Sandy City Classification, General Description:

Class A. Retail sale of 3.2% beer only for consumption off the premises. Examples include Grocery stores and convenience stores.

Class B. Sale of 3.2% beer only at a restaurant where 70% of sales must be from food at a finer dining facility. Fine dining includes the use of reusable tableware and a where at least 25% of the total floor area is dedicated to kitchen use. **Consumption** adds wine or liquor to the existing license.

Class C. Tavern. No longer permitted. Was a facility where there were not food sale limitations, and the establishment permits the 2.3% beer only to be consumed on the premises.

Class D. Used more generally for hotels, reception facilities, and recreation and sporting facilities.

Class E. Temporary use. No longer permitted. Was for a maximum 30 days. Was used for cash bar events, beer gardens, etc.

Packaging Agency. Sell wine and liquor in agreement with the State acts like liquor store.

Private Club I. Is a Dining Social Club. No longer permitted.

Private Club II. All other social clubs as defined by the State of Utah. No longer permitted.
