format acceptable to Sandy City Police Department. <u>ONGOING</u>

UTA PD reports crime statistics for the 114th park-and-ride lot to the SCPD on a monthly basis. This report is presented to the SCPD in MS Excel and/or PDF format.

d) Provision for an increase in police patrols by UTA based on a 3-month rolling average of crimes occurring at the park-and-ride lot combined with SCPD reported crimes within 0.5 miles of the park-and-ride lot. By way of example, if the crime rate were to increase 15 percent over the baseline, UTA would add an additional daily patrol to their schedule.

The Safety Plan had one modification in Section 13.d where the trigger to increase daily UTAPD officer patrols was raised from 15% to 20% for a 3-month rolling average. This was due to the 15% rolling average calculation being exceeded twice previously to the opening of the Draper TRAX extension. Updated graphs are included in this report. ONGOING

As noted previously, on two occurrences in Year 2 and 3 of TRAX operations the rolling average approached 30% but that was due to the preceding 3 months of very low incidents (shown in yellow) with a following month of a higher number of incidents (shown in green). So while it appeared crime increased, in reality it is a statistical anomaly.

The 2014 through 2017 totals are tracking about 15 percent less than the 2011 to 2013 totals. In 2018 the total was 40% of pre-TRAX opening. The average incidents per month for 2011 to 2013 were approximately 27 and at an average of 22 per month since the opening of the Draper LRT Extension. AS crime appears to not be increasing, UTA PD will continue to evaluate increasing the patrol of the 114th park-and-ride lot from the minimum four daily patrols.

Since opening there have been an average of 4 patrols per day by sworn UTA Officers.

e) The baseline for measuring any change in the crime rate shall be specified in the safety plan and agreed to by Sandy City Police Department and UTA police prior to submission of the safety plan to the Planning Commission. **ONGOING** 

The baseline for measuring crime rates will be established in averaging statistics from the SCPD for incidents within 0.5 mile of the 114th park-and-ride lot and UTA PD incidents occurring at the 114th lot. The statistics are based on a 3-month rolling average.

SCPD provided the following information on all incidents occurring within 0.5 mile of the 114th park- and-ride lot.

Sano	y City	/ Polic	e Dep	artme	ent Ca	ses W	ithin	1/2 M	ile of	361 E	ast 11	400 S	outh
	087		Ja	anuar	y 1, 20	)11 - C	ecem	ber 3	1, 201	8			
Year	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Total
2011	29	24	30	20	27	27	22	37	34	35	31	21	337
2012	18	31	29	34	28	28	16	23	19	33	23	33	315
2013	17	26	25	22	38	25	28	34	39	26	19	26	325
2014	25	31	22	18	41	18	25	33	19	29	17	21	299
2015	29	15	29	32	31	29	23	23	25	34	13	15	298
2016	15	26	25	19	24	30	34	19	27	15	28	18	280
2017	17	19	35	17	23	25	24	26	16	21	12	14	249
2018	19	11	23	16	12	23	22	15	18	18	15	16	208
Avg.	21	23	27	22	28	26	24	26	25	26	20	21	289

As shown in the table and chart below, crime reported by the SCPD decreased from a monthly average of 27 per month prior to the August 2013 opening of the Draper TRAX line to 22 following the opening. Of note are the lower number of incidents in 2017 and 2018 compared to prior years.

The chart above shows a trend in cases for 2011 to 2018. They typically start low in the winter, rising up through May, then drop suddenly in June, rising up again through September, and dropping again into November/December to start all over again. The trend since the opening of the Draper TRAX line is similar except that after peaking in May the cases remain fairly level through October and fall again into December.

### **Current UTA Transit Police Trends in Sandy Jurisdiction**

UTA PD has also been providing information on all incidents occurring at the park-and-ride lots in the Sandy Jurisdiction. Please refer to the table below for violation totals for each lot during years prior to opening the Draper TRAX line and after. The increase at the 114<sup>th</sup> S station in 2016 and 2018 was primarily due to 29 and 27 incidents, respectively, of Public Order/ Public Peace incidents. Otherwise 2016 to 2018 totals were in line with 2015's total of 24.

It is interesting to note the number of incidents prior to the Draper TRAX line opening and after at the three original TRAX stations, 10000, 9400 and 9000 S. Prior to opening they averaged 63 from 2011 to 2013. After opening they have averaged 80 from 2014 to 2018, with the largest increase at 9000 S of over 100%. Not sure why this is occurring.

The 2014 to 2018 average for 11400 S is 33, without Public Order/Public Peace the average is only 23.

Also of note is that prior to opening, the 10000 and 9400 S stations averaged 36 incidents per year and after opening have averaged only 27 per year. So the demographics of the reported incidents is moving about the system.

Incidents Reported at Sandy Stations (Excluding Fare Enforcement Violations)											
Station	2018	Avg./Mo.	2017	Avg./Mo.	2016	Avg./Mo.					
11400 S TRAX	53	4.4	29	2.4	49	4.1					
10000 S TRAX:	30	2.5	12	1.0	3	0.3					
9400 S TRAX:	20	1.7	19	1.6	19	1.6					
9000 S TRAX:	70	5.8	69	5.8	74	6.2					
Total	173	14.42	129	10.75	145	12.08					

Station	2015	Avg./Mo.	2014	Avg./Mo.	2013	Avg./Mo.
11400 S TRAX	24	2.0	9	0.8	4	0.9
10000 S TRAX:	12	1.0	14	1.2	27	2.3
9400 S TRAX:	4	0.3	4	0.3	0	0.0
9000 S TRAX:	49	4.1	22	1.8	30	2.5
Total	89	7,42	49	4.08	61	5.64

Station	2012	Avg./Mo.	2011	Avg./Mo.	2010	Avg./Mo.
11400 S TRAX	n/a	n/a	n/a	n/a	n/a	n/a
10000 S TRAX:	36	3.0	31	2.6	46	3.8
9400 S TRAX:	0	0.0	3	0.3	3	0.3
9000 S TRAX:	30	2.5	15	1.3	26	2.2
Total	66	5.50	49	4.08	75	6.25

Below is a chart and the statistics for reported crime within Sandy City according to the UTA PD. The year and number of incidents responded to are shown. Since a low in 2013-2014 the incidents have increased primarily due to the issues at the 9000 S station from 22 in 3014 to 49 in 2015, 74 in 2016, 69 in 2017 and 70 in 2018. Overall incidents have been increasing since the low of 2014 primarily due to violations at 9000 S.

#### **Establishing Community Outreach and Education**

The community outreach and education plan below was implemented to address the concerns raised in item number 31 of the final conditions of approval set forth by the Sandy City Council in June of 2011.

31. That prior to opening of the 11400 South park-and-ride lot applicant shall jointly determine with the Canyons School District and other pertinent community organizations an ongoing safety, education and promotion program acceptable to the school district which shall be included in the safety plan. <u>COMPLETED</u>

Utah Transit Authority performed "Operation Lifesaver" to all area schools closest to the Draper TRAX extension rail corridor prior to opening the line during the 2012-2013 school year.

Operation Lifesaver presentations were delivered by UTA employee volunteers who have been trained and certified by the Utah Operation Lifesaver organization. It is an international, non-profit educational organization founded in 1972. Volunteer speakers and audio-visual aids are presented free of charge to groups that include schools, driver education classes, professional truck and bus drivers, emergency responders, law-enforcement, and other interested civic or professional groups. The curriculum includes segments on dangerous and safe behaviors, the ubiquity of trains, their stopping distances, cars on tracks, trespassing, emergency notification

systems, traffic and other applicable laws.

Operation Lifesaver reports its success can be measured by the reduction in the number of incidents since the program was started. In 1975, there were 12,000 incidents recorded; by 2008 there were 2,300.

The schools which received the "Operation Lifesaver presentation prior to opening included:

- 1. Crescent View Middle School, 11150 South 300 East, Sandy
- 2. Crescent Elementary School, 11100 South 230 East, Sandy
- 3. Sprucewood Elementary School, 12025 South 1000 East, Sandy
- 4. Draper Elementary School, 12080 East 12660 South, Draper
- 5. Skaggs Catholic Center, 300 East 11800 South, Draper
  - a. St. John the Baptist Elementary School
  - b. St. John the Baptist Middle School
  - c. c. Juan Diego Catholic High School

Additionally, UTA will continue to participate in community outreach events by sponsoring display booths and other educational efforts.

Ongoing Operation Life Saver presentations are conducted at public high schools as part of driver's education. If there are requests to have regular / annual presentations at schools, UTA and OLI can definitely add it to the schedule.

Below is a picture from just such a presentation up north last month.

### Appendix A: Sandy City Stations and 114th South Park-and-Ride Crime Statistics

- 1. Crescent View Park and Ride Lot Parking Occupancy, September 2016 to September 2017 and 2018.
- 2. Sandy City Police Department Cases within 1/2 mile of the Crescent View Station- Jan. 2011 to 2018-provided by Sandy City.
- 3. Percentage Change of Crime within 0.5 Mile of the 114th Station- 3 Month Rolling Average 2011 to 2018-provided by Sandy City.
- 4. Violations issued on UTA facilities in Sandy City jurisdiction. 2010 to 2018- provided by UTA PD.
- 5. All non-fare violations issued by UTA PD. 2010 to 2018- provided by UTA PD.
- 6. Incidents Handled by UTA Police- 2018 to 2010 within Sandy Jurisdiction.
- Violations issued within 0.5 mile radius of 144<sup>th</sup> South Park and Ride Lot. 2011 to 2018 provided by Sandy City.
- 8. Map of 0.5 mile radius from the 114th park-and-ride lot.
- 9. 114<sup>th</sup> South Park and Ride Lot Residential Permit-Only Parking Area Plan
