May 2, 2023

Dear City Council Members and Citizens of Sandy,

You have entrusted me as your mayor to administer the city budget. It is my commitment to work with you in complete transparency to address the needs of our first-class city. I value your input and participation throughout this process.

My budget includes a moderate property tax increase of approximately \$9 per month, per average home. This increase will be used to fund important city services, retain valuable employees, and invest in infrastructure. Sandy City's top priorities include:

1. Attracting and retaining high-caliber employees with competitive compensation;
2. Fire department staffing and facility upgrades;
3. Investment in fleet replacement.

This budget reflects how our world is changing in a new economy with record inflation that's impacting the city's budget, just like it's impacting your household budget. Belt-tightening and deferring long-term projects because of the economic uncertainty of the pandemic has affected us all. Some top economic indicators driving this decision are Utah's inflation rate which, last year, was at 9%, Utah's 2.4% unemployment rate, the rising cost of fuel and construction, Social Security's 8.7% cost of living adjustment, and competition in the marketplace for skilled employees. We need to adjust to the new economy and plan for our future now.

Our One Sandy vision is to create an active, vibrant, and prosperous community where people can flourish and feel a sense of belonging. We are committed to being responsible stewards and providing high-quality services with a focus on safe neighborhoods, smart planning, environmental preservation, and economic diversity. This proposed budget reflects our core values of taking care of the good things we have and investing wisely to build a strong future.

We must always be thinking ahead in our planning and continually assess how our city's infrastructure is meeting the needs of our modern city and our future growth. The following outlines how this year's budget addresses these essential components for Sandy's success and wellbeing. Setting the budget is a months-long process where priorities have been identified by administration, council, and department heads and needs are prioritized with a bent toward public safety essentials.

FUNDING THE PEOPLE WHO WORK FOR YOU: EMPLOYEE COMPENSATION

Our safety and quality of life depend on the quality of our public services, such as police, fire, roads, building inspections, water delivery, bulk waste pickup, and emergency management, just to name a few. The high-quality services that you have come to know and expect in Sandy are a result of the outstanding work of our city employees. It's true, Sandy City employees are our most valuable asset and known for their dedication, training, experience, leadership, and helpfulness to the people of Sandy. As your mayor, I frequently hear your appreciation for our police and fire officers, snowplow drivers, water crews, parks and recreation, and professional staff. This is why I know you will support the investment needed to maintain your high level of city services with a needed increase to our employee compensation package.

A competitive compensation plan creates a productive, motivated, and dedicated workforce that encourages longevity and minimizes turnover. A stable workforce paid at a competitive level for public employment saves the taxpayers money because it reduces the high cost of training new employees after turnover and as well as the loss of institutional expertise. Low employee turnover is a hallmark of a well-managed city — something Sandy's always been known for. Yet, this year, maintaining that historical marker is harder than ever with unprecedented market pressures causing a need for more competitive compensation. Our employees have a lot of options in the marketplace including working for other municipalities as well as the private sector.

Managers report positions staying vacant longer and reduced or no applicants for some positions. Our data shows that when employees are adequately compensated, they provide elevated service and dedication. A balanced compensation plan includes market-level pay ranges and opportunities for career growth so employees can progress in pay as they gain experience and responsibility. That's what I've included in this year's budget – a plan to come up to reasonable averages for our city workers.

The annual salary survey found that the city's employee salaries are falling far below what comparison cities are paying. With Utah's inflation at 9% over last year, employees are experiencing real-world wage loss just by continuing in their positions.

We've carefully examined the public employment marketplace and recognize that we fall further behind each year. This is not sustainable and failing to raise their wages puts us at even greater risk of turnover and low job satisfaction. The pool of comparison cities aggressively addressed our employee pay and we must do the same. Last year, Sandy City implemented a 6% cost-of-living increase, but it was not enough to keep up with what others offered. As a result, each year we fall further behind—now is the time to make significant adjustments to support and maintain our valued workforce.

To maintain the city's position relative to comparison cities, this year's proposed compensation plan includes a 7.5% cost-of-living allowance for all employees and a 2.25% targeted market increase for civil service employees. The plan also includes standard step-and-grade and merit progression for public safety and regular employees, respectively, and a 7% increase in health insurance. This is the most responsible and conservative approach based on the annual salary survey of our comparison cities and achieving the city's goal/policy of maintaining high-average/average pay bands.

PUBLIC SAFETY: POLICE & FIRE

In recent years, the biggest issue impacting our public safety staffing is the unusually high turnover rates in both the police and fire departments. You've probably heard about how our trained officers have been poached by other departments with promises of higher pay, faster career advancement, and other perks. Two years ago, Sandy City increased police pay by approximately 20% virtually overnight in an emergency mid-year budget correction to stem the officer migration from our police department. This year, the Sandy Fire Department experienced its own personnel crisis that we're working to correct and stabilize.

Fire Department Personnel and Equipment

Over the last year a similar situation arose in the fire department. In a short 120-day period last summer, Sandy lost 10 firefighters/paramedics as soon as other cities approved their final budgets offering significant increases. These were mid and upper-level firefighters and paramedics, indeed, the future leadership of our department. One left for retirement, but most cited low staffing, wages and lack of

career advancement in Sandy as reasons they looked for better opportunities. We could have lost more had we not taken aggressive measures to fund the 3:2 staffing on engines to improve safety and pivot to address both short and long-term needs for our firefighter personnel. To prevent an imminent crisis, city leadership made commitments to increase staffing, review compensation, and identify safety equipment, facilities, and other operational resource needs.

This budget funds:

- Eight (8) new firefighters needed to maintain the new 3:2 staffing policy. The cost of the eight new firefighters/paramedics is \$875K.
- A fire pay scale increase of \$635K, which includes a change to the step and grade progression from 12 to 10 steps in line with our comparable cities. It also creates new senior firefighter/paramedic positions to incentivize training and allow career advancement. This will also help attract laterals to Sandy.
- Increases for Personal Protective Equipment (PPE), life-saving equipment, and fire vehicles.

With your support, these investments will help ensure Sandy maintains its exceptional life-saving medical and fire services. When your life and property are on the line, you'll have a well-equipped fire department responding to your home and family.

Rebuilding Sandy's Fire Headquarters: Fire Station 31

For more than 20 years, the city has identified rebuilding Fire Station 31 as a priority for public safety. Fire Station 31 is our department headquarters. It receives the most calls for medical, heavy rescue, and hazardous material services.

A City Council resolution passed on December 6, 2022 indicated a course favoring action for a voter-approved bond to fund the replacement building for Fire Station 31. The same resolution provided for reconsideration of the voter general obligation bond if new means of funding were available in the budget analysis. After detailed study with our financial planning team and bonding advisors, it is clear that it would be beneficial to the Sandy taxpayer to combine bonding of Fire Station 31 with the Monroe Street Phase VI project scheduled for this summer. Combining both projects under one sales tax revenue bond in the same transaction will save more than \$150K in transaction costs, interest, and personnel management. Further, bonding for Fire Station 31 preserves city capital savings, striking a sensible compromise between administration and council reserving capital fund balance for other city building projects in the future, including Alta Canyon Sports Center.

Therefore, I recommend implementing a sales tax revenue bond over a voter-approved general obligation bond to finance Fire Station 31. We've secured the location west of the Real Salt Lake Stadium and the architectural and planning design is underway for Fire Station 31. We can and should proceed with the city's top public safety priority immediately and build our new fire headquarters this year with a sales tax revenue bond. In a recent survey of Sandy residents, a strong majority rate Fire Station 31 as a top priority for city capital projects.

FLEET REPLACEMENT

Delayed funding increases in the Sandy fleet budget have resulted in the fleet inventory deteriorating and falling critically behind according to the industry standard replacement schedule. I mentioned the effect of the stringent budgeting during the pandemic – projects were put on hold and spending deferred. The impact of this deferment was particularly evident on our city fleet vehicles. Older vehicles with higher miles result in higher maintenance and replacement costs. And the real-world impact is felt on the road. Vehicles pulled from the active fleet for maintenance and repairs can directly impact public safety. To address this issue, we have identified fleet replacement as a top priority for budget allocation.

Therefore, in addition to the base \$1.3M, an unprecedented one-time funding amount of \$1.1M is being proposed for general fleet replacement just to catch up on years of a lack of funding. This added amount is focused primarily on public safety vehicles. Additionally, other enterprise and special revenue funds, such as water, storm water, waste, and fleet, will combine for an extra \$627K in vehicle replacement. This investment will significantly improve the quality of our city's fleet, which provides critical services to our community.

ADDITIONAL PRIORITIES

Public Works & Public Utilities

Public Works and Public Utilities play a vital role in ensuring a strong infrastructure.

The proposed budget funds:

- Additional allocations for hazardous concrete repair and street reconstruction;
- New equipment to fill potholes in cold weather, ensuring lasting repairs;
- Upgraded traffic signals throughout the city;
- Future water, storm water, and street lighting projects;
- Weekly waste pickup and increased costs for the bulk waste pickup.

Emergency Preparedness

In August, we participated in a successful weeklong emergency training event conducted by FEMA officials. However, we learned from FEMA representatives that a city of our size needs additional staffing to adequately prepare for and respond to disaster emergencies. As a result, I suggest that we fund an emergency management coordinator to bolster our emergency preparedness. The budget also allocates funding to address future radio communication upgrade mandates critical to our public safety, public works, and utility departments.

Community Connectedness

There is a growing emphasis on the importance of social and mental wellness as a key component of a healthy community. Residents enjoy the opportunity to gather and connect as a community. These connections make our community stronger. In order to support and promote this need, more funding is proposed towards maintaining and enhancing our community events and outreach programs for our residents and businesses. A modest increase is proposed to continue hosting events such as the Historic Sandy Barbecue, Balloon Festival and Drone Show, Light up the Cairns Holiday Event, 4th of July festivities, and community movies. Additional staff support is also needed. These are generational traditions that create a sense of identity and belonging, civic pride, and build trust among members of our community.

A Healthy Economic Environment

Having a healthy tax base is crucial for the prosperity of a city. Unfortunately, our city has seen a decline in retail sales growth over the past few decades.

Previously, Sandy's retail sales growth rate was three times that of the statewide sales. Moreover, the shift towards internet purchases has resulted in sales tax not always being captured as revenue for cities. To address this issue, we outlined the following strategy:

1. **Retail experiences:** We should focus on improving the retail experience by promoting the Cairns District to enhance the quantity and quality of retail options and attract more customers.
2. **Diversified housing:** Diversified housing initiatives identified in the Cairns Master Plan focus on the anticipated increases to the population of our city center and, consequently, a boost in sales tax revenue, as the formula for distributing sales tax revenue is based 50% on population.

IN SUMMARY

Transparency throughout this process is crucial. Sandy City encourages residents to participate in the conversation and share their feedback. Despite the proposed moderate property tax increase of approximately \$9 per month per average homeowner, Sandy will still have one of the lowest property tax rates among similar-sized cities. Even with the proposed increase, 14 comparable cities will still have property tax rates higher than Sandy. We are committed to providing stability in our tax base while ensuring that Sandy remains an affordable place to live.

This proposed budget is calling for us to properly invest in our city now. This is necessary to secure the safety and sustainability of our city's future. This budget accounts for the true costs of what is required to manage a city of our caliber.

This budget proposal achieves fiscal prudence, enhances the standard of living, and upholds our traditions, while sustaining our reputation as a provider of outstanding services at the most economical rate for taxpayers. Please accept this tentative budget for your approval.

Yours in Service,

A handwritten signature in black ink, reading "Monica Zoltanski". The signature is written in a cursive style with a large, looping initial "M".

Mayor Monica Zoltanski

FY 2023-2024 Budget In Brief

Property Tax

To address the mounting impacts of inflation and facilitate ongoing services, this budget proposes a property tax rate increase of about **\$9 per month** for an average home (about a 32% Sandy rate increase or 3% increase on total property tax bill). This provides a more stable tax base but still maintains one of the lowest rates of similar cities in Utah.

Market Competitive Compensation

Sandy City's most recent annual compensation survey results show that the vast majority of the City's regular employee **pay ranges are well below comparison cities**. Historic inflation and wage growth in recent years, coupled with high demand for public safety employees, have placed tremendous pressure on city budgets to remain market competitive. In alignment with the City's goals to maintain a highly qualified workforce and to maintain and improve core services, this budget reflects an **8.7% increase** to overall employee compensation. While this is higher than typical and improves our competitiveness, it still leaves Sandy City lagging behind comparison cities in average total compensation for many positions citywide.

! We are falling behind!

Public Safety Staffing

The safety of Sandy residents is a top priority. This budget commits ongoing funds for **eight new Firefighter Paramedics** and a more competitive firefighter pay structure. These positions and pay adjustments will help maintain 3:2 staffing levels and contribute to improved retention and recruitment.

Fleet Replacement

The \$1.3M ongoing appropriation for fleet replacement is insufficient to keep pace with rising costs and a growing fleet. For this reason, \$1.1M in one-time funds have been used to supplement general fund fleet replacement with an emphasis on replacing public safety vehicles.

General Fund		Other Funds	
Police	\$1.2M	Utilities	\$237K
Fire	\$753K	Waste	\$215K
Parks & Rec.	\$422K	Fleet	\$175K
Total	\$2.4M	Total	\$627K

No Utility Rate Increases Proposed

Enhanced Staffing

In addition to bolstering public safety services with augmented staffing, the following positions have been funded to better serve Sandy residents:

- Emergency Management Coordinator
- Parks & Recreation Marketing Specialist
- Arts Guild Assistant Producer (Part-Time)
- Administrative Assistant (Part-Time)

*FTE=Full-time equivalent employee

Despite adding a total of 12 FTEs* to the FY 2024 staffing plan, the City's total FTE count is actually lower than it was 15 years ago.

Inflation Indicators

Due to the effects of the pandemic and recent international conflict, the cost of goods and services has increased substantially. Below are just a few examples of inflation over the last two years based on historical City department expenditures:

- Diesel Fuel up 97%
- Sprinkler Parts for Parks up 44%
- City Insurance Premiums up 37%
- Snow Plow Tires up 25%
- Police Interceptors up 23%
- Ambulance Supplies up 12%

The following measures highlight inflation at a broader level over the last two years:

Consumer Price Index up 14.8%*

Social Security COLA up 14.6%**

Sources:
 *bls.gov—Mountain area 2020 annual vs. 2022 annual
 **ssa.gov—cost of living increases of 5.9% and 8.7% effective January 2022 and January 2023, respectively

Funding has also been set aside for a new **Animal Services Officer** to meet the demands of increased call volume over the last five years.

Bonding for Major Projects

An ongoing appropriation of **\$1.6M** for annual sales tax bond payments is proposed in order to rebuild **Fire Station 31 (\$700K)** and to complete the next phase of **Monroe Street (\$900K)**. The Monroe Street portion of this bond payment will be covered by State funding.

Equipment \$533K of one-time

general revenues is budgeted for department equipment needs. This includes funding for future radio upgrades necessary across all City departments. It also funds equipment critical for public safety such as bulletproof vests for police, and heart monitors, fire hose, air bag rescue systems, and PPE for firefighters. A **\$73K** ongoing increase is appropriated in Fire for regular PPE replacement.

Capital Projects

This budget allocates **\$12M***

Parks \$2.1M
 All Inclusive Playground
 Bicentennial Pickleball Courts
 Park Strip Conversions

Utilities \$2.2M
 Mainline Replacements
 Floodplain Projects
 CMP Replacement
 Street Lighting Improvements

Roads \$5.1M
 Traffic Signal Upgrades
 Intersection Reprofiting
 Street Reconstruction
 Concrete Repair

City Facilities \$2.4M
 Amphitheater Improvements
 City Hall Remodels
 Building Improvements

for capital improvements with notable projects shown to the left.

*This does not include bond proceeds for the Fire Station 31 or Monroe Street projects.

Misc. \$230K
 CDBG Projects

Notes to the Consolidated Budget Schedule

Internal Services and Transfers - The consolidated schedule attempts to eliminate double counting, and therefore it excludes internal services charges both as financing uses in the departments and as revenue in the internal service funds. By so doing, the costs of internal services such as fleet, information technology, and risk management are broken out into individual components such as personnel, materials & supplies, capital outlays, etc. The consolidated schedule also excludes all interfund transfers.

Capital Outlays - The capital outlays line includes all operating and non-operating capital outlays as well as all capitalized labor, materials, and supplies. As a result, the personnel services line includes all salary and benefit costs except those that have been capitalized which are \$2,170,193 for FY 2024. Capitalized material and supplies total \$41,900. The remaining capital outlays are detailed in the Consolidated Capital projects schedule except for fleet purchases, building improvements, and capital equipment without an assigned project code.

Capital Carryovers - Each year, any unspent appropriation for capital projects is reappropriated in the next year. The City Council holds a public hearing before approving these carryovers in a meeting usually scheduled at the beginning of October. The FY 2023 estimated column reflects the original FY 2023 budget, plus any revisions made during the year, including capital project carryovers. Updated revenue and expenditure estimates are also reflected. At the close of FY 2023, any remaining appropriation will be reappropriated in FY 2024.

Debt Service - The FY 2024 debt service line includes \$7,879,390 used to retire current debt.

GOALS & OBJECTIVES

Sandy City has adopted the following vision and mission statements:

Vision

Connecting an active, vibrant, and prosperous community, where people flourish, and you belong.

Mission

Sandy City strives to be responsible stewards dedicated to providing high-value quality services, with an emphasis on safe neighborhoods, smart planning, preservation, and economic diversity.

Our unique mountain community, in the heart of the Wasatch, simultaneously offers access to open space recreation and urban opportunities, encouraging a healthy lifestyle for residents and tourists alike.

Consistent with this vision and mission, the Fiscal Year 2023-24 (FY 2024) budget reflects the input of numerous individuals and groups, including the Mayor, the City Council, citizens, the Chief Administrative Officer, department heads, budget staff, and others. This section outlines eight citywide goals that have shaped budgetary decisions for this fiscal year in efforts to enhance the quality of life for Sandy's citizens. These goals were formulated through strategic planning sessions between elected officials, administration, and department leadership. Although all eight goals are important, the goal of maintaining and improving basic core municipal services is the highest priority.

FY 2024 CITYWIDE GOALS

- 1) Maintain and improve basic core municipal services
- 2) Maintain integrity of residential neighborhoods and preserve property values
- 3) Preserve and improve public infrastructure and transportation systems
- 4) Preserve and expand existing businesses / seek new clean commercial businesses
- 5) Develop and improve the City's recreational trails and increase recreational opportunities (i.e., provide park and green spaces for recreational activities and to enhance the environment)
- 6) Develop and maintain community facilities
- 7) Strengthen communications with citizens, businesses, and other institutions
- 8) Maintain a highly qualified employee workforce

GUIDING FINANCIAL PRINCIPLES

While the city's long-term goals and objectives guide what the budget accomplishes, how that is accomplished is based on the following guiding principles:

- Sandy City exists only to serve the needs of its citizens. Since these needs are continuing and changing, the City should consistently receive citizen feedback based on both long-term and current needs.
- Sandy City should strive for economy, efficiency, and effectiveness in providing basic services. Thus, these services should not cost more than similar services provided by private industry.
- Sandy City should finance services rendered to the general public (such as police, fire, streets, and parks) from revenues imposed on the general public, such as property and sales taxes. Special services rendered to specific groups of citizens should be financed by user fees, impact fees, license and permit fees, or special assessments.
- Sandy City should allow for a reasonable surplus (fund balance) to accumulate for the following purposes:
 - To provide sufficient working capital
 - To provide a cushion to absorb emergencies such as floods, earthquakes, etc.
 - To provide for unavoidable shortfalls in revenues
 - To secure the City's debt and its bond rating
 - To accumulate funding for planned capital expenditures
 - To meet reserve requirements for liabilities already incurred but not yet paid as is the case with the Risk Management Fund

- Sandy City should strive for generational fairness. Thus, each generation of taxpayers should pay its fair share of the long-range cost of these City services.
- Sandy City should balance all budgets annually, in accordance with Utah law (Section 10-6-110, U.C.A. and 10-6-117, U.C.A.).

The City has adopted policies based on these guiding principles by which it conducts its financial affairs. These policies are stated in the following sections that discuss the budget process, financial structure, revenue, debt, and capital projects.

BUDGET PROCESS

BUDGET ROLES AND RESPONSIBILITIES

Sandy City Citizens – The citizens’ role is to provide feedback to the elected officials about the level of service they desire and about how satisfied they are with the services provided. They do this by participating in public hearings, contacting City Hall, or by responding to citizen surveys.

The City Council – The Council’s role is to provide policy direction to the Mayor, City Administrator, Department Heads, and Budget Staff. Council members also facilitate citizen input by holding public hearings on the tentatively adopted budget. They receive a tentative budget from the Mayor on or before the first regularly scheduled meeting in May. Council members also discuss the budget with the Mayor and each department and determine whether to add new items to the budget or to increase or decrease appropriation amounts. The City Council legally adopts the final budget by resolution on or before June 30, unless there is a change to the certified tax rate permitting adoption as late as September 1.

FISCAL YEAR 2024 BUDGET CALENDAR

Date	Event
Year-round	Receive citizen input through focus groups, surveys, community meetings, public comment, social media and other electronic correspondence, and personal conversations.
January	Begin developing short and long-term forecasts
January – March	Budget work sessions
	Develop preliminary revenue estimates
	Finalize internal service and administrative cost studies
February – March	Review department budget requests
	Review and update fee schedule
March	Finalize revenue forecasts
	Finalize compensation plan
	Review and balance Mayor’s Proposed Budget
March – April	Prepare and publish Mayor’s Proposed Budget
May 2nd	Present Mayor’s Proposed Budget, Tentatively Adopt Budget
May – June	Review the Tentative Budget
May – June	Public budget hearing
By June 20th	Set Property Tax Rate, Set Truth in Taxation Hearing (if needed)
By June 27th	Adopt Final Budget (if no property tax rate increase)
August 22nd	Possible Truth in Taxation Hearing (if needed)
By August 24th	Resolution Calling GO Bond Election (if needed)
By August 29th	Set Final Property Tax Rate and Adopt Final Budget (if needed)
November 7th	General Election, GO Bond Election (if needed)

The Mayor – The Mayor’s role is to prepare and present a tentative budget to the City Council for review, consideration, and adoption.

The Chief Administrative Officer (CAO) – The CAO’s role is to oversee the budget process as the City’s Chief Budget Officer, making sure the budget is balanced and that appropriations are within projected revenues. With the Mayor’s approval, the CAO prepares a tentative budget that is presented to the City Council on or before the first regularly scheduled meeting in May. The CAO also holds each department accountable for expenditures, making sure they are within departmental budget appropriations.

The Department Heads – The department heads’ role is to prepare a budget request based on available revenue and the policy direction they have been given. Department heads are also responsible for ensuring their department’s expenditures are within budget appropriations.

The Budget Staff – The budget staff’s role is to prepare the tentative and final budget document under the direction of the Mayor and the Chief Administrative Officer. The staff members also review departmental budget requests and available resources and make recommendations for balancing the tentative budget.

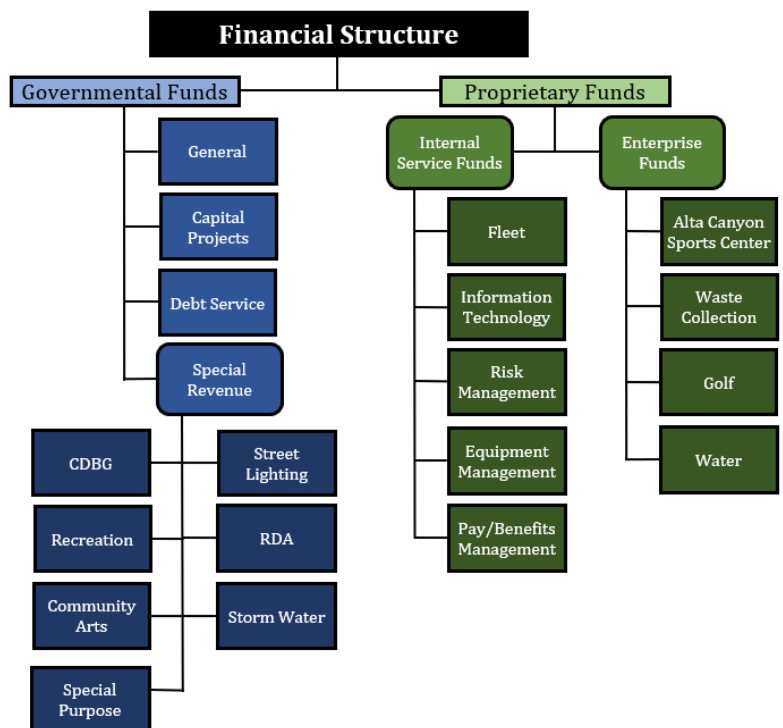

BUDGET AMENDMENTS AND MANAGEMENT

Once adopted, the budget can be amended by subsequent City Council action. Reductions in or reallocations of departmental appropriations can be approved by the City Council upon recommendation of the Budget Officer, but appropriations cannot be increased in a governmental fund without a public hearing. Transfers of unexpended appropriations from one expenditure account to another in the same department can be made with the approval of the Budget Officer. Pursuant to Resolution 20-23 C, a department is designated by the first two digits of its organizational code as structured in the chart of accounts at the time of the budget’s adoption.

As determined by State law, the level for which expenditures may not legally exceed appropriations is the departmental budget within a given fund. The City Council also requires approval for any expenditure exceeding appropriations at the project level for all capital projects. All unexpended budget appropriations lapse at the end of the budget year. However, unexpended Capital Projects Fund appropriations may be reappropriated by a resolution of the City Council without holding public hearings.

FINANCIAL STRUCTURE

The various funds used for accounting and reporting purposes are the foundation of the City’s financial structure. In a like manner, the various departments within the City are the backbone of City operations. The City’s departments are groups of similar functions or programs that provide for efficient management. They also provide a framework for the budget that is conceptually easier to understand. Furthermore, the total appropriation for each department within a given fund is the legal spending limit specified by state law. The fund types, organized by functional department in this document, are described and illustrated hereafter. Furthermore, the schedule on page 12 illustrates the relationship between the City’s financial structure and the functional units.

DESCRIPTION OF FUNDS

The Governmental Funds include most activities that comprise the City's core services and are organized into four major groupings: the General Fund, Special Revenue Funds, the Debt Service Fund, and the Capital Projects Fund. Descriptions of each of the major governmental funds follow, with consolidated descriptions of the non-major funds.

The General Fund is the City's primary operating fund and provides most of the resources necessary to sustain the day-to-day activities of a governmental entity. This fund records all assets and liabilities of the entity that are not assigned to other funds.

Special Revenue Funds are restricted or committed to a specific purpose other than debt service or capital projects. They provide extra assurance to taxpayers that dollars will go to an intended purpose.

The Redevelopment Agency (RDA) Fund accounts for revenues and expenditures associated with the Sandy City RDA. The RDA utilizes tax increment financing, amongst other sources, to promote new capital investments and job growth within the City's RDA project areas.

The Street Lighting Fund accounts for revenues and expenditures associated with the City's street lighting system. It is primarily funded by a street lighting utility fee charged to all properties in the City.

The Storm Water Fund accounts for revenues and expenditures associated with the City's storm water system. It is primarily funded by a storm water utility fee charged to developed properties in the City.

Other Special Revenue Funds include non-major funds such as: the Community Development Block Grant (CDBG) Fund, the Recreation Fund, the Community Arts Fund, and the Special Purpose funds. Additional details on the operations and purpose of each of these funds can be found in the relevant department sections of this document (see table of contents).

The Debt Service Fund is used to account for the accumulation of resources for payment of general long-term debt that has been issued by the City. Reported in the aggregate in the City's government-wide financial statements, the City has set up specific sub-funds to record and report each of its major general debt issues. Debt incurred by enterprise funds is accounted for within their respective funds.

The Capital Projects Fund is utilized to account for long-term capital investment projects such as the acquisition, construction, or renovation of facilities. Like the Debt Service Fund, several sub-funds have been set up within the Capital Projects Fund to manage restricted revenues, grants, and capital programs. General capital projects are accounted for within this fund and are primarily funded via one-time revenues and operational savings from the City's General Fund.

The Proprietary Funds account for business-type activities within the City that are primarily financed by fees or charges for services. They are organized into two categories: Enterprise Funds and Internal Service Funds.

The Enterprise Funds are used to account for City services that operate similar to a private business and are reported as a business-type activity in government-wide financial statements.

The Water Fund is used to account for the revenues and expenditures associated with the City's water utility service. It is primarily funded by water utility fees.

The Waste Collection Fund is used to account for weekly waste services provided by the City as well as the City's bulk waste program. It is primarily funded from waste utility fees.

The Alta Canyon Sports Center Fund accounts for the operations of the Alta Canyon Sports Center. It is funded via taxes from a special service district as well as charges for services.

The Golf Fund accounts for the operations of the River Oaks Golf Course. It is funded through charges for sales and services.

The Internal Service Funds account for the financing of goods and services provided by one City department to other departments in the City on a cost reimbursement basis. They include the Fleet Fund, the Information Technology Fund, the Risk Management Fund, the Equipment Management Fund, and the Pay & Benefits Management Fund. These are reported collectively in financial statements.

FUND BALANCE AND RESERVES

Utah state law allows cities to accumulate retained earnings or fund balances as appropriate in any fund (see U.C.A. 10-6-116). However, the law restricts balances in the General Fund as follows: (1) any fund balance less than 5% of estimated revenue may be used for working capital, certain emergency expenditures, or to cover an unexpected revenue shortfall that would result in a year-end excess of expenditures over revenues; (2) any fund balance greater than 5% but less than 35% may be used for budget purposes; and (3) any fund balance in excess of 35% must be included in the appropriations of the next fiscal year. The City has set a target General Fund balance of 12.0% for FY 2024.

Sandy City accumulates fund balances in its various funds for the following purposes:

- To avoid short-term debt that might be needed to provide working capital
- To meet unexpected expenditures as the result of an emergency
- To secure the City’s debt and its bond rating
- To accumulate funding for planned capital expenditures including the replacement of capital assets
- To meet reserve requirements for liabilities already incurred but not yet paid as is the case with the Risk Management Fund

All excess funds are invested consistent with the State Money Management Act (see 51-7, U.C.A.). The resultant interest income is used as an additional revenue source in each fund. The chart above shows the history of fund balance in the General Fund. The schedule on page 12 summarizes the beginning and ending fund balances in the various funds of the City. Below are explanations for any major fund with a fund balance changing by more than 10%.

Redevelopment Agency Fund: The beginning fund balance includes estimated surplus in the redevelopment funds at the end of FY 2023. The estimated fund balance in the FY 2024 budget will be used for future capital projects identified in the Economic Development Capital Facilities Plan.

Other Special Revenue Funds: Balances are expected to drop by 30% in FY 2024 due to capital improvements at the Amphitheater and appropriation of unspent revenue in Special Purpose Funds.

Debt Service Funds: Balances are projected to increase 196% to cover future debt service payments. A transfer from the General Fund will be used for Fire Station Bond payments, and State Road Funds will be used for Monroe Street Bond payments.

Capital Projects Fund: As a policy, the City typically appropriates 100% of the available fund balance within the Capital Projects Fund to various projects in the upcoming year. Details on these projects can be found in the Consolidated Capital Projects Schedule of this document.

Water Fund: Cash balance is estimated to increase 42% due to recent increases in base water rates replenishing reserves that have been used recently to invest in needed capital projects.

Waste Collection Fund: Cash balance is projected to drop by 47%. Increases in contracted weekly waste services, rising landfill costs, personnel related expenses, and the replacement of a fleet vehicle tied to the City's Bulk Waste program are all significant items driving this projected decrease.

Alta Canyon Sports Center Fund: Cash balance is expected to drop by 45% due to operational deficits associated with running the Center.

Golf Fund: Cash balance is projected to drop by 37% due to one-time capital and equipment purchases.

Internal Service Funds: Balances are expected to drop by 36% in FY 2024. The City typically appropriates 100% of the fund balance within the Equipment Management Fund to various equipment needs in the upcoming year. Budgeted use of available cash balances can also be found in the Risk Management and Fleet Funds for operations and the replacement of a fleet shop vehicle respectively.

BASIS OF BUDGETING/ACCOUNTING

Basis of budgeting, or basis of accounting, refers to when revenues or expenditures are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made, regardless of the measurement focus applied.

The budgeting or accounting treatment applied to a fund is determined by its measurement focus. All governmental funds are budgeted for on a spending or "current financial flow" measurement focus. This means that only current assets and current liabilities are generally recognized. "Current" for the balance sheet (assets/liabilities) measurement means that which will be received or paid within the next year. Non-governmental funds (enterprise and internal service funds) are budgeted for on a cost of services or "economic resources" measurement focus. This means that all assets and all liabilities (whether current or non-current) associated with their activity are included on their balance sheets. Regardless of the measurement focus, depreciation is not budgeted.

All governmental fund budgets are based on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available and qualify as current assets. Taxes and special assessments are accrued as receivables if they are received within 60 days after the fiscal year end. Principal revenue sources susceptible to accrual include property taxes, sales and use taxes, franchise taxes, special assessments, and interest on investments. Furthermore, expenditures are recorded when current fund liabilities are incurred. For example, capital acquisitions and bond issuance costs are expensed and not capitalized and depreciated or amortized over the life of the assets. Exceptions to this general rule include: (1) the long-term portion of accumulated unpaid leave; and (2) principal and interest on general long-term debt which are recognized when due.

All enterprise and internal service fund budgets are based on the accrual basis of accounting. Under the accrual basis, revenues are recorded when earned and expenses are recorded when the related liability is incurred. The City applies all applicable Governmental Accounting Standards Board (GASB) pronouncements to proprietary funds. Pronouncements of the Financial Accounting Standards Board (FASB) are applied if issued on or before November 30, 1989, and do not conflict with GASB pronouncements.

The City's accounting system parallels its budgeting system. A modified accrual basis is used for general government operations, meaning that significant revenues are recorded when measurable and available, and that expenditures are recorded when incurred. The City's Enterprise Funds, Proprietary Funds, and non-expendable Trust and Pension funds are accounted for on a full accrual basis. For budgetary purposes, depreciation, accrued liabilities for accumulated leave balances, and market value adjustments to City investments are not included in calculating fund balances. Building and equipment repair and maintenance are budgeted annually. Payments for accrued leave are paid within the existing budget as employees leave. Investments are held to maturity so market value during the term of the investment is not an issue when allocating resources.

* This total is an aggregate of the fund structure of the city. Thus, the total listed here will be greater than the total on page 2 for reasons noted in Notes to Consolidated Budget Schedule on that same page.

REVENUE & TAXATION

Sandy City is funded through two categories of revenue: taxes and fees. Tax revenue is primarily used to pay for services provided to the public in general such as police, fire, streets, and parks. The City also provides services that benefit specific groups of citizens for which a specific fee is charged which is intended to pay for all or part of the costs incurred to provide that service. The City follows the revenue policies below:

REVENUE POLICIES

- Sandy City should estimate revenues conservatively to avoid unexpected deficits and to provide a funding source for capital project needs
- Sandy City should seek to use a portion of ongoing revenue for one-time expenditures, thereby mitigating the effects of a downturn in ongoing revenue
- Sandy City should minimize the use of one-time revenue to fund ongoing services
- Sandy City should aggressively collect all revenues or taxes due
- Sandy City should annually review user fees, impact fees, license and permit fees, and special assessments:
 - To determine that the full long-term service costs are not being subsidized by general revenues or passed on to future generations of taxpayers
 - To determine the subsidy level of some fees
 - To consider new fees
- Sandy City should waive or defer fees only in accordance with the administrative appeal procedure under standards set by the City Council. The Finance Director has been designated as administrative appeal officer to review all revenue appeals. All fees waived or deferred must be documented and submitted to the City Treasurer. In addition, any fee determined to be uncollectible must be approved to be written off by the Finance Director.
- Sandy City should seek to maintain a stable tax rate. Generally, taxes should not be increased unless:
 - Inflation has clearly forced operating costs upward faster than tax growth
 - New services are instituted to meet citizens' needs
 - Otherwise determined to be in the best interest of the City as determined by the City Council

REVENUE ANALYSIS

The remainder of this section provides information on the major revenue sources used to fund the city's various government services.

The chart on the right shows four of these key revenue sources which comprise 77% of the General Fund revenue. Sales tax revenue is expected to grow at a moderate level in the coming year. It is volatile and fluctuates more with the economy than the other revenues. Property taxes are projected to increase if the proposed rate included in this budget is adopted in a Truth in Taxation hearing. Franchise taxes and state road funds are expected to remain stable. The reasons for these shifts are further detailed in the sections that follow.

SALES TAX

Sales tax is Sandy City's largest revenue source, contributing 41% of General Fund revenue. State law authorizes cities to receive sales tax revenue based on the process described in the chart shown on the next page. Sales tax revenue is forecasted by the finance department using quantitative statistical analysis and a qualitative method which makes assumptions about each of the relevant factors in this distribution model. Trends in each of the relevant factors were analyzed as follows:

Population Data – Changes in population data can have a significant impact on sales tax revenue. In the past, Sandy has seen a significant decrease in sales tax collections due to changes in census tabulations. Thankfully, the 2020 census was only slightly under the City’s projections. Sandy projects its population to remain stable in the coming fiscal year. However, the population of Utah is expected to continue to grow at a high rate. This is likely to result in a reduction of the population factor that is used for sales tax distributions.

Statewide Sales – Half of the City’s sales tax revenue comes from a statewide pool that is distributed based upon the City’s relative population. Taxable sales in Utah continue to be impacted by significant economic conditions including inflation, low unemployment, supply chain challenges, and trends related to the post-pandemic recovery. While these conditions are moderating, they are expected to produce another year of moderate growth in taxable sales across the state. As a result, the FY 2024 forecast reflects a 3% increase in statewide sales. Utah remains comparatively insulated to national economic trends due to its high growth, strong labor market, and economic diversity. However, a shallow recessionary period is possible if growing economic pressures increase layoffs, shift consumer spending habits, and slow statewide growth.

Sandy City Sales – The other half of sales tax revenue comes directly from sales made in Sandy. Local sales have continued to experience high growth due to many of the same conditions affecting the state, though they too have begun to temper. Local growth continues to lag behind statewide growth as many of Sandy’s comparison cities expand and grow at a higher rate. As a result of these factors, the FY 2024 forecast reflects a 2% increase in Sandy City sales. The City remains conservative in its sales tax projections as outlined in the City revenue polices, incorporating recent historic growth while remaining mindful of moderating economic conditions.

Transportation Sales Tax – On October 1, 2018, Salt Lake County began to collect an additional sales and use tax of 0.25% to fund highway and public transit projects. In FY 2020, Sandy City began to receive 0.10% of this 0.25%. In FY 2024, this is expected to generate just under \$2.9 million for transportation needs. Consistent with state restrictions on the new revenue source (UCA 59-12-2219), Sandy City has utilized the funds for capital projects on class B & C roads in addition to other traffic and pedestrian safety projects. The City projects this revenue source in a manner consistent with its 1% local option sales tax.

PROPERTY TAX

Property tax is Sandy City’s second largest source of tax revenue accounting for 21% of general fund revenue. Both Sandy City and Alta Canyon Sports Center, which is managed and operated by Sandy City, levy a property tax. By virtue of Alta Canyon’s status as a special district, this tax is separate from the Sandy City property tax. The chart on the right illustrates that as property values increase, total property taxes collected from existing properties remain flat. Unless the City increases

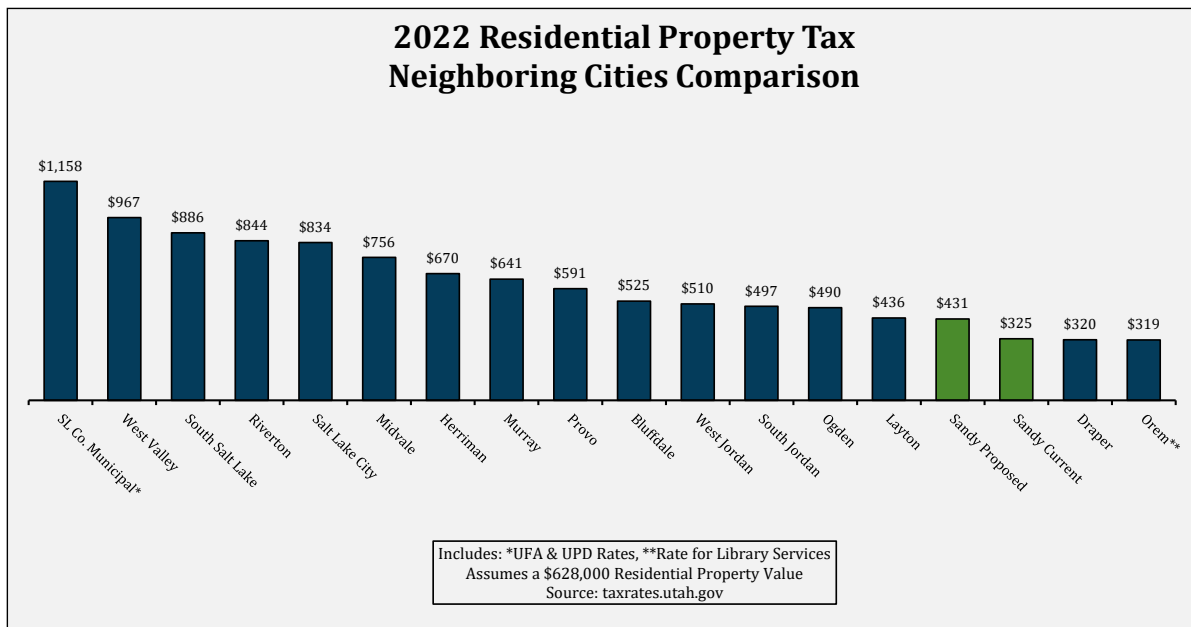

its property tax rate (as was the case in 2019), the rate is adjusted down each year to offset property value growth. The City only receives additional tax revenue for new properties. In Utah, residential properties are taxed at 55% of their value, while business and state assessed properties are taxed at 100% of their value.

Truth in Taxation – In order to comprehend property tax in Utah it is necessary to understand a section of Utah law known as “Truth in Taxation.” Under “Truth in Taxation” counties are responsible for administering property taxes and each June are required to submit to cities a certified tax rate that would generate the same amount of revenue they collected the previous fiscal year plus any new development growth. The certified tax rate does not provide for additional tax revenue due to increased valuation of existing property. If the City adopts a tax rate higher than the certified rate, state law has specific requirements for noticing and public hearings, from which the name “Truth in Taxation” is derived.

Revenue Projections – Relevant factors in the preliminary property tax forecast include the tax rate and new growth. According to state statute, the adopted tax rate and budgeted revenue is provided by the Salt Lake County Auditor’s Office in June. Using last year’s rate, the FY 2024 budget includes a proposed tax increase of about 32%. This would cost the average resident an additional amount of about \$106 per year or \$9 per month.

Property Tax Rate – Sandy City’s property tax rate is modest compared to neighboring cities and similar-sized cities in Utah, even with the proposed increase, as illustrated in the chart below. The chart on the next page shows a typical percentage collected by Sandy City compared to other taxing entities. Since Sandy City’s rate is only 9% of the overall property tax bill, the City’s proposed increase equates to about a 3% total increase.

New Growth – New growth is initially estimated using a trend analysis and using a report of new construction generated by the City’s Building Division. Since the growth number used in the final budget must match the county’s number, adjustments are made as needed. This year’s new growth is less than one percent.

FRANCHISE TAX

Franchise Taxes are the third largest source of General Fund revenue generating 10% of overall general fund revenue. The relevant factors in forecasting franchise fee revenue are as follows:

Tax Rate – Sandy City charges a 6% municipal energy tax to the electric and natural gas providers. In addition, the City charges 5% for cable television and 3.5% for telecommunication services (set by State law).

Utility Rate – Changes in utility rates, and to which services those rates are applied, affect the revenue collected by the utility and therefore the amount of tax remitted to the City. In particular, telecommunication revenues from wireless phone carriers have declined significantly over the last several years. This is due to the consumer phone charges being tied more to data services as opposed to traditional telecommunication services.

Moreover, utility rates are regulated by the Public Service Commission. It has been common to experience rate decreases as well as increases. Any announced rate changes are factored into the revenue projections; however, the projections for FY 2024 assume no rate changes.

Usage – Utility revenue is sensitive to changes in usage. The electric and natural gas utilities can be particularly affected by the weather. The projections take weather variations into account and assume a normal weather pattern. The size of households also has some effect on utility usage. The average household size in Sandy has decreased in recent years, which has resulted in reduced usage.

STATE ROAD FUNDS

State road funds generate 5% of General Fund revenue. Though generated primarily through taxes, state road funds are limited to specific uses outlined by the Utah Department of Transportation (UDOT). The motor fuel tax is a 16.5% sales tax per gallon, based on the average rack rate, which is administered by UDOT through the State B&C Road Fund. Sandy City is allocated a portion of those revenues through a formula weighted 50% on each city’s proportion of the state’s population and 50% on each city’s proportion of the state’s road miles. Because Sandy’s road miles are not growing at the same rate as those of other municipalities in the state, the City’s ratio of revenue from state road funds should decrease over time. Furthermore, the City’s slower relative population growth compared to the rest of the state is also expected to reduce the City’s portion of the B&C road funds. Despite this, road fund revenues are expected to grow due to increases in the overall pool of funds. A qualitative method is used to forecast State Road Funds based on trends for each of the factors used in the formula: population, road miles, and available road funds.

In addition, \$13.5M of restricted funding for the Monroe Street project has been made available by the State Legislature through S.B. 51 in the 2022 General Session. This is a restricted commitment of \$900,000 each year for 15 years that will be a revenue stream to bond for the project. The City will also continue to receive \$1.1M annually from the state as stipulated by state code (UCA 72-2-12). These road funds, in addition to the transportation sales tax, finance a significant share of the City's road costs. However, the City's needs outweigh the \$7.34 million available from these restricted sources. That difference is covered by general revenues.

TRANSIENT ROOM TAXES

Sandy City charges a 1.5% transient room tax (TRT) on individuals staying at hotels, motels, inns, and online vacation rentals for less than 30 days. Part of this revenue is used to fund tourism programs through the South Valley Chamber of Commerce. TRT is forecasted utilizing qualitative trend analyses of hotel occupancy rates and revenue distributions.

Furthermore, as part of a 2007 interlocal agreement between the Sandy City RDA and the Governor's Office of Economic Development (GOED), Salt Lake County is required to defer 15% of their own TRT to the RDA until June 30, 2027. These funds are used to pay for the debt service associated with the Real Soccer Stadium.

TAX INCREMENT

The City RDA is primarily funded through a public financing tool called tax increment financing. Tax increments are property taxes from various taxing entities that are received above and beyond an established baseline property tax level for a specified period of years. This baseline is set when a project area is formed and represents the level of taxes generated prior to the creation of the project area. Tax increment dollars are used to incentivize development within the area, which typically increases property values, and in turn, the total amount of tax increment generated by that area. When a project area expires, this new tax increment is then rolled back into participating taxing entities' property tax revenues.

USER FEES

User fees are set based on an analysis of how much of the cost should be covered by the fee versus how much should be subsidized by general taxes and revenue. Factors considered in the analysis include:

- The current and long-term costs of providing the service
- Whether the service benefits the general public versus an individual user
- Whether the same service can be offered privately at a lower cost
- How the fees compare with those charged by other cities

UTILITY CHARGES

Sandy City sets utility rates for waste collection, water, storm water drainage, and street lightning services. These utility charges are set to cover the operations, maintenance, and capital improvements related to each the service. Please refer to the Consolidated Fee Schedule in the back of this document for current fees.

Waste Collection – Sandy City charges each resident a monthly fee for waste collection services and seasonal bulk waste cleanup. Additional fees are charged for other related services, including extra waste and recycling cans, dumpster rentals, and glass recycling.

Water – Sandy City charges a flat rate fee to all those on the City’s water service. Additionally, a tiered fee structure is employed to charge residents based on their total water usage. A separate set of fees, both flat and tiered, are assessed to Salt Lake County residents that are serviced by Sandy City.

Storm Water – All developed properties are charged a monthly fee that is used to cover the maintenance and improvements to storm drainage throughout the City.

Street Lighting – All properties are charged a monthly fee that is used to cover maintenance and operation of street lighting within the City.

DEBT

Sandy City uses debt judiciously consistent with the policies listed below. The City enjoys a AAA bond rating from Standard and Poor’s for its sales tax revenue bonds. This rating allows the City to issue bonds at a lower rate than governmental agencies with a less favorable bond rating. The Mt. Jordan Theater Bonds were not rated since they were privately placed. The Water Revenue Bonds carry a rating of AA+. The FY 2024 budget includes about \$8.9 million of general debt service payments. As of June 30, 2024, the outstanding general debt will be about \$91.5 million. The schedule below includes total City debt, including outstanding debt issues in the Water and Golf funds. Debt incurred by these enterprise funds is included in the departmental sections, while general debt is shown in the Debt Service section.

DEBT POLICIES

- Sandy City should combine pay-as-you-go strategies with long-term financing to keep the debt burden low
- Sandy City should seek to maintain the city bond rating, currently “AAA”
- Sandy City should seek the most practical and cost-efficient financing available

OUTSTANDING DEBT ISSUES

CAPITAL BUDGET

CAPITAL EXPENDITURE DEFINITION

By policy, a capital expenditure is for an asset that is tangible in nature with a useful life of more than two years. Additionally, a capital expenditure must meet the following capitalization thresholds:

Asset Category	Capitalization Threshold (in \$)	Useful Life (in years)
Land	0	N/A
Buildings	15,500	40
Improvements Other Than Buildings	15,000	20
Utility Plant in Service	15,500	25-33
Office Furniture and Equipment	7,500	5-10
Machinery and Equipment	7,500	5-10
Automobiles and Trucks	7,500	5-15
Infrastructure and Capital Improvements	15,000	5-40

Expenditures that do not meet the above thresholds are budgeted in the operating budget as equipment, improvements, or supplies.

THE CAPITAL PLANNING PROCESS

The City Council provides oversight for the capital budget. Council members review and adopt the budget in this book. Additionally, they review and approve the carryover of any unexpended funds in the prior year's budget. They also approve by resolution any budget adjustment at the project level during the year for all capital projects in governmental funds.

Identifying projects to be funded is a collaborative effort that includes citizen input, department analysis and recommendation, administrative staff and mayoral review and proposal, and ultimately City Council review and approval. The FY 2024 budget includes approximately \$13.2 million for capital project expenditures, as detailed in the Consolidated Capital Projects Schedule.

IMPACT ON THE OPERATING BUDGET

Capital projects with significant operating impacts consist of any project that will result in the need for additional staff or any ongoing increase or decrease in the operating budget greater than \$10,000 per year. There are no expansion projects that meet this threshold in the coming year. As these types of projects are funded in upcoming years quantified operating impacts will be included within this section.

LONG-TERM FINANCIAL ANALYSIS

Consistent with citywide goals, the City budget staff periodically conducts a long-term financial analysis to identify future resource availability, operating and capital needs, as well as challenges and opportunities. This internal analysis has been validated multiple times by hiring a consultant to conduct their own independent analysis to assess alternative approaches in addressing the City's long-term operating and capital needs. The purpose of the analysis is to complement the City's planning framework and bring a long-term perspective to resource availability. Long-term planning is necessary for setting realistic boundaries on what the City may accomplish, and it helps bring focus to allocating resources to the highest priorities.

The long-term financial analysis combines financial forecasting and strategy to identify both future challenges and opportunities. Our purpose is not simply to project the status quo for years to come – rather it considers a series of future possibilities confronting Sandy City, examines the financial consequences, and determines the appropriate response. It is from this broad consideration that the primary benefit of this analysis flows: to stimulate discussion and thinking about the long-term impacts of decisions made today and how to begin positioning now to maximize the City's ability to meet challenges, exploit opportunities, and deliver a stable level of essential services. Details on these long-term financial analyses can be found on the City's website at: <https://www.sandy.utah.gov/210/Budget-Information>.

CHANGES TO THE PROPOSED BUDGET

After the budget is proposed to the City Council for their review and consideration, changes may be made to appropriations, provided the budget remains balanced. These adjustments may be the result of new information, differing budget priorities, or simply technical corrections. Changes, either proposed by City staff or by City Council members, will be listed and summarized here after final adoption.

COMMUNITY PROFILE

Sandy City is Utah's sixth largest city. The nearby Wasatch Mountains provide water, recreational opportunities, and a scenic backdrop. The I-15 corridor and TRAX light rail line on the west side of the City provide both access to downtown Salt Lake City (approximately 15 miles to the north) and the opportunity to be a commercial center for the south end of the valley.

Sandy is home to several cultural, recreational, and entertainment venues, namely, the Sandy Amphitheater, the Sandy Museum, Hale Centre Theater, and America First Field, home of Real Salt Lake soccer. Also, world-class ski resorts, such as Alta and Snowbird, are located just minutes away from Sandy's borders.

Sandy experienced tremendous growth both in land area and population during the past thirty years. Annexation of previously unincorporated land has resulted in growth from 6.6 square miles in 1970 to over 24 square miles today. Annexations combined with new construction resulted in population growth from 6,438 to an estimated 95,050 in that same period. Many of the new homes built during the 70's and the 80's were bought by young families, which resulted in one of the lowest median ages in the nation. In recent years, the population has aged as many of the children in these young families have grown and left home. The median age of Sandy City changed from 20.3 years in 1980 to 35.9 years in 2020. This demographic shift has impacted the City budget in such areas as a reduced rate of growth in both sales tax revenue and state road funds which are based partially on population.

Commercial growth, however, continues along the I-15 corridor which in turn continues to fuel a strong economy and tax base and provides job opportunities for residents.

DEPARTMENT BUDGET DETAILS

Department Description

Sandy City's optional council-mayor form of government vests the government of the municipality in two separate, independent, and equal branches. The executive branch consists of a mayor and administrative departments and officers; and the legislative branch consists of a municipal council. In Sandy, there are seven (7) council members, four elected from separate geographical council districts, and three elected at-large by the entire city electorate. All are elected for four (4) year terms.

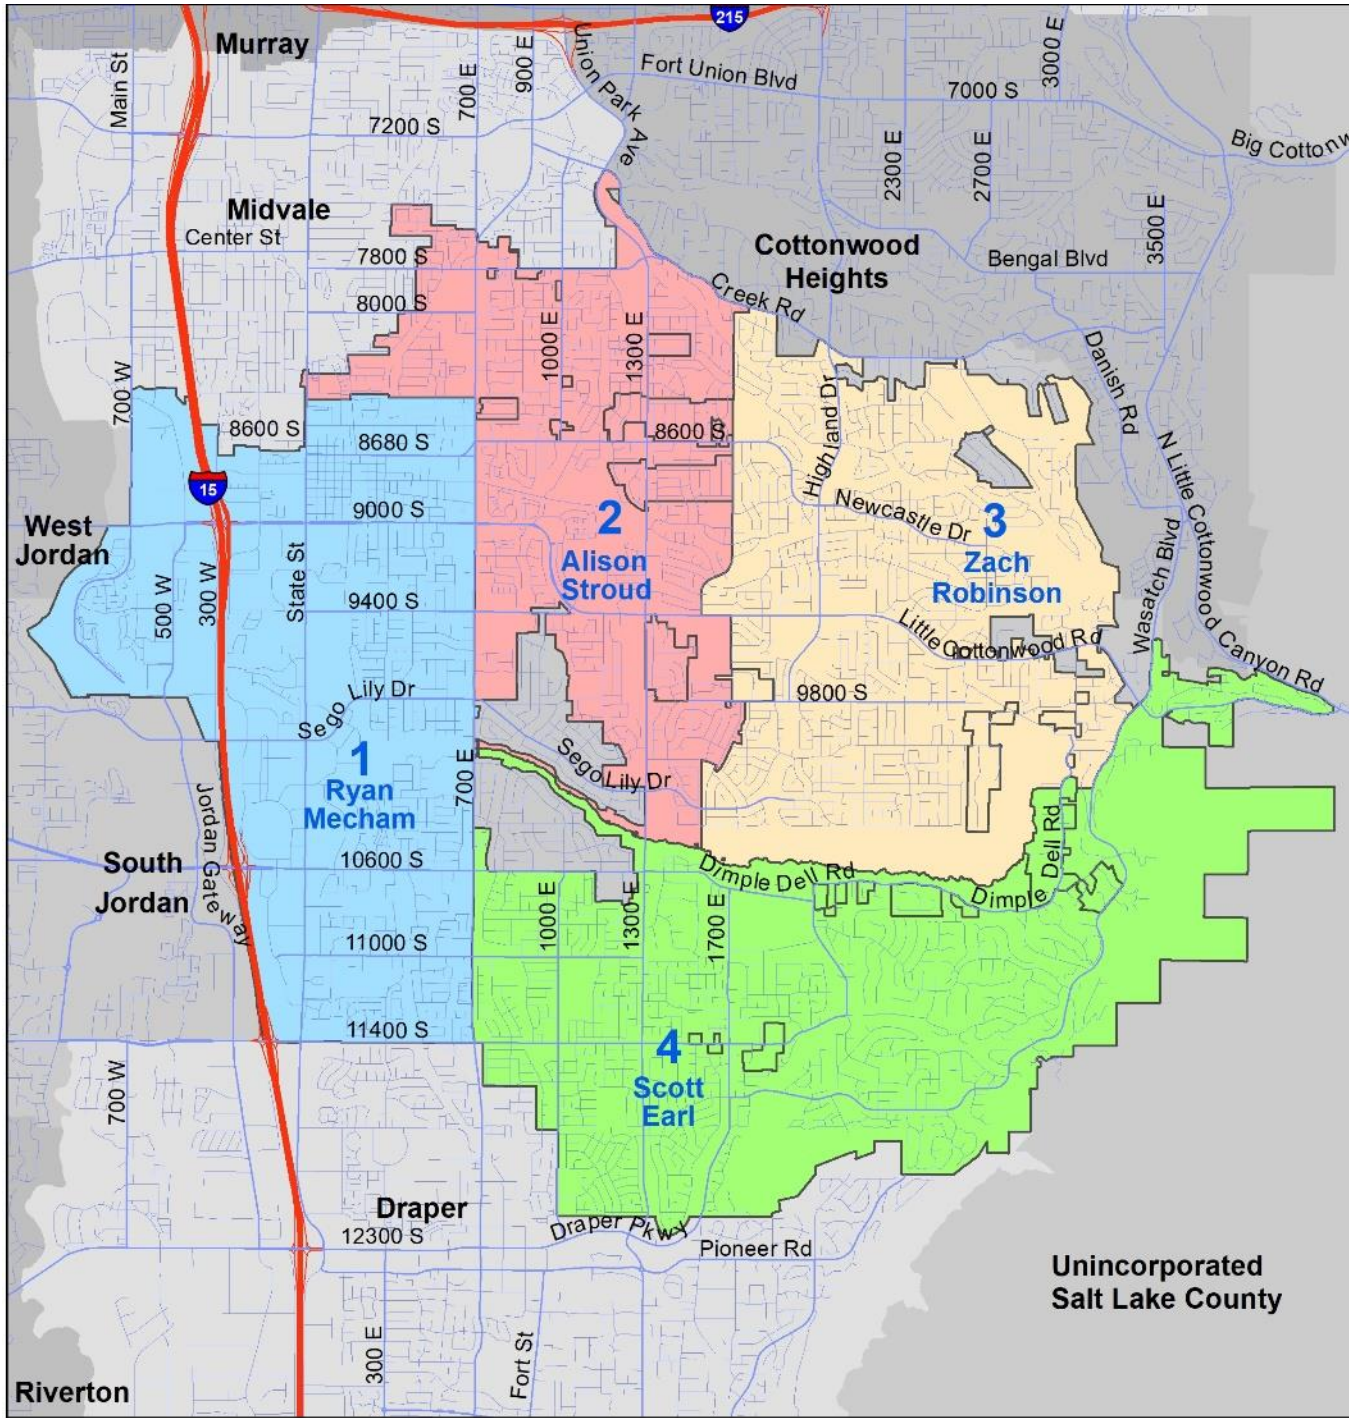

The City Council staffing function is performed by its council office, which consists of an Executive Director, an Assistant Director, Office Manager, and a Communications and Policy Analyst.

Department Mission

The mission of the City Council is to set general and specific municipal policy, pass ordinances and resolutions, appropriate funds, review and monitor municipal administration, prescribe, and adopt the city's budgets, set appropriate tax levies, establish water and refuse collection rates and other general tax and service rates, establish a zoning plan for the city, appoint special citizen advisory committees, and fulfill a variety of other duties prescribed by State statute.

The principal council office functions are:

- Liaison for Council with Mayor, CAO, department heads, city patrons/constituents, businesses, developers, citizen committees, and other cities' officials and staff
- Respond to and research patron/constituent requests, concerns, and/or problems
- Receive, review, and recommend items for Council study and agenda action
- Review ordinances/resolutions to determine compliance with Council policies and directives
- Research land use, zoning, planning, and development
- Respond to Council directives and research requests
- Review and analyze activities and expenditures of departments for adherence to Council approved policy or for formulation of new/revised policy

Fiscal Year 2023-24 City Council Members

- Ryan Mecham - District 1
- Alison Stroud - District 2
- Zach Robinson - District 3
- Scott Earl - District 4
- Marci Houseman - Council at Large
- Brooke D'Sousa - Council at Large
- Cyndi Sharkey - Council at Large

Produced by Sandy City GIS
March 20, 2023

Objectives & Initiatives

The City Council has established the following citywide goals for Fiscal Year 2023-24:

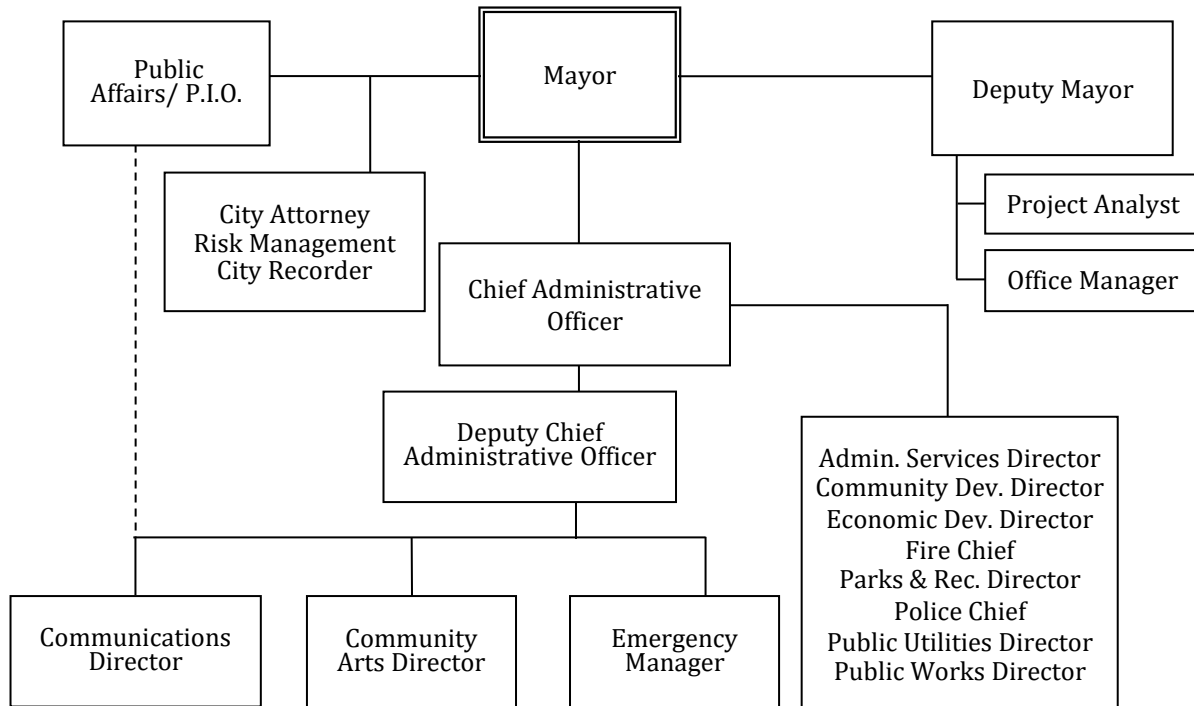

- 1) Maintain and improve basic core municipal services
- 2) Maintain integrity of residential neighborhoods and preserve property values
- 3) Preserve and improve public infrastructure and transportation systems
- 4) Preserve and expand existing businesses / seek new clean commercial businesses
- 5) Develop and improve the City’s recreational trails and increase recreational opportunities (i.e., provide park and green spaces for recreational activities and to enhance the environment)
- 6) Develop and maintain community facilities
- 7) Strengthen communications with citizens, businesses, and other institutions
- 8) Maintain a highly qualified employee workforce

Department Organization

Department Description

Sandy City Administration is responsible for ensuring quality management of all the city’s services and activities. Led by the Mayor and the Chief Administrative Officer, the department is active in all of the general management practices of the city. Specific, day-to-day operations of city functions are the responsibility of skilled department directors who work in conjunction with Administration in "enhancing the quality of life in our community."

Department Mission

The mission of the Administration Department is to provide general oversight and direction for all city services and operations.

Policies, Objectives & Initiatives

Administration provides oversight and direction to each city department, focusing on the following areas:

Strengthen Communications with Citizens, Businesses, and Other Institutions

- **Civic Engagement:** Bring the city government closer to the people of Sandy. Everyone should be informed and have the opportunity to weigh in on city decisions. We will use technology and town hall meetings to empower residents to participate.
- **Citizen-Centric:** Expand outreach to residents, businesses, community and local leaders to gather feedback, vet ideas, and create positive solutions.

Maintain Integrity of Residential Neighborhoods and Preserve Property Values

- **Protecting our unique neighborhoods:** Balancing our precious open space, historic neighborhoods, unique areas, and business interests.

Maintain and Improve Basic Core Municipal Services

- **Value-Driven Innovation:** Promote innovations across city operations that increase service quality, citizen and employee satisfaction, and decrease costs.
- **Continuous Quality Improvement and Efficiency:** Promote citywide engagement in the process of continuous quality improvement for efficiencies and reduced costs. Utilize business intelligence technology and analytics to ensure data-driven decisions and processes.

Prior-Year Accomplishments

- **Citizen Engagement:** In an effort to reach out and engage with our community, citizen questionnaires are sent out to residents about current issues and concerns. City leadership continues to improve engagement through citizen and business communications, web site updates, social media outreach, and enhanced public events.
- **Local Artists Partnerships:** Local artists are invited to submit their art, which is displayed at City Hall.
- **Funding:** Secured public money from state and federal sources for improvements and future plans for streets, Sandy Amphitheater, Alta Canyon Sports Center, and Parks and Recreation master plan update.
- **Sandy Service Ambassadors:** Selected citizen volunteers group for ongoing community engagement.
- **#SlowDownSandy:** Coordinated valley-wide mayoral and police chief campaign to reduce speed on city streets.
- **Fact Briefs:** Creating fact briefs to help educate and inform residents about key issues from each department.
- **Mayor's Shout Out:** A program that allows Mayor Zoltanski and her leadership to highlight employees for going above and beyond in serving the community.
- **Environmental Sustainability:** In order to continue building on past sustainability efforts (glass recycling, charging stations, electric scooter availability, etc.), Sandy has initiated a communications campaign. Targeted messaging is being pushed out through our available web and social media channels to help residents understand their role and the tools available to them that can help improve our environment.
- **Cityworks:** Paperless permits and plans: developers and residents can now apply for business licenses, planning, building permits, inspections, and special event permits online. This work management system was implemented to track our asset management and to monitor analytics and present data visually. The reporting functionality assists our staff in tracking our assets for infrastructure replacement and repairs while allowing our field employees to work with real-time data.
- **Updated and Enhanced Technology:** Promotion and implementation of citizen centric software platforms that allow for real time electronic communications to enhance our ability to communicate with the public. Previous paper documents and processes are being transitioned to digital format and posted for easier accessibility. Implementation of citywide use of Microsoft Teams allows for remote video conference meetings.

Policies, Objectives & Initiatives

The Emergency Manager serves as a staff advisor to the Mayor and Chief Administrative Officer, and supports the City's goals and objectives in emergency management matters.

Maintain and Improve Basic Core Municipal Services

- Developing and maintaining the overall Emergency Management program
- Writing, maintaining, and updating the Emergency Operations Plan
- Develop and execute disaster exercises for city employee participation and training
- Continue implementing paperless forms, documents, and communication
- Ensuring the City's compliance with the National Incident Management System (NIMS)

Preserve and Improve Public Infrastructure and Transportation Systems

- Maintaining, stocking, and coordinating the activation of the City's Emergency Operations Centers
- Establishing written Memorandums of Understanding with other agencies to strengthen/restore infrastructure

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Conducting the monthly meetings for "BeReadySandy" citizen emergency preparedness program
- Creating "Community Emergency Volunteer" Program and soliciting participation
- Communicating and sending information to the Sandy City Ready Your Business program
- Supporting the efforts of state, county, and local organizations which focus on emergency management
- Establishing working relationships and Memorandums of Understanding with other agencies

Prior-Year Accomplishments

- Held a FEMA sponsored Integrated Emergency Management Course in August of 2022
- Trained over 100 employees in Emergency Management, with a total of more than 3,600 training hours
- Continued External Emergency Communications Test in conjunction with the GreatShakeOut event
- Held table-top, functional, and full-scale exercises to test/practice emergency management response
- Continued to push our communication platform through AlertSense and CitizenConnect to reach citizens
- Designed and pushed out a communication strategy to get more citizens involved in Emergency Management
- Continued our series of EOC training throughout the City:
 - Designed tabletop exercise to train each specific section of the EOC
 - Each training built upon the previous training and focused on EM principles
- Continuous redesign and monitoring of the Emergency Management website
- Worked with IT to upgrade the sound system, televisions, and communication ability in EOC
- Reorganized recruitment for new volunteers Community Emergency Volunteers (CEV's)
- Increased Emergency Management visibility by pushing information out on social media with Communications
- Provided educational materials on emergency preparedness for Sandy City employees and citizens
- Continued training and implementing of ICS command structure into emergency management
- Added Animal Services to the EOC and created an Evacuation and Transportation Plan
- Completed primary EOC redesign with City Administration and IT

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide the opportunity through community events to create a sense of place and pride in Sandy
- Spread events throughout the city to maximize participation and help strengthen neighborhoods
- Create events that are unique to Sandy
- Provide a safe place for our citizens to gather and celebrate
- Provide events that meet our citizen's expectations

Prior-Year Accomplishments

- Re-introduced the Horse Parade to Sandy as part of the Heritage Festival and invited the entire city
- Trick or Treat event, increasing attendance to 6,000 people
- Added drone shows to Balloon Festival and Light Up the Cairns Events
- Held a Historic Sandy BBQ to build community within our original square mile

Note: Community Events was managed by the Parks Department in FY 2022 and FY 2023 under department code 4250.

Policies & Objectives

Maintain and Improve Basic Core Municipal Services

- Provide opportunities through the Amphitheater for all residents to enjoy the arts as patrons
- Provide opportunities through the Arts Guild for local artists to develop, perform, and present their talents
- Make the Amphitheater available to outside arts organizations on a rental basis
- Provide grant money to local arts organizations
- Ticket sales and associated revenues from Sandy Amphitheater events should cover all direct costs of the productions, in an effort to be self-sustaining. Surplus revenues will be available for venue improvements.
- The direct cost of Arts Guild Productions will be funded by a combination of fundraising, ticket sales, and grant revenue.

Prior-Year Accomplishments

Community Impact (Amphitheater & Arts Guild Combined)

- Impacted over 83,000 individuals, including over 80,000 attendees, 450 adult artists, and over 1,500 youth artists
- Almost 9,000 individuals received free admission or attended free programming

Sandy Amphitheater

- Named "Best Views with Music" and one of the "Best Outdoor Concert Venues" in 2022 Best of Utah
- Expanded programming to new genres and audiences, serving a larger portion of the community than in the past
- Produced the first full season of events since the COVID-19 shutdown
- 73% increase (30,951 more) Amphitheater attendees than previous biggest year (2019)
- Completed bathroom renovations at the venue

Sandy Arts Guild

- Awarded Best of State for Community Theater
- Created a brand new program, Singing Adventure for Kids, focusing on vocal and music development for 1st-5th grade (ages that typically don't have music/vocal support in school)
- Created a new award, the Linda Snyder Outstanding Service Award, to honor the legacy of one of our beloved volunteers who passed away in 2022
- The Elementary School Art Show received a record number of submissions - 1,360 artists participated in 2022
- *Crazy For You* was the highest attended summer musical at The Theater at Mount Jordan

Department Organization

Department Description

The Justice Court is a limited jurisdiction court responsible within Sandy City for the adjudication of criminal matters classified as Class B and C misdemeanors, violations of city ordinances, infractions, and small claims actions not to exceed \$15,000 in value.

Department Mission

The mission of the Justice Court is to provide the Sandy City community with an open, impartial, efficient, and independent system for the advancement of justice under the law.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Ensure that proceedings are open, impartial, and timely
- Provide appropriate case follow-up to ensure compliance with judicial orders
- Court Services is funded by the city's general fund without regard to the revenue generated by court fines
- Intent of decisions, fines, and enforcement activities is to change behavior and not to generate revenue
- Those who violate criminal, traffic, zoning, and animal-related laws should primarily bear the costs of enforcement rather than the general public
- The court will make every effort to collect all revenue due and handle cash in compliance with city policy and the state money management act

Prior-Year Accomplishments

- As a result of a legislative authorization in 2014, justice courts may now utilize the Office of State Debt Collection to assist with the collection of fines at no direct cost to the city. As a result, the Justice Court has seen significant returns each year. In FY 22 the Justice Court collected \$109,005 with the help of OSDC.
- In FY 22 the Sandy Justice Court made and received 23,002 calls. The no delay telephone response rate (calls answered within 15 seconds) averaged 87.7% in FY 22.
- Worked to implement a Domestic Violence Docket to improve compliance with court orders in those cases

Performance Measures & Analysis

- The pandemic created a significant backlog of cases at the Sandy Justice Court. With the help of dedicated staff, the Justice Court was able to get back to pre-pandemic time to disposition on all case types.
- The Sandy Justice Court processed 11,641 cases in FY 22. Of those, 10,105 were Traffic Cases, 1,030 were Criminal Cases, and 506 were Small Claims Filings.
- The Justice Court heard a total of 7,942 Hearings/ Trials in FY 22. Of those 588 were Bench Trials and 3 were Jury Trials.

Department Organization

Department Description

The City Attorney is the chief legal officer of the city and is responsible for the proper administration of its legal affairs. He, or his designated assistants, have the following functions and duties:

- (1) Prosecute all charges of violation of municipal ordinances and regulations in the courts or administrative tribunals and prosecute and defend, or supervise the prosecution and defense, of all actions and appeals involving the city in all courts and before all boards, commissions, and administrative agencies.
- (2) Attend all Council meetings, unless specifically excused therefrom.
- (3) Furnish legal advice, counsel, and assistance to the Mayor, Council, and all other city officers, boards, commissions, and agencies in relation to their duties and the business of the city.
- (4) Control and direct all legal services performed by special counsel for the city, who may be retained from time to time to assist the City Attorney in providing legal services for the city; provided, however, that the City Attorney shall not be responsible in any way for counsel who (a) has not been specifically retained by the City Attorney; (b) is not paid from funds controlled by the City Attorney; and (c) is not under the actual direction of the City Attorney's office.
- (5) Assume direction of assistants and the employees of the office, subject to the limitations and requirements of the budget, appropriations, and applicable statute and ordinances.
- (6) Prepare or review all proposed ordinances and resolutions presented to the Mayor or City Council.
- (7) Approve the form of all contracts entered into by the municipality.
- (8) Prepare the necessary affidavits and verification on behalf of the city in any and all proceedings

Department Mission

It is the objective of the City Attorney's office to serve Sandy City through the practice of law according to the highest professional standards.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide legal advice and support to City Council and Administration priorities
- Continue encouraging compliance with laws requiring quid pro quo for public expenditures
- Help differentiate and clarify legal roles and responsibilities of the City, its Council, officers, employees, and boards
- Help coordinate prosecution requirements & help reduce costs of increased government transparency
- Help update processes to reflect evolving court rulings, legislation, and administrative needs
- Implement technology strategies to leverage attorney time and expertise

Prior-Year Accomplishments

- Conducted survey of Mayor, Council, and Dept. heads to receive feedback on quality and timeliness of services
- Completed lease amendment with Hale Center Theater for construction of production tower addition
- Updated and enhanced the City Attorney's webpage to benefit the public by making it more user-friendly
- Provided proactive communication to support the City's policy priorities
- The Prosecutor's Office screened approximately 1,748 cases and did 544 trials in prior fiscal year with a staff consisting of two prosecutors, paralegal, and two office staff

Performance Measures & Analysis

- The Legal Department will continue to operate at or below the fiscal year budget
- All attorneys will exceed continuing legal education requirements
- Consistently provide high quality, competent, and professional legal services to City Depts. and Elected Officials
- Provide timely responses to all requests for legal services
- Continue to engage and monitor legislative matters affecting the City
- Implement document management system by end of FY 2024

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Administer the biennial city election, provide support for the declaration of candidacy, and ensure the City's processes comply with Utah State Code
- Preserve and manage official city records, documents, and contracts according to Utah State Code requirements
- Conduct records search for city staff and public
- Administer and control mailing, shipping, and copy room operations for the city
- Facilitate off-site storage of permanent and other vital city records
- Provide high-quality passport acceptance services with well-trained passport agents to the general public

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Publish legal notices and public hearing notices for the city
- Provide information regarding elections and passports in city newsletters and social media platforms
- Coordinate GRAMA requests and responses in a timely manner according to Utah State Code

Prior-Year Accomplishments

- Maintained certification as a passport acceptance center
- Continued to post all public notices to the Utah State website. All public hearings and open meeting agendas are posted 24 hours prior to the event.
- Hired and trained a new part-time passport acceptance agent
- Participated in and helped facilitate the annual Utah Municipal Clerks Association training
- Created an efficient passport appointment schedule to allow for more appointments

Objectives & Initiatives

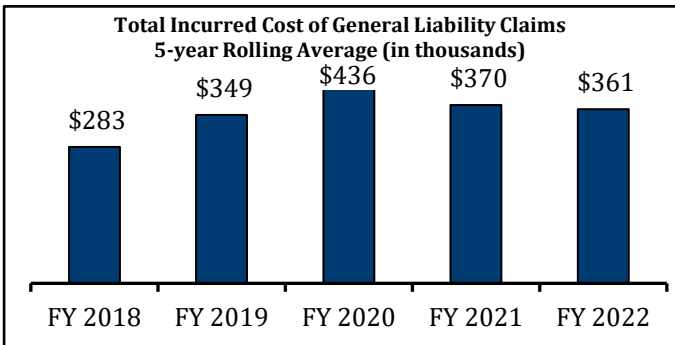

Maintain and Improve Basic Core Municipal Services

- Loss Prevention: Protect the employees, citizens, and assets of the city from injury, damage, or loss
- Claims Management: Minimize loss to the city by adjusting claims promptly and fairly
- Insurance/Risk Financing: Appropriately insure and/or finance the cost of general liability claims, workers compensation injuries, and property losses

Prior-Year Accomplishments

- Reviewed 305 contracts to ensure that proper risk transfer techniques have been utilized to protect the City from loss
- Successfully adjusted over 20 general liability claims, many of which involved significant legal issues, injuries, and/or damages
- Maintained the city’s “preferred rate” premium status with WCF Insurance
- Set contractor insurance requirements on all city-issued RFP's

Performance Measures & Analysis

Performance Measures	2022 Actual	2023 Goal/Forecast	2023 Estimated	2024 Goal/Forecast
Experience Modifier (E-mod) *	0.75	0.71	0.96	0.96
Subrogation Recoveries	\$53,893	\$32,000	\$49,906	\$49,906

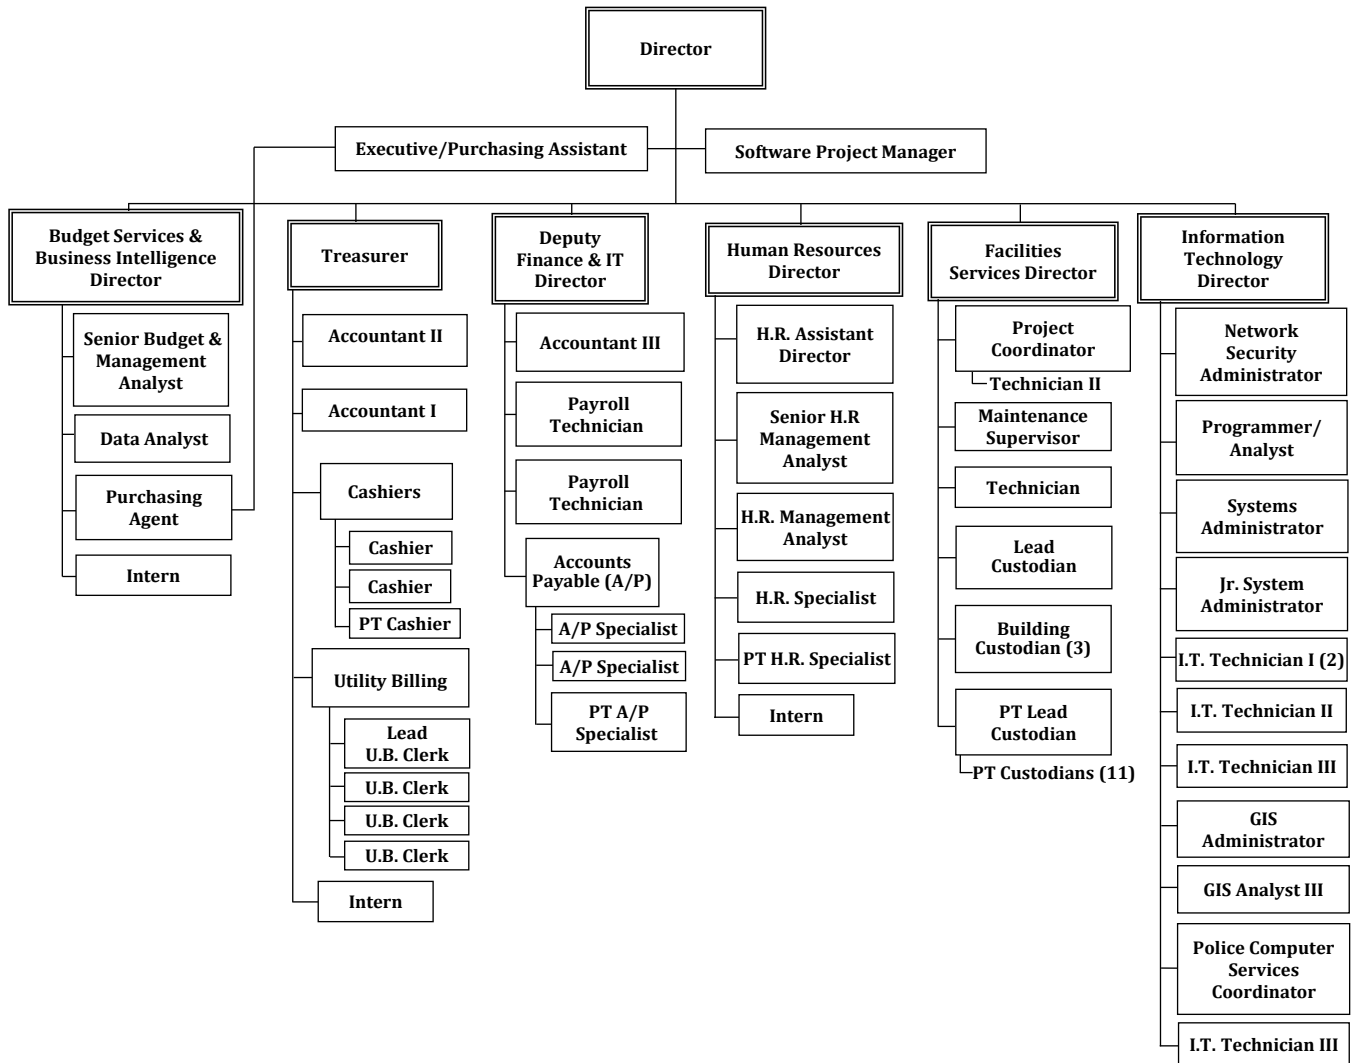

*An experience modifier (E-mod) is a multiplier applied by a workers compensation insurance carrier to the premium of a qualifying policy and provides an incentive for loss prevention. The E-mod represents either a credit or debit that is applied to the premium before discounts. An E-mod of 1.00 is considered average, so an E-mod less than this would equate to a discount in premiums.

Department Organization

Department Description

The Administrative Services department provides centralized support for the City in the areas of short and long-term funding, budgeting, treasury, financial reporting, human resources, information technology, facility maintenance, purchasing, accounts payable, payroll, central reception and information, and utility billing.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide leadership and direction to the city's financial, human resource, information technology, and facility functions
- Maintain financial stability including an adequate fund balance / working capital reserves for each fund, a AAA bond rating, and a high debt payoff ratio (65% or more of principal in 10 years)

Prior-Year Accomplishments

- Maintained AAA bond rating from Standard & Poor's for sales tax revenue bonds
- Issuance of \$26M conduit bonds for Waterford School to finance a new science building
- Completion of Cityworks implementation Phase 1, including business license and emergency operations

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide accounting, treasury, billing and collection, accounts payable, payroll, and financial reporting in accordance with federal, state, and other applicable regulations (along with industry standards and best practices)

Prior-Year Accomplishments

- Received 35th consecutive Excellence in Financial Reporting Awards from Government Finance Officers Association (GFOA)
- Managed Federal funding related to COVID-19 (\$9 million American Rescue Plan and \$5.7 million CARES grant) and ensured proper reporting, tracking, compliance, and documentation
- Implemented the Governmental Accounting Standards Board (GASB) Statement No. 87 which recognized some City leases are right-to-use assets which have a definite useful life
- Implemented fixed asset accounting software used to track the City's investment and accumulated depreciation in assets meeting a certain threshold
- Converted all ACH's, wires, grants, and electronic payments and receipts to new bank as required by policy
- Conducted a campaign which enrolled City vendors into an electronic payment method through US Bank
- Implemented method to issue "Net" payroll Checks/Incentives

Budget Services

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide timely and accurate fiscal information to facilitate effective decision making by City Admin. and Council
- Provide business intelligence and decision support to city departments through data analysis and presentation
- Procure high-quality services and supplies in a timely manner at competitive prices
- Promote an ethical environment in which vendors can fairly compete for city business

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Communicate budgetary and fiscal information effectively to the public, media, city employees, auditors, etc.

Prior-Year Accomplishments

- Received 19th consecutive Distinguished Budget Presentation Awards from the GFOA
- Conducted anonymous internal customer service survey to assess departments' satisfaction with services provided
- Worked with consultant to conduct Community Development fee analysis to ensure compliance with state code and better align fees with current processes
- Created sales tax database and associated reporting tools to improve sales tax auditing, forecasting, and analysis
- Updated online Annexation Tool to a more streamlined dashboard layout to enhance user experience
- Implemented OneCard program and in-house card management to streamline administration of City cards and produce more rebate revenue from card purchases
- Created Purchasing & Accounts Payable dashboards to effectively track compliance issues and increase efficiencies
- Improved percentage of purchase orders issued after invoice date by 16% from FY 2021 to FY 2022
- Implemented personnel benefits annual estimates report to expedite querying employee benefit information
- Created public Water Bill Estimator & Water Conservation dashboards to give residents easy access to water info
- Created Administrative Services KPI dashboard to monitor performance metrics across all divisions
- Developed Arts & Amphitheater dashboard to track show attendance, ticket sales, website metrics, and social media

Performance Measures & Analysis

Policies & Objectives

Maintain a Highly Qualified Employee Workforce

- Recruit, hire, and retain quality city employees who will provide the best service to citizens
- Provide cost-effective and efficient personnel services that meet the needs of employees
- Maintain a highly qualified employee workforce that is competent, value-driven, and health-wise

Prior-Year Accomplishments

- Conducted an annual salary survey which compares the pay and benefits of Sandy City against the pay and benefits of 11 other entities
- Conducted an employee engagement survey
- Implemented new employee performance evaluation software
- Developed relationships with local high schools to enhance recruiting efforts and attended multiple career fairs
- Completed 80 recruitment processes in FY 2022
- Implemented new employee appreciation events, including an employee bowling tournament and three summer burger burns
- Began the process of digitizing hard copy personnel files
- Completed RFP processes for the city's drug & alcohol screening service and for a Diversity, Equity & Inclusion Consultant

Performance Measures & Analysis

Facilities Services

Objectives & Initiatives

Develop and Maintain Community Facilities

- Maintain functional, clean, and comfortable buildings
- Implement and manage efficient energy-saving systems
- Proactively ensure that buildings are in good repair and compliant with fire and building codes
- Strategically plan and manage resources and coordinate capital facility improvements

Prior-Year Accomplishments

- Replaced and installed new boiler in the Senior Center
- Installed Alerton control system at the Senior Center & Court Building
- Replaced light fixtures in the Finance and IT area & the light control system for the 2nd and 3rd floor hallways
- New signage in the Mayor's Office Suite & new paint in the Mayor's Office
- New chairs for the multi purpose room & new furniture for the Accounts Payable and Billing area
- Installed holiday lights on City Hall and Court Building & new electrical in front of City Hall for holiday tree lights
- Replaced and installed new shingles on the roof at Fire Station 32
- Painted & added two new offices to the Community Development Suite & new furniture for Community Dev.
- Added new bathrooms with showers, more bathrooms in the main public restrooms, new office on the stage, and replaced front section chairs at the Amphitheater
- Replaced old security cameras at City Hall

Fund 6400 & 6410 - Information Technology

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide high quality telephone, data, and other information technology services to city departments
- Maintain IT system continuity and reliability for all city operations
- Protect against security threats and minimize the impact of security breach incidents
- Provide and maintain quality geographical information systems (GIS)

Prior-Year Accomplishments

- **Security Enhancements** - Constant communication with Artic Wolf, CrowdStrike, and MS-ISAC for security vulnerabilities. We are working closely with CISA and other Federal agencies to understand where we can increase our security. We filed the NIST Cybersecurity Framework with MI-ISAC and have had a MDR evaluation with Gartner.
- **Efficiency and Service Improvements** - Cityworks completed for permitting and licensing. Installed and updated new thin client hardware and software to improve system reliability and performance. Upgraded our SCADA system to Cradlepoints connections. It has improved reliability in the system and they have seen an 90-95% improvement on device/PLC response times.
- **Technology Upgrades** - Installed fiber to Parks/Cemetery Building. Upgraded and installed better performing servers. Upgraded the City's camera mesh system. ArcGIS Portal for hosting and producing web maps and the digital dissemination of GIS data. New 3" pixel aerial photographs for analysis and mapping. Redistrict and adjust City Council boundaries with a goal of less than 5% deviation.

Department Organization

Department Description

The Police Department coordinates public safety efforts in the City. Through investigations, directed patrols, and other efforts, the department employees work to prevent crime and enforce laws within the city. The Police Department consists of 120 sworn police officer positions, 8 animal services personnel positions, 24 full and part-time civilian support staff positions, approximately 65 part-time school crossing guards, and 3 grant/contract positions.

Department Mission

Sandy City Police Department maintains a safe and peaceful community by following our core values of Integrity, Service, Excellence, and Commitment. We remain dedicated to continually earning trust by recruiting quality employees who fairly enforce all laws and ordinances, treat people with respect and work hard to exceed expectations.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Enhance existing technology to increase department efficiency
- Maintain cooperation between the police department, justice court, and legal department

Maintain Integrity of Residential Neighborhoods and Preserve Property Values

- Maintain an atmosphere of safety for citizens, both for themselves and their property

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Continue rebranding to emphasize core values
- Enhance and continue cooperation with other agencies
- Focus on community engagement throughout the police department

Prior-Year Accomplishments

- Obtained grant funding from federal, state, and local sources
- Continued the transition to more sustainable hybrid sport utility vehicles for patrol
- Successfully implemented an additional state-mandated sixteen hours of training in autism awareness, crisis intervention, de-escalation, and defensive tactics
- Acquired an armored rescue vehicle through the Law Enforcement Support Office 1033 Program
- Added a sergeant and a part-time, recognized expert in the field of defensive tactics, instructor to our training unit
- Successfully completed a thirteen-week Citizens Academy
- Added an additional officer to the Crime Suppression Unit
- Added a new patrol dog to the department, "Kota"
- Continued the Officer Walk and Talk Initiative and tracked foot patrols initiated by officers
- Continued to expand our use of drones to make traffic accident reconstruction safer, faster, and more accurate
- Awarded the Utah Sheriff's Association Annual Pistol Shoot Championship
- Partnered with the Mayor's Office to develop and implement the Slow Down Sandy Campaign
- Hired four sworn officers, seven non-sworn employees, and one animal services officer (FY 2023, as of March 1)

Performance Measures & Analysis

- Residents of Sandy City continue to say "safety/no fear of crime/secure environment" is their number one definition of "quality of life" in Citizen Surveys. The residents also continued to rate police crime prevention, police response times, and police traffic enforcement as "satisfied" in their top public safety issues.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Continue to increase number of animals licensed in our community and our return-to-owner rate

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Educate and ensure compliance with Sandy City pet ordinances throughout our community
- Expand education and outreach programs through social media and community involvement at events, such as "Night Out" and Dimple Dell Cleanup

Prior-Year Accomplishments

- Maintained our "No-Kill" status by having a 90%+ save rate for animals that came into our care and custody during 2022
- Issued 3,245 dog licenses and 320 cat licenses for a total of 3,565 pet licenses in 2022
- 129 community cats participated in our TNR program and 28 unweaned kittens were placed with the Best Friends Kitten Nursery
- Animal Service Officers provided over 810.5 hours of focused watershed enforcement in 2022
- Partnered with the South Valley School to provide job site experience to adult students with special needs
- Worked with Sandy City Council to develop and implement a Horse Hobby Permit for our residents

Performance Measures & Analysis

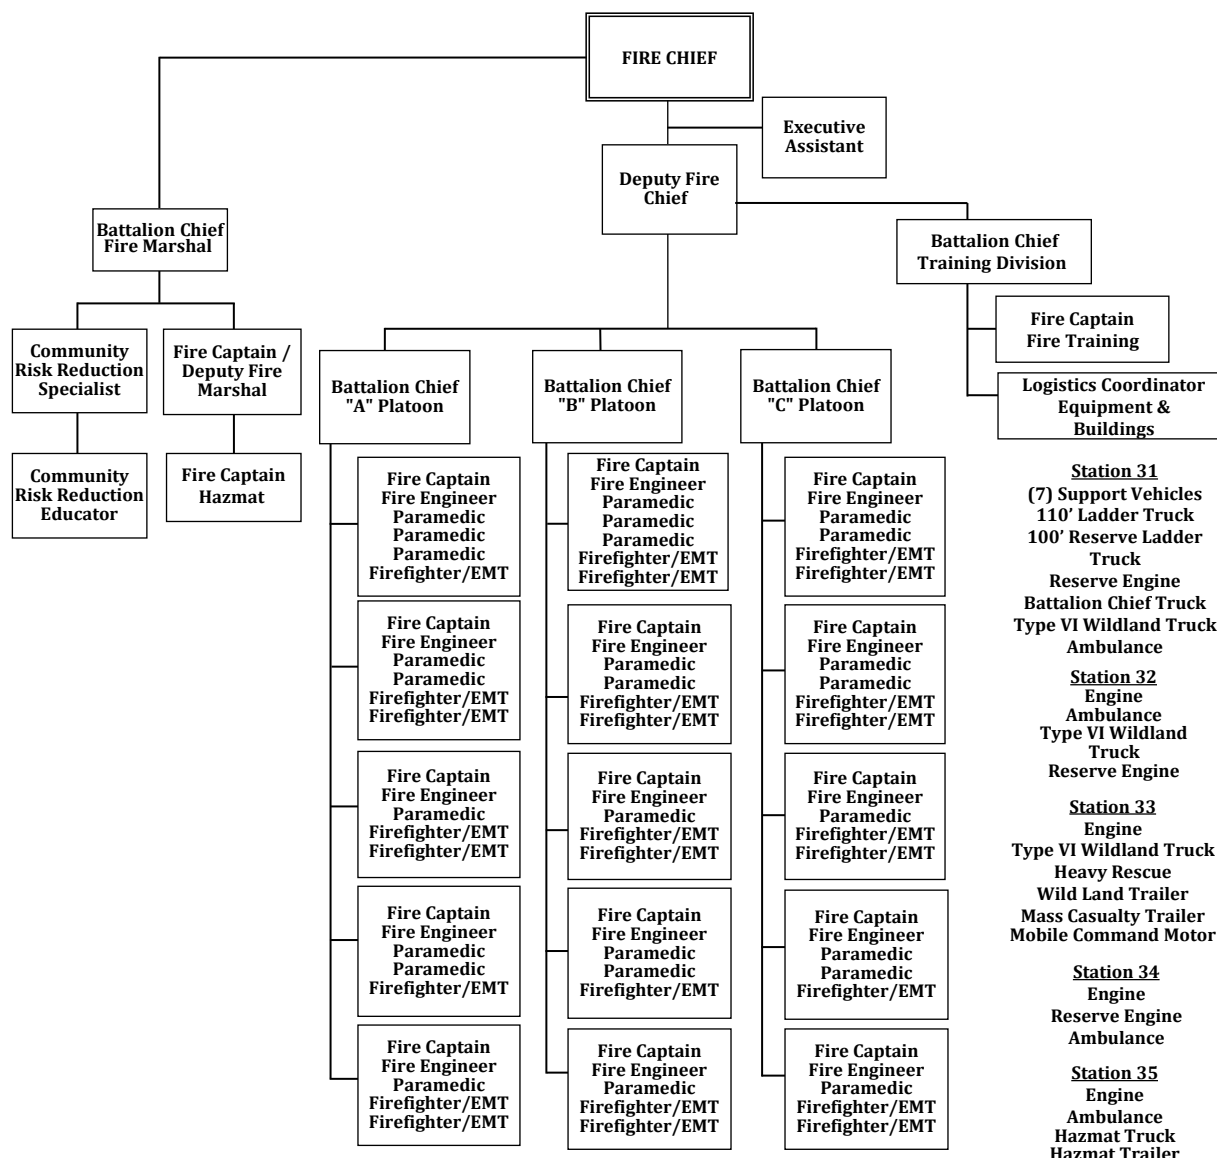

In the last Citizen Survey, residents of Sandy City continued to rate Animal Services as "satisfied" in their top public safety issues.

Department Organization

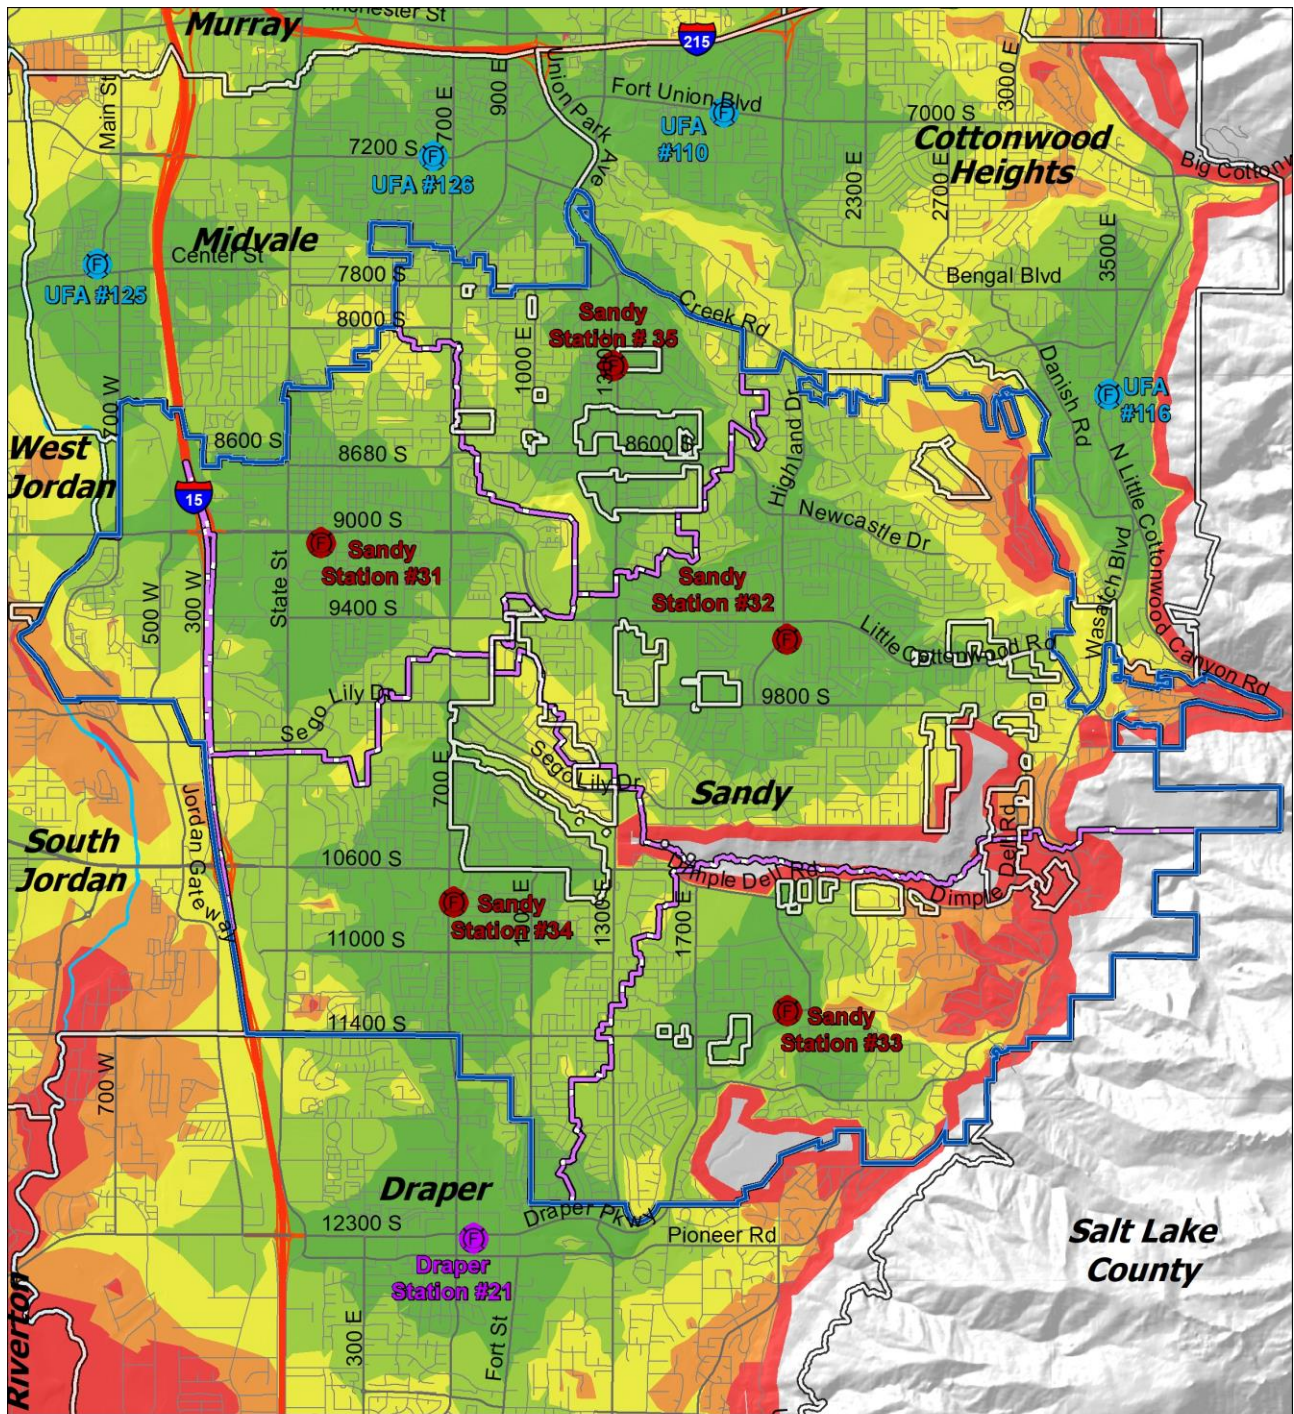

Department Description

Sandy Fire Department serves a population of over 105,000 citizens living in 24.13 square miles along the Wasatch Front. Our 96 career members presently staff five fire stations and administrative offices with an array of response apparatus, an assortment of specialized equipment, and staff administrative positions. Sandy Fire responds to over 8,853 emergencies annually, of which over 80% are medical emergencies.

Department Mission

The Fire Department's mission is three-fold:

- To prevent emergencies through public education and positive code enforcement
- To mitigate emergencies and disasters through proper planning and preparedness
- To respond promptly and efficiently to all emergencies involving fire, medical, or environmental concerns

Response Time

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Mitigate emergencies and disasters through proper planning and preparedness
- Respond promptly and efficiently to all emergencies involving fire, medical, or environmental concerns

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Prevent emergencies through public education and positive code enforcement

Prior-Year Accomplishments

- Increased engine minimum staffing from 2 to 3 authorized by Mayor Zoltanski
- In FY22 we responded to 774 mutual aid requests. The increased staffing has allowed apparatus to remain available for calls within our city as compared to previous staffing which required multiple apparatus to respond to mutual aid calls. Having more apparatus available in the city decreases response times.
- Presented the results of the strategic planning and ISO to City Council. Several accomplishments in the strategic plan were met, such as:
 - 1.1 Staffing for all heavy apparatus will meet the standards of 3-4 personnel in accordance with NFPA 1710 - Continuing to hire and have made progress through the Mayor mandate
 - 1.2 Ensure dispatch programs and systems are functioning properly to keep communication between VECC and SLC units working seamlessly - L3 Harris upgrade is in progress for FY24
 - 1.3 Utilize a high hazard preplan program for apparatus responses - Preplan software for the upcoming FY24 budget has been requested
 - 1.5 Fire Investigations program operating and actively involved with fire incidents in the city - Created on-call investigator group overseen by the Fire Marshal's Office
 - 2.1 Sandy Fire Department will continue to seek grant funding opportunities available - Designated a grant specialist. Have been awarded State EMS, mental health grant, and wildland grant.
 - 3.1 Mental health education and programs available for all department members - Scheduled for Spring 2023. Grant money for peer support was awarded and utilized for all training, as well as additional resources for employees.
 - 3.2 Annual physical examinations for all sworn fire personnel - Contract renewed and in place for valley wide use. The new contract reflects the current NFPA 1582 requirements. All members completed annual physicals.
 - 4.2 Ready Set Go program implementation - Hosted the Wildland Outreach Day, as well as participated in Earth Day, mitigation in Dimple Dell Park, and Sandy Beautification Day. Wildland committee updated the CWPP.
 - 5.1 Relocation and building of new Station 31 - Architect firm was hired and property identified
 - 6.1 Focus training for employee promotion and career development - Send 2 people per year to UVU paramedic program
- Mayor appointed new Fire Chief, Jeff Bassett
- Received delivery of new engine at Station 34
- Received (3) sets of electric extrication tools funded by City Council, which will continue to improve the efficiency of extrications
- Installed second turnout extractor to clean and wash firefighter turnouts
- Purchased second set of turnouts for each firefighter for cancer prevention
- Three attended Paramedic School and promoted to Paramedics
- Hired and sent seven Firefighters through the Salt Lake City Fire Academy
- Saved training costs by implementing lateral hiring process
- Responded on 2,001 Fire Calls and 6,852 Medical Calls which is an 8% increase and is the highest call volume for Sandy Fire

Performance Measures & Analysis

Performance Measures	2022 Actual	2023 Goal/Forecast	2023 Estimated	2024 Goal/Forecast
Inspections				
Business Inspections	2,329	2,500	2,500	2,500

Department Organization

Department Description

The Public Works Department provides for the construction and maintenance of the physical infrastructure, waste collection, and fleet services. Our goal is to achieve optimum costs for construction, operations, and maintenance for Sandy City. The department is composed of experienced, intelligent, and dedicated professionals who continuously work to improve service to the community. These professionals provide the imaginative planning, conceptual design, organizational leadership, and financial acumen that make the Public Works Department an integral part of the Sandy City Administration.

Department Mission

Working with other departments as one Sandy City Team, Public Works provides exceptional services to our community in the areas of infrastructure repair and maintenance, engineering, transportation, tree trimming, snow removal, waste collection, and fleet management. We listen and respond to our community. We value:

- Listening and responding to the concerns of citizens in a timely and professional manner
- Creating a positive workplace for all employees and citizens
- Treating people with dignity and respect
- Doing the job right the first time

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Provide fleet management services which allow city departments to complete their assignments
- Effectively manage all capital projects related to Public Works
- Provide waste collection and recycling services for our citizens

Preserve and Improve Public Infrastructure and Transportation Systems

- Maintain the city roadway system with the available dollars as required by Statement 34 of the Governmental Accounting Standards Board (GASB). Sandy City's policy is to maintain at least 80% of its street system including road surface, sidewalks, curbs, gutters, and street signs in good or better condition. No more than 10% should be sub-standard. Road conditions are assessed every year.
- Inspect all projects in the right-of-way to ensure they are completed per city standards
- Install sidewalk ramps throughout the city that are compliant with the Americans with Disabilities Act (ADA)
- Respond quickly to snow and ice removal for public safety

Prior-Year Accomplishments

Road System

- Completed the following projects:
 - 1300 East Overlay Project - Creek Road to 8020 South
 - 9400 South HAWK Pedestrian Signal at 850 East for Sandy Canal Trail
 - 9270 South Trail Connection - From Rimando Way to TRAX
 - Porter Rockwell Trail Extension - north from Pioneer Ave

City Facilities

- Completed the following project:
 - New fuel site at Public Works for Sandy City vehicles/equipment

Performance Measures & Analysis

Public Works uses the following workload indicators to measure the effectiveness of its operations.

Performance Measures	2022	2023	2023	2024
	Actual	Goal/Forecast	Estimated	Goal/Forecast
Street Sweeping (Miles)				
Main Roads	3,807	3,368	2,523	3,368
Other Roads	7,166	9,980	5,665	7,711
Asphalt Overlay (number of streets)	51	7	46	40
Crack Sealing (number of streets)	17	19	10	19
Pot Holes Filled	1,386	1,530	2,236	1,530
Snow Plowing (lane miles)	25,948	30,371	59,884	30,371
Tree Trimming (number of trees)	4,827	6,010	5,508	6,010
Curb/Gutter Replaced (linear feet)	0	72	0	30
Total Sidewalk Replaced (Sq. Ft)	13,923	9,930	9,664	9,930
Semi-annual Bulk Waste (loads)	4,457	5,107	4,905	5,107
Number of Dumpsters	783	668	710	740
Excavation Permits	524	471	489	471
New Signs Installed	23	75	53	75
Flashers Installed/Replaced	0	12	2	8
Sign Replacement	92	120	103	120
Street Legends/Markings (gallons)	641	654	471	654
Contractor Projects:				
Crack Sealing (number of street segments)	316	310	274	275
Slurry Sealing (number of street segments)	258	265	164	450
(Sandy City has 2,140 Street Segments)

Department Organization

Department Description

The department is responsible for the following programs and development activities: youth and adult recreation programs, parks, cemetery, trails, arterial landscaping maintenance and construction, and the management and operations of Alta Canyon Sports Center and River Oaks Golf at Sandy City.

Department Mission

Providing exceptional parks, trails, recreation programs, and facilities to enhance the environment and lives of the people we serve.

* The seasonal numbers listed are the max number each Division employs during their busiest time of year and are not FTE's.

Parks & Cemetery

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Enhance the efficiency and effectiveness of the Parks & Recreation Department
- Data-driven decision-making related to operations and efficiencies

Develop and Improve the City's Recreational Trails and Increase Recreational Opportunities

- Provide open space and green space in the city and encourage environmental stewardship
- Encourage healthy, more active lifestyles for citizens and employees
- Encourage youth, adults, and families to participate in sports, recreation activities, or enrichment programs

Prior-Year Accomplishments

- New certifications received by employees: (1) Commercial Drivers License, (2) QWEL Irrigation Certifications, (1) Master Gardener, and (1) Vertebrae License
- Sandy Beautification Day with 100's of volunteers planting trees, shrubs, and annual flowers and laying bark and playground mulch in our parks
- Tree city U.S.A. award received this year again and every year since 2001
- Installed new flow meter at the Cemetery and the backflow at Highpoint Park
- Removed invasive trees at the Urban Fishery (1.5 Acres)
- Repaired and crack sealed paths at Hidden Valley Park, Flat Iron Park and a section of the Porter Rockwell Trail by Dewey Bluth Park
- Reduced water usage by 10% for the entire growing season in our parks

Prior-Year Accomplishments (cont.)

- Changed over our Skate Park lights to LED
- Completed Phase 1 of Bell Canyon Preservation Trail Head
- Installed asphalt at the Parks Compound (Phase I, 35,000 Sq. Ft.)
- Replaced the perimeter fence to Bicentennial Park & the irrigation pump at Lone Peak Park
- Replaced the Cemetery fence to comply with the traffic site lines on 9000 S. and on 700 E.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Enhance the efficiency and effectiveness of the Senior Center

Develop and Improve the City's Recreational Trails and Increase Recreational Opportunities

- Encourage healthy, more active lifestyles for citizens and employees
- Encourage senior citizens and their families to participate in recreational/leisure activities or enrichment programs

Prior-Year Accomplishments

- Continued to provide 1,051 "to go" meals
- Provided an average of 41 different classes/activities per week
- Continued providing transportation to 25 individuals who otherwise would not be able to attend
- Continued to provide meals on wheels (MOW) with 4 routes, three more than prior to pandemic. Center staff assisted Aging & Adult Services program by volunteering.
- Continued with a Virtual Senior Center, a monthly online newsletter that contains a catalog of online classes and activities, as well as information about additional services provided by Aging & Adult Services, such as Caregiver Support and Rides for Wellness
- Continued to provide Health & Wellness classes
- Continued to provide extracurricular activities such as: volunteer appreciation luncheon, international quilt day, Sandy Arts Guild Gala and Art Show, Antique Car Show, Craft Fair, Holiday meals, and Happy "Noon" Year Celebration
- Continued to provide an email blast service to over 600 seniors twice a month containing information to seniors

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Enhance the efficiency and effectiveness of the Parks & Recreation Department
- Data-driven decision-making related to operations and efficiencies

Preserve and Improve Public Infrastructure and Transportation Systems

- Encourage people to use non-motorized transportation and encourage pedestrian-friendly development

Develop and Improve the City's Recreational Trails and Increase Recreational Opportunities

- Encourage healthy, more active lifestyles for citizens and employees
- Encourage youth, adults, and families to participate in sports, recreation activities, or enrichment programs

Prior-Year Accomplishments

- Implemented new programs such as; indoor pickleball lessons, rock climbing, my grown up and me, and girls volleyball
- Implemented a season ending tournament format for the Adult Softball program
- Implemented TeamSideline Platform - a league and tournament scheduling system which allows posting of team schedules and tournament brackets

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Enhance the efficiency and effectiveness of the Parks and Recreation Department
- Data based decision making related to operations and efficiencies

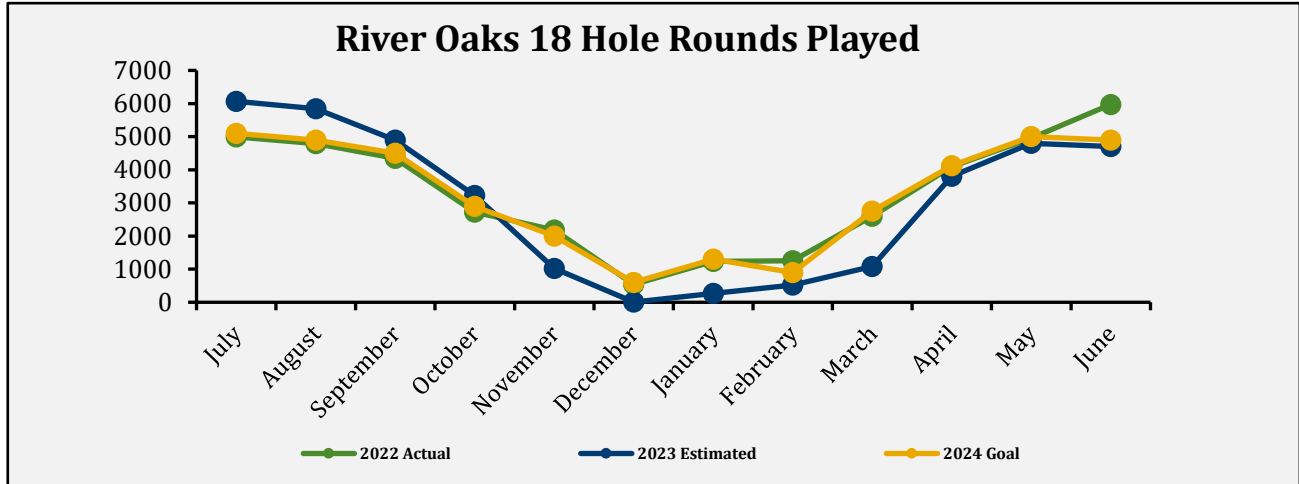

Develop and Improve the City's Recreational Trails and Increase Recreational Opportunities

- Provide open space and green space in the city and encourage environmental stewardship
- Encourage healthy, more active lifestyles for citizens and employees
- Encourage youth, adults, and families to participate in sports, recreation activities, or enrichment programs

Prior-Year Accomplishments

- Installed new irrigation pumps
- Poured new cement pad at the North Range Teaching Academy's covered hitting tee boxes
- Installed security cameras on hole #9 & #18
- New sand for bunkers on hole #4,6,8,12,17
- Painted inside of North Range Building and Maintenance Building

Department Organization

Department Description

The Community Development Department is charged with planning, reviewing, regulating, and approving all facets of land use within Sandy City. Specifically, these functions include planning, building inspections, zoning enforcement, business licensing, Community Development Block Grant (CDBG) administration, and community relations.

Department Mission

The Community Development department is committed to maintaining an approachable staff that provides professional services necessary for the development of a vibrant community that advances the foundational values of the city.

Community Development Administration

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Manage the overall update to the Sandy City General Plan
- Amend city codes to provide better standards for development and to be up to date with legislative changes
- Provide efficient services through online application and electronic plan review process
- Coordinate with departments on strategic development of the city through the Development Review Team

Maintain Integrity of Residential Neighborhoods and Preserve Property Values

- Develop neighborhood preservation organizational strategies
- Provide public education about code requirements and making home improvements
- Continue to engage affected residents through neighborhood meetings, social media, and other outreach efforts
- Ongoing zoning administration - effectively use our codes to preserve our neighborhoods

Preserve and Expand Existing Businesses/Seek New Clean Commercial Businesses

- Maintain an efficient business licensing process

Prior-Year Accomplishments

- Began the process to update the General Plan
- Managed all development proposals through Cityworks and DigEplan software
- Updated land use regulations for Bell Canyon Acres regarding animals, fencing, and accessory structures
- Implemented changes from legislative actions related to building, land use, and licensing
- Completed specific technical/professional certification of staff
- Hired a Systems Technician and Bulk Waste Officer to improve department efficiency

Arcadia Apartments

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Prepare a comprehensive General Plan Update
- Implement the approved Stadium Village Master Plan as part of the Cairns District
- Coordinate department reviews with other departments effectively and efficiently
- Refine and improve our process with Cityworks and DigEplan software
- Train and integrate new employees into our staff
- Update the Development Code to be in compliance with LUDMA amendments

Maintain Integrity of Residential Neighborhoods and Preserve Property Values

- Implement additional affordable housing measures

Prior-Year Accomplishments

- Updated the annual State Housing Report
- Amended the Housing Element of the City's General Plan
- Created a Moderate Income Housing Element of the City's General Plan
- Amended the sections of code to bring it in alignment with State requirements
- Made significant updates to the Water Efficient Landscape Ordinance
- Annexed additional lands in Sandy City that will facilitate future development
- Revised special development standards for Bell Canyon Acres
- Managed neighborhood meetings virtually

Towne Ridge Retail

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Complete City works transformation for online applications
- Provide experience/balanced coverage for office and in the field demands
- Continue to exercise peer reviews for complex projects as needed
- Continue to assist in website development for user clarity in building permit process
- Utilize new mobile workability to enhance efficiency

Maintain Integrity of Residential Neighborhoods and Preserve Property Values

- Promote workable environment for neighborhoods assisting in cleanup programs and code enforcement relating to development code compliance

Prior-Year Accomplishments

- Remote access for permitting and plan reviews
- Total access for builders to communicate with all levels within the building department at all times
- Continued to utilize drone program for both building and planning projects
- Completion of Challenger School
- Completion of Schoolyard Building C
- Construction on Orchard at Farnsworth Farms
- Construction on Parkland Industrial Warehouse
- Completion of last building of East Village Apartments

Fund 2300 - CDBG Operations

Objectives & Initiatives

Each year Sandy City receives Community Development Block Grant or CDBG funds from the U.S. Department of Housing and Urban Development. The purpose of the CDBG program is to help in developing viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities, principally for persons of low and moderate income.

To be eligible to receive CDBG funds, the project must meet one of three national objectives:

1. Low and Moderate Income Benefit
2. Aid in the Prevention or Elimination of Slums or Blight
3. Urgent Health and Welfare Need

There is a broad range of activities or projects eligible for funding under the CDBG program to meet any one of the national objectives. Eligible projects include public improvements, public services, and housing-related projects for low/moderate income persons.

Prior-Year Accomplishments

- Provided funding to seven public service organizations
- Finished sidewalk project in Historic Sandy (400 E./420 E.)
- Started Main Street Park project (phase I)
- Reached approximately 98% expenditure of received CARES Act Funding
- Completed approximately 20 residential emergency home repairs and accessibility improvements

Fund 2300 - CDBG Operations

Department Organization

Department Description

The Public Utilities Department is responsible for providing the following services to the residents and businesses of the city: drinking water, storm water drainage, and street lighting.

Department Mission

“Proudly working together to provide quality utility services for our customers”

- **Safety** - We are committed to safety by protecting the lives and resources of our employees and customers. We will provide training, tools, and equipment to promote safety as a way of life.
- **Integrity** - We promote integrity by being honest, being accurate in the work we perform, and becoming more knowledgeable in our area of responsibility.
- **Responsiveness** - We are prepared to respond in a timely, courteous, and professional manner.
- **Effectiveness** - We are committed to providing dependable, cost effective services that meet the need of our customers through the use of modern tech and infrastructure, now and in the future.
- **Efficiency** - We are committed to providing maximum use of resources through evaluation of the best balance of cost and benefit while measuring progress to maintain long term sustainability.
- **Teamwork** - We are a team with individual strengths. We are committed to listen, respect, trust, value, and support each other in achieving common goals. We strive to enhance employee self-worth and job skills.

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Exceed our customers expectations for a high level of service in meeting their water needs
- Operate the city water system efficiently to save time and money, and to conserve resources
- Meet all current and long-term funding needs for the Water Enterprise Fund

Preserve and Improve Public Infrastructure and Transportation Systems

- Secure and preserve a sustainable water supply to meet long-term needs of our customers
- Provide reliable high quality water at the right pressure to meet the needs of our customers

Prior-Year Accomplishments

- Updated Water Master Plan & achieved an 8% reduction of water use as compared to the prior year
- Merit Award for Flat Iron Well House and Pickleball courts from the American Council of Engineering Companies
- New Water Watch customer portal to educate customers on their water use and encourage conservation
- 45% reduction in water quality complaints from calendar year 2021 to 2022

Objectives & Initiatives

Maintain and Improve Basic Core Municipal Services

- Operate the City Storm Drain System in an efficient manner

Preserve and Improve Public Infrastructure and Transportation Systems

- Ensure adequate and safe drainage of storm water

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Promote environmentally-friendly storm drain habits and practices

Prior-Year Accomplishments

- Completed development of the Storm Drain Master Plan and Floodplain Management Plan
- Began development of the Public Utilities Asset Management Plan
- Began development of the Storm Water Quality Retrofit Plan
- Updated the Comprehensive Storm Water Management Program
- Proceeded with implementing improvements identified in Storm Drain and Floodplain Management Plans

Department Organization

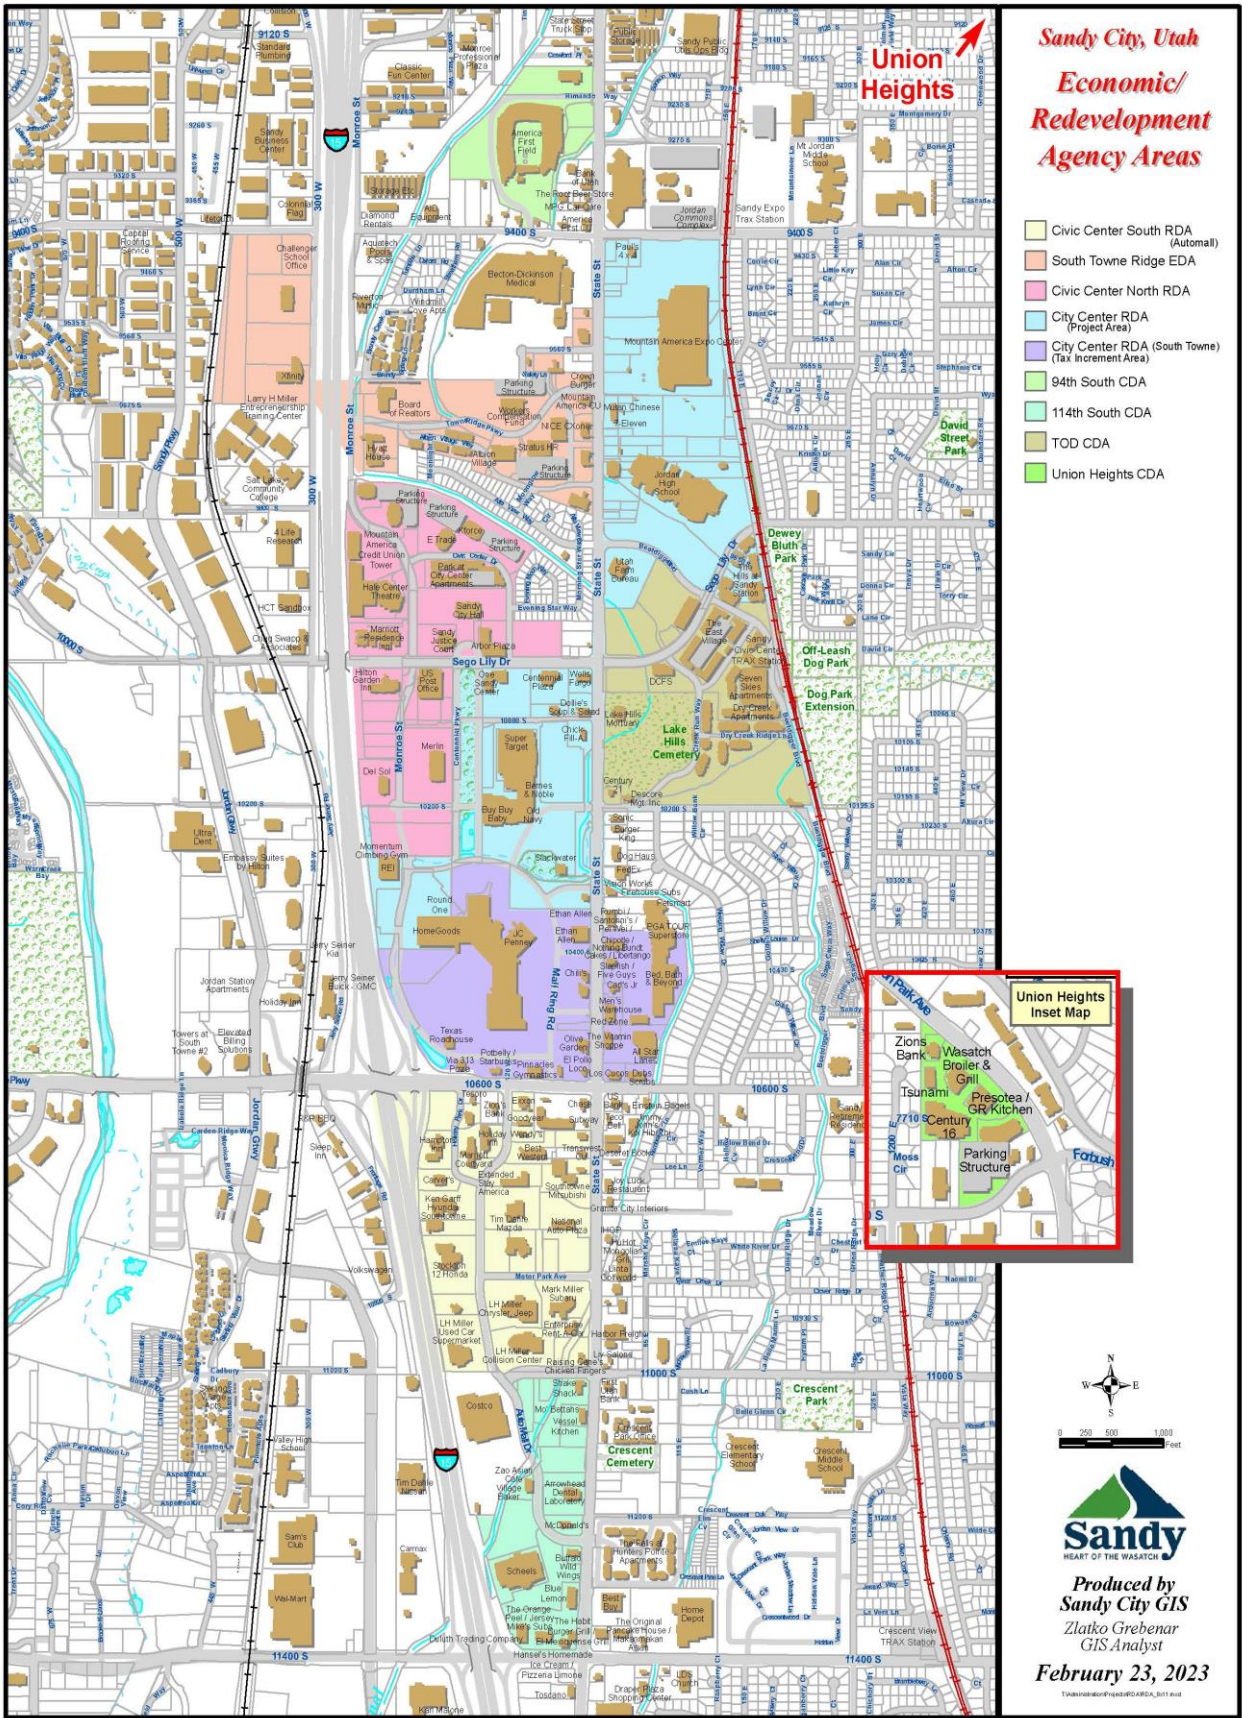

Department Description

The Economic Development/Redevelopment Department works in cooperation with other city departments, businesses, tourism groups, business associations, contractors, real estate professionals, and development groups to promote new capital investment, quality job creation and assist the existing business community. These efforts result in the benefit of high quality jobs and a diversified tax base to help reduce the tax burden on Sandy's residents. These efforts also enable the city to maintain quality services and a high quality of life for the residents.

Department Mission

The mission of the Economic Development/Redevelopment Agency of Sandy City is to promote, encourage, and enhance the creation of jobs, quality of life, and the expansion of the local tax base through projects that assist in the retention and expansion of existing businesses through our Business Connect initiative; and attracts new business and residents through facilitation of thoughtful and exceptional development. This mission is achieved through our commitment to the values of integrity, excellence, stewardship, partnership, citizenship, and innovation.

Sandy City, Utah

Objectives & Initiatives

Maintain Integrity of Residential Neighborhoods and Preserve Property Values

- Evaluate and facilitate new construction and preservation of a range of different housing types that address the particular needs of Sandy City residents
- Develop and implement affordable housing strategies and programs for EDA Housing Funds

Preserve and Expand Existing Businesses/Seek New Clean Commercial Businesses

- Implement citywide economic development plan strategies
- Implement The Cairns development plan
- Continue phased rollout of the Business Connect Brand
- Pursue and retain businesses that complement and grow Sandy's tax base
- Average 8-10 small business visits/spotlights per month
- Facilitate completion of approved developments in existing Redevelopment Agency (RDA) project areas
- Evaluate and create new Community Reinvestment Project Areas within the City

Strengthen Communications with Citizens, Businesses, and Other Institutions

- Develop relationships with business, economic development, and governmental entities

Prior-Year Accomplishments

The Economic Development Office recognizes its role as a facilitator to attract new business and job opportunities to Sandy City. The projects listed below are the result of a coordinated effort by the staff of various city departments, officials, developers, and real estate professionals.

- Increased affordable housing options in Sandy City through utilization of RDA housing funds, tax increment financing, partnership with Canyons School District, partnership with the Gardner development company, and the creation of the state's first Housing and Transit Reinvestment Zone (HTRZ)
- Supported Morgan Stanley's receipt of an EDTIF incentive for an expansion of up to 800 new high paying jobs in its Utah operations over the next 10 years
- Assisted with implementation of Mayor's Economic Development Stakeholder Panel to improve on-going communication and outreach with Sandy's business community
- Worked with Community Development to adopt HB462's required affordable housing implementation strategies and comply with updated requirements
- Economic Development Corporation of Utah Professional Development Match Grant recipient
- Designed and launched "Business Connect" brand and business highlight page. Phase I of creating the Business Connect program and website, a one-stop shop for all things Sandy business.
- Phase I of launching customer relationship management (CRM) software. CRM assists department with ongoing interactions with the business community and concerns.
- Launched Economic Development Facebook and Instagram social media accounts
- Crisp and Green, Crave, Via 313, Raising Cane's, Dollies's Soup and Salads, Libertango, Dutch Bros
- One of three Utah cities to obtain multiple State Infrastructure Bank funding Loans to assist with financing future parking structures/infrastructure on two mixed-use developments within the Cairns District
- Final residential Phase of East Village TOD complete

Court Services	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
1244 - Justice Center - This funding will be used for improvements to the Justice Center.						
4100 General Revenue	\$ 61,501	\$ -	\$ -	\$ -	\$ -	\$ -
Total Council	\$ 61,501	\$ -	\$ -	\$ -	\$ -	\$ -

Information Technology	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
64001 - General Equipment - This amount is for unscheduled adjustments to the capital plan, administrative equipment, and Thin Client equipment.						
6410 IT Capital	\$ 181,323	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000
64002 - Enterprise Resource Planning Software - This is to upgrade the City's software for which implementation began in FY 2017 and has continued for several years.						
6410 IT Capital	\$ 166,191	\$ -	\$ 1,000,000	\$ -	\$ -	\$ -
64003 - Citywide GIS - This includes funding for the GIS main plotter, aerial photo updates, and server.						
6410 IT Capital	\$ -	\$ -	\$ -	\$ 10,000	\$ -	\$ -
64004 - Document Imaging - This money is for the replacement of the document imaging system.						
6410 IT Capital	\$ 73,417	\$ -	\$ -	\$ -	\$ -	\$ -
64014 - Prosecution/Court Integration - This funds the final phase of a project that integrates the police, court, and prosecution databases in a way that maintains separate systems but prevents triple input and results in significant clerical savings.						
6410 IT Capital	\$ 33,600	\$ -	\$ -	\$ -	\$ -	\$ -
64017 - City Hall Virtual Servers - Funds the replacement of virtual servers at City Hall.						
6410 IT Capital	\$ 68,000	\$ -	\$ -	\$ 80,000	\$ -	\$ -
64018 - Uninterrupted Power Supply (UPS) - For replacement of UPS at remote sites.						
6410 IT Capital	\$ 5,129	\$ 8,000	\$ 8,000	\$ -	\$ -	\$ 8,000
64026 - Data Switches - Funds the replacement of data switches at the City's buildings.						
6410 IT Capital	\$ 75,000	\$ -	\$ -	\$ -	\$ 130,000	\$ -
64025 - Wireless Network Radios - This funds wireless radios for redundant network connectivity between buildings.						
6410 IT Capital	\$ 7,000	\$ -	\$ 7,000	\$ -	\$ -	\$ -
64033 - Storage Area Network (SAN) - Funds the replacement of a SAN at City Hall.						
6410 IT Capital	\$ -	\$ 100,000	\$ -	\$ -	\$ -	\$ -
64034 - Fiber Optics - This amount will be used for the fiber optic connection to Alta Canyon Sports Center and Fire Stations 32 and 34.						
6410 IT Capital	\$ 30,000	\$ -	\$ -	\$ -	\$ -	\$ -
64035 - Thin Client - This funding will be used to replace Thin Client servers.						
6410 IT Capital	\$ 137,689	\$ -	\$ -	\$ -	\$ 100,000	\$ -
64036 - Cityworks - This amount will be used for Cityworks software implementation and legacy software upgrades.						
6410 IT Capital	\$ 44,120	\$ -	\$ -	\$ -	\$ -	\$ -
64037 - Electronic Signature Software - This amount will be used for new electronic signature software.						
6410 IT Capital	\$ 14,618	\$ -	\$ -	\$ -	\$ -	\$ -
64039 - Utility Billing Software - This amount will be used to fund Utility Billing Software upgrades.						
6410 IT Capital	\$ 113,740	\$ -	\$ -	\$ -	\$ -	\$ -
64040 - Data Integration - This funds any data integrations required to retrieve data from the City's various software systems.						
6410 IT Capital	\$ 16,500	\$ -	\$ -	\$ -	\$ -	\$ -
64041 - Applicant Tracking Software - This amount funds the first year of the City's new Applicant tracking and onboarding software.						
6410 IT Capital	\$ 2,519	\$ -	\$ -	\$ -	\$ -	\$ -
640XX - Wireless Access Points - Funds the replacement of wireless access points.						
6410 IT Capital	\$ -	\$ -	\$ -	\$ 42,000	\$ -	\$ -
640XX - Multi-Purpose Room IT Upgrades - Funds upgrades/replacement of IT equipment in the Multi-Purpose Room.						
6410 IT Capital	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 34,000
640XX - Security Edge Infrastructure - Funds the replacement of various security edge infrastructure items such as firewalls, SAN boxes, mail delivery analyzers, intrusion detection protection, etc.						
6410 IT Capital	\$ -	\$ -	\$ -	\$ -	\$ 125,000	\$ -
Total Information Technology	\$ 968,846	\$ 208,000	\$ 1,115,000	\$ 232,000	\$ 455,000	\$ 142,000

Fire	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
19008 - Impact Fee Study - This funding is for an updated impact fee study to assess capital facilities needs and associated impact fee amounts in accordance with state statute.						
4270 Fire Impact Fees	\$ 7,198	\$ -	\$ -	\$ -	\$ -	\$ -
1259 - Fire Station #31 - This funding will be used for relocating/expanding Fire Station #31 to better service areas of growth. Construction is anticipated to begin in FY 2024 using proceeds from the sale of current property and a sales tax bond. The current projected cost is \$16 million, and is anticipated to be appropriated in FY 2024 once plans are finalized.						
4270 Fire Impact Fees	\$ 1,282,917	\$ 124,000	\$ -	\$ -	\$ -	\$ -
Total Fire	\$ 1,290,115	\$ 124,000	\$ -	\$ -	\$ -	\$ -

Engineering	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
EXPANSION PROJECTS						
1209 - Public Works Facility - Provides funds for building and site improvements.						
4100 General Revenue	\$ 31,646	\$ -	\$ -	\$ -	\$ -	\$ -
120901 - City Fuel Site - Portion of the \$933,830 to replace the City's Fueling Site at the Public Works Building.						
4100 General Revenue	\$ 708,830	\$ -	\$ -	\$ -	\$ -	\$ -
1209911 - Public Works Facility Rebuild - This funds the master planning, demolition, and rebuilding of the entire Public Works Facility. Current funding will be used for completion of the Fleet Maintenance building.						
4100 General Revenue	\$ 7,000,000	\$ -	\$ 19,000,000	\$ -	\$ -	\$ -
4500 Grants	159,133	-	-	-	-	-
Total	\$ 7,159,133	\$ -	\$ 19,000,000	\$ -	\$ -	\$ -
13115 - Traffic Signal Upgrades - Funds traffic signal synchronization project and upgrade of Sandy City traffic signals to include switches, radios, and CCTV's. Outyear funding is for ongoing signal repairs.						
4100 General Revenue	\$ 286,138	\$ 375,000	\$ 50,000	\$ 50,000	\$ 50,000	\$ 50,000

13132 - Riverside Drive - This project funds the design and completion of curbs and gutters at the south end cul-de-sac of Riverside Drive at River Oaks Golf Course.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ 50,000	\$ -
13135 - 9400 South Widening (300 to 700 East) - This project procures right-of-way and will widen 9400 South to four lanes with the addition of a center turn lane. (Possible Federal Aid Project, funds required in FY 2030.)						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
13136 - Highland Dr (9800 S to Segoe Lily and 114th S to Wasatch Blvd) 2 Lanes - This project will extend Highland Drive between 9800 South and Segoe Lily, and construct a two-lane section from 11400 South to Wasatch Boulevard. (Funds required in FY 2030.)						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
13157 - Highland Drive EIS - This project funds the EIS (Environmental Impact Statement) which is necessary to receive approval and design direction for the future construction of Highland Drive.						
4100 General Revenue	\$ 146,000	\$ -	\$ -	\$ -	\$ -	\$ -
13163 - 1700 East Improvements 10980 South to Draper - This multi-phased project will relocate power poles and complete the installation of public improvements from 10980 South to the Draper City limits. (Funds required in FY 2030.)						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
13165 - 8600 South Sidewalk - This project will purchase the right-of-way and complete construction of a sidewalk from 1300 East to Flat Iron Park.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 200,000

Engineering Cont.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
13169 - 10600 South 1750 East to 2000 East (Federal Matching Funds) - This phase will complete the five lane widening of 10600 South to 2000 East. (Funds required in FY 2030.)						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
13172 - 7800 South Improvements - The plan is to widen the road to three lanes by adding a center turn lane and constructing improvements on the north side of the road from 775 East to Devin Place. Pinch point by the Harmons entrance is the only section remaining.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 360,000
13180 - Harrison Street Improvements - Installs sidewalk and curb/gutter from Monroe Street to Midvale City limit.						
4100 General Revenue	\$ -	\$ -	\$ 225,000	\$ -	\$ -	\$ -
13181 - 220 East Sidewalk Construction - Funds the construction of sidewalks on both sides of the street from 9000 to 9150 South.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ 150,000	\$ -	\$ -
13182 - 170 East Improvements - This project will install a sidewalk, curb/gutter, and landscape the west side of the road from Sego Lily to 9600 South.						
4100 General Revenue	\$ -	\$ -	\$ 175,000	\$ -	\$ -	\$ -
13189 - Monroe Street Extension and Improvements - Current funding was used to reconstruct the intersection of Monroe Street at 9000 South. Funds anticipated from a sales tax bond in FY 2024, combined with the \$1,800,000 in FY 2023, are for improvements between 9000 South and 9400 South. The amount in FY 2026 will improve the road from the UDOT Tunnel Signal to Automall Dr/10600 South. In addition, the Automall Dr/10600 South intersection will be rebuilt to favor heavier N/S movements as well as extend EB/WB right turn pockets. In 2022, the Utah Legislature passed S.B. 51 which increased the city's annual dispersement of state road funds by \$900,000. The City expects to use these funds to pay the debt service on a sales tax bond for this project. An \$11M appropriation is anticipated in FY 2024 once plans are finalized.						
4500 Grants	\$ 936,335	\$ -	\$ -	\$ 19,000,000	\$ -	\$ -
4600 Road Funds	98,911	-	-	-	-	-
4620 Monroe Street	1,800,000	-	-	-	-	-
	<u>\$ 2,835,246</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,000,000</u>	<u>\$ -</u>	<u>\$ -</u>
13198 - 9800 S Improvements - This project will widen the road and install public improvements along 9800 South from 3100 East to little Cottonwood Canyon Rd.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ 1,000,000	\$ -
13201 - Electronic Traffic Control Devices - This funds the procurement and installation of driver feedback signs (radar boards) and flashing beacons to be installed at all of the city's crosswalks for pedestrian safety.						
4100 General Revenue	\$ 3,067	\$ -	\$ 25,000	\$ 25,000	\$ 25,000	\$ 25,000
4600 Road Funds	110,000	-	-	-	-	-

13204 - Cys Road/700 East Traffic Signal - This project funds the installation of improvements on the northeast corner of Cys Road at 700 East for a future signal which will be installed at this location.						
4100 General Revenue	\$ -	\$ -	\$ 300,000	\$ -	\$ -	\$ -
4500 Grants	25,007	-	-	-	-	-
	<u>\$ 25,007</u>	<u>\$ -</u>	<u>\$ 300,000</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
13210 - Bike Lane Improvements - Future funding for NW corner of Sego Lily Drive and State Street to add bike lanes and relocate signal poles. (Funds required in FY 2030).						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
13211 - 9400 S/700 E Intersection Improvements (Federal Match) - Match for federal funds to widen the intersection and add dual left turns on the eastbound and westbound legs of the intersection.						
4100 General Revenue	\$ 43,198	\$ -	\$ -	\$ -	\$ -	\$ -
13212 - 9270 South Trail Connection - This project completed a 10' wide sidewalk connection between the Stadium Light Rail Station and Rio Tinto Stadium.						
4100 General Revenue	\$ 150,000	\$ -	\$ -	\$ -	\$ -	\$ -
4500 Grants	91,490	-	-	-	-	-
	<u>\$ 241,490</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

Engineering Cont.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
13213 - Little Cottonwood Road Solutions Development Study - This project studies the transportation needs between the mouth of Little Cottonwood Canyon and Highland Drive.						
4610 Transportation Sales Tax	\$ 125,000	\$ -	\$ -	\$ -	\$ -	\$ -
13214 - 9400 South/500 West Intersection Improvements - This project will widen the intersection and install a traffic signal.						
4100 General Revenue	\$ 2,000,000	\$ -	\$ -	\$ -	\$ -	\$ -
13215 - 9000 South/Sandy Parkway Through U-Turn (Federal Match) - This is Sandy City's share of the WFRC funded project to build a U-Turn at Parkland Drive for traffic heading southbound on Sandy Parkway to mitigate traffic congestion.						
4100 General Revenue	\$ -	\$ -	\$ 250,000	\$ -	\$ -	\$ -
132XX - 10000 South Extended Turn Pocket - This project builds an extended turn pocket on westbound 10000 South to southbound Monroe Street.						
4100 General Revenue	\$ -	\$ -	\$ 250,000	\$ -	\$ -	\$ -
132XX - 10200 South/10300 South Extension to Monroe - Configuration of this project is still being contemplated pending future master planning of the area and development opportunities.						
4500 Grants	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 5,000,000
132XX - 700 West Widening - This project will widen the road to three lanes from 8800 South to 9000 South. This is Sandy City's match.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ 237,000	\$ -
132XX - Debris Flow Study - This study will evaluate the risks and develop a mitigation strategy to manage the debris flows caused by runoff from the mountains on the east side of the city.						
4100 General Revenue	\$ -	\$ -	\$ 100,000	\$ -	\$ -	\$ -
132XX - State Street Crossing - This provides funds for a separated grade pedestrian crossing at 10200 S (Required match in 2030).						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
132XX - 10200 South Road and Trail Improvements - This project will build improvements on the north side of the road from the East Jordan Canal to Creek Run Way.						
4500 Grants	\$ -	\$ -	\$ -	\$ 250,000	\$ -	\$ -
132XX - 10000 S Pedestrian Improvements - This project will install full improvements on both sides of the road at 2500 East on the aqueduct crossing property.						
4100 General Revenue	\$ -	\$ -	\$ 60,000	\$ -	\$ -	\$ -
132XX - 11400 S 1300 E Right Turn Lane - This project will purchase right-of-way and build a southbound right turn pocket at this intersection. Other improvements include restriping to add eastbound lane capacity, restriping to align the westbound receiving bike lane, shorten wall on southeast corner, and replace traffic signal. FY 2027 funds are Sandy City's match.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ 300,000	\$ -
132XX - Eastdell Drive Traffic Calming - Installs traffic calming bulb-outs at various locations along this street.						
4100 General Revenue	\$ -	\$ -	\$ 440,000	\$ -	\$ -	\$ -
132XX - Clean/Reseal Stamped Concrete - This funds work along Sandy City owned and maintained right-of-way.						
4100 General Revenue	\$ -	\$ -	\$ 75,000	\$ 75,000	\$ -	\$ 75,000
132XX - 10600 South 700 East Raised Median - This increases the eastbound storage length and raised median to 200 feet. (Per Challenger School Traffic Impact Statement).						
4100 General Revenue	\$ -	\$ -	\$ 50,000	\$ -	\$ -	\$ -
132XX - 11000 South 700 East Raised Median - This increases the eastbound storage length and raised median to 250 feet. (Per Challenger School Traffic Impact Statement).						
4100 General Revenue	\$ -	\$ -	\$ 50,000	\$ -	\$ -	\$ -
132XX - Harvard Park Drive Traffic Calming - Builds three bulbouts at intersections to narrow the road profile. Will also install a trail on east side between the church and 8600 South.						
4100 General Revenue	\$ -	\$ -	\$ 360,000	\$ -	\$ -	\$ -

Engineering Cont.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
132XX - 8400 South Improvements - Installs curb/gutter and sidewalk on the north side of the road between 451 E and 571 E. Bulb-outs will be considered for traffic calming.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ 250,000	\$ -	\$ -
132XX - 1000 East Improvements - This will widen the road and install curb/gutter and sidewalk on the west side of the road at 8200 S.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ 500,000	\$ -	\$ -
REPLACEMENT PROJECTS						
13821 - Street Reconstruction - This funding is for ongoing maintenance and construction.						
4100 General Revenue	\$ 259,730	\$ 421,000	\$ -	\$ -	\$ -	\$ -
4600 Road Funds	169,818	-	950,000	1,050,000	1,150,000	1,250,000
4610 Transportation Sales Tax	4,363,790	2,939,000	2,010,000	2,010,000	2,010,000	2,010,000
Total	\$ 4,793,338	\$ 3,360,000	\$ 2,960,000	\$ 3,060,000	\$ 3,160,000	\$ 3,260,000
13822 - Hazardous Concrete Repair - This is an ongoing project to repair hazardous sections of concrete throughout the city.						
4100 General Revenue	\$ 97,723	\$ -	\$ -	\$ -	\$ -	\$ -
4600 Road Funds	1,024,112	1,114,000	1,200,000	1,250,000	1,300,000	1,350,000
Total	\$ 1,121,835	\$ 1,114,000	\$ 1,200,000	\$ 1,250,000	\$ 1,300,000	\$ 1,350,000
13852 - Historic Sandy Improvements - This grant funding will be used for various improvements in the Historic Sandy area.						
4500 Grants	\$ -	\$ -	\$ 2,500,000	\$ -	\$ 2,500,000	\$ -
13853 - Bridge Projects - Current funding will provide Sandy's match for the bridges at Willow Green Circle, Cobble Canyon Lane, and 10600 South/300 East. Funds in 2025 will be used to repair the bridge deck on Segó Lily Drive at 60 East. Funds in 2026 will improve the bridge decks and backfill canals at four other locations.						
4100 General Revenue	\$ 1,502,721	\$ -	\$ 250,000	\$ 1,000,000	\$ -	\$ -
13854 - Street Edge Reconstruction - This funds pavement maintenance required to repair any asphalt deficiencies as a result of fiber.						
4100 General Revenue	\$ 500,000	\$ -	\$ -	\$ -	\$ -	\$ -
13855 - Intersection Reprofile Projects - Lowers the steep intersections of Longdale Dr./1300 East and Bay Meadows Dr./1300 East to prevent vehicles from scraping the pavement.						
4100 General Revenue	\$ -	\$ 205,000	\$ -	\$ -	\$ -	\$ -
138XX - Automall Drive Roundabout (Federal Match) - This project will build a roundabout adjacent to the south entrance to COSTCO to improve traffic movements through this area. (Funds required in FY 2032.)						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
MISCELLANEOUS PROJECTS						
19001 - Subdivision Bonds - This project is an ongoing accumulation of subdivision bonds.						
4110 Performance Bonds	\$ 157,832	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000
Total Engineering	\$ 21,908,360	\$ 5,154,000	\$ 28,420,000	\$ 25,710,000	\$ 8,722,000	\$ 10,420,000
Waste Collection						
52001 - Transfer Station - This amount is for the future design of a proposed waste transfer station.						
5200 Weekly Pickup	\$ 150,000	\$ -	\$ -	\$ -	\$ -	\$ -
Total Waste Collection	\$ 150,000	\$ -	\$ -	\$ -	\$ -	\$ -

Parks	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
EXPANSION PROJECTS						
1245 - Alta Canyon Recreation Center - This project is for an addition to the Alta Canyon Recreation Center to expand services, add an indoor pool, and to function as a community center. FY 2023 and FY 2024 funds are to design the recreation center based on option D of the October 2021 Feasibility Analysis.						
4100 General Revenue	\$ 3,000,000	\$ -	\$ 40,000,000	\$ -	\$ -	\$ -
4500 Grants	-	460,000	-	-	-	-
Total	\$ 3,000,000	\$ 460,000	\$ 40,000,000	\$ -	\$ -	\$ -
1246 - Parks & Recreation Building - This project is for the renovation of the Parks & Recreation building, including seismic upgrades.						
4100 General Revenue	\$ 10,722	\$ -	\$ -	\$ -	\$ 6,000,000	\$ 12,000,000
13029 - Back Facing Walls/Community Projects - This funding is for repair and capital maintenance of streetscapes and back facing walls within the City. Projects will include tree replacement, the repair/replacement of fencing on 1300 East from 11400 South to Hidden Valley Drive, and Sandy Beautification projects.						
4100 General Revenue	\$ 533,594	\$ 150,000	\$ 150,000	\$ 150,000	\$ 150,000	\$ 150,000
14002 - Centennial Parkway/Promenade - Project to replace the irrigation system at the Centennial Parkway Promenade.						
4100 General Revenue	\$ 220,000	\$ -	\$ -	\$ -	\$ -	\$ -
14004 - Irrigation Water Connections - This funding will go toward backflow preventer replacements.						
4100 General Revenue	\$ 8,277	\$ 30,000	\$ 30,000	\$ 30,000	\$ 30,000	\$ 30,000
14034 - Lone Peak Park - This funding is for a parking lot in the northeast corner of the park with associated landscaping and irrigation.						
4140 Sale of Property	\$ 9,778	\$ -	\$ -	\$ -	\$ -	\$ -
14050 - Quail Hollow Park - This funding is for design and phased construction of Quail Hollow Park.						
4210 Park Fees	\$ 182,942	\$ -	\$ -	\$ -	\$ -	\$ -
14069 - Workout Stations - This funding is to provide fitness stations along the walking/jogging paths at Flat Iron and Storm Mountain Park.						
4210 Park Fees	\$ 36,920	\$ -	\$ 90,000	\$ -	\$ 90,000	\$ -
14075 - Memorials - This amount will be used for the sitework of two new statues (Martin Luther King & Abraham Lincoln) that are being donated to the City.						
4100 General Revenue	\$ 89,840	\$ -	\$ -	\$ -	\$ -	\$ -
14098 - Alta Canyon Park - This will be used for six new pickleball courts with lights in the southeast corner of Alta Canyon Park.						
4210 Park Fees	\$ 14,800	\$ -	\$ -	\$ -	\$ -	\$ -
14099 - Park Strips/Median Conversion - This funding will be used for landscaping rocks to be used at various City parks and medians.						
4100 General Revenue	\$ 55,796	\$ 260,724	\$ 20,000	\$ 20,000	\$ 20,000	\$ 20,000
14100 - Bell Canyon Preservation and Trail Head - This amount will be used for the development/improvement of 10 acres near Bell Canyon including a Bonneville shoreline trail head.						
4210 Park Fees	\$ 1,154,384	\$ -	\$ -	\$ -	\$ -	\$ -
14101 - Community Events Improvements - Funds improvements near City Hall and the Promenade for community event activities						
4100 General Revenue	\$ 178,430	\$ -	\$ -	\$ -	\$ -	\$ -
14103 - Asphalt the Shops Compound - Project to install approximately 50,000 square feet of asphalt at the Shops Compound.						
4100 General Revenue	\$ 233,700	\$ -	\$ 285,000	\$ -	\$ -	\$ -
14104 - All Inclusive Playground - Install an all inclusive playground at Flat Iron Park (lower) or other undetermined location to make it possible for kids of all abilities to enjoy a safe playground at a City park.						
4210 Park Fees	\$ 324,000	\$ 985,000	\$ -	\$ -	\$ -	\$ -
14105 - Bicentennial Park Pickleball Courts/Lights - This funding will be used to install pickleball courts at Bicentennial Park.						
4210 Park Fees	\$ 200,000	\$ 100,000	\$ -	\$ -	\$ -	\$ -
14XXX - Cemetery Road - Installation of new curbing and asphalt on the roads throughout the City Cemetery.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ 560,000	\$ -

Parks Cont.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
14XXX - Storm Mountain Neos System - Install an electronic interactive amenity at Storm Mountain park. This piece of playground equipment keeps kids active and using their minds while having fun in a safe playground setting.						
4210 Park Fees	\$ -	\$ -	\$ 50,000	\$ -	\$ -	\$ -
REPLACEMENT PROJECTS						
14804 - Fence Replacement - Replacement of damaged chain link fence fabric at various locations throughout the park system.						
4100 General Revenue	\$ 30,000	\$ -	\$ 40,000	\$ 28,000	\$ 40,000	\$ -
14806 - Playground Replacements - Project to replace various parks throughout the city, including Flat Iron Lower Park, Willow Creek Park, Buttercup Park, and Alta Canyon Park. FY 2024 funding will be for Buttercup Park						
4100 General Revenue	\$ 200,000	\$ 300,000	\$ 300,000	\$ 300,000	\$ 300,000	\$ -
14808 - Asphalt Repairs - This funding is for asphalt repairs of existing jogging and trails paths.						
4100 General Revenue	\$ 5,699	\$ -	\$ 30,000	\$ 30,000	\$ -	\$ 30,000
14810 - Skate Park Crack Seal and Shelter Roofs - Repairs to the Skate Park and replacement of the Dewey Bluth Shelter roofs.						
4100 General Revenue	\$ 10,285	\$ -	\$ -	\$ -	\$ -	\$ -
14814 - Parking Lot Light LED Change Over - Replacing the lights in the Amphitheater parking lot to LED lights.						
4100 General Revenue	\$ 29,247	\$ -	\$ 25,000	\$ 12,500	\$ 15,000	\$ -
14815 - Irrigation Renovations - Design work for irrigation renovation at Crescent Park.						
4100 General Revenue	\$ 25,000	\$ -	\$ 280,000	\$ -	\$ -	\$ -
14818 - Bridge Deck Replacement - Replacement of bridge decking for Jordan River Trail crossings.						
4100 General Revenue	\$ 10,000	\$ -	\$ -	\$ -	\$ -	\$ -
14819 - Bicentennial Fence Replacement - Replacement of the perimeter fencing at Bicentennial Park.						
4100 General Revenue	\$ 120,000	\$ -	\$ -	\$ -	\$ -	\$ -
148242 - Cemetery Fence/Site Lines - Drops site lines at Cemetery exit to 3' and moves the north pillars.						
4100 General Revenue	\$ 30,000	\$ -	\$ -	\$ -	\$ -	\$ -
14834 - Lone Peak Irrigation Pump - Replaces irrigation pump at Lone Peak Park.						
4100 General Revenue	\$ 200,500	\$ -	\$ -	\$ -	\$ -	\$ -
14859 - Park & Trail Renovation Projects - This is for trail improvements from Boulders Trail Head to Bell Canyon Reservoir.						
4100 General Revenue	\$ 250,771	\$ -	\$ 30,000	\$ 30,000	\$ 30,000	\$ 30,000
14862 - Tennis Court Reconstruction - This funding is for reconstructing the remaining asphalt tennis courts at Bicentennial Park.						
4100 General Revenue	\$ 450,962	\$ -	\$ -	\$ -	\$ -	\$ -
14899 - Pump Replacement Contingency - Project funds irrigation pump replacements on an as needed basis.						
4100 General Revenue	\$ 48,508	\$ -	\$ -	\$ -	\$ -	\$ -
148XX - Restroom/Pavilion Replacement - Replace restrooms at Scott Cowdell Park, and other replacements on an as needed basis.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ 300,000	\$ -
148XX - Furniture & Fixture Replacement - Replaces picnic tables, benches, etc.						
4100 General Revenue	\$ -	\$ -	\$ 25,000	\$ 25,000	\$ -	\$ 25,000
148XX - Storm Mountain Park Lights - Installs LED parking lot lights at Storm Mountain Park.						
4100 General Revenue	\$ -	\$ -	\$ 65,000	\$ -	\$ -	\$ -
148XX - Tank Site Sport Courts - Resurfaces and removes a basketball court and installs pickle ball.						
4100 General Revenue	\$ -	\$ -	\$ 60,000	\$ -	\$ -	\$ -
148XX - Crescent Outfield Fence - Replaces Crescent Park outfield fences.						
4100 General Revenue	\$ -	\$ -	\$ 75,000	\$ -	\$ -	\$ -
148XX - Water Meter Kills - Remove water meters from old streetscape sites that no longer need water due to conservation efforts.						
4100 General Revenue	\$ -	\$ -	\$ 35,000	\$ -	\$ -	\$ -

Parks Cont.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
148XX - LED Ballfield Lights - Replaces Alta Canyon or Crescent Park ballfield lights with new LED systems.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ 400,000	\$ -	\$ -
148XX - Restroom Door Replacements - Replaces hollow metal doors at locations that need it.						
4100 General Revenue	\$ -	\$ -	\$ 50,000	\$ 25,000	\$ -	\$ -
148XX - Relamp Sports Field Lights - Replaces sports field lights at Crescent, Alta Canyon, and Lone Peak parks.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ 60,000	\$ -	\$ -
TRAIL PROJECTS						
14018 - Trail and Trail Head - This is for various trail and trail head improvements throughout the city						
4220 Trail Fees	\$ 69,073	\$ -	\$ 25,000	\$ 25,000	\$ 25,000	\$ 25,000
14067 - Bonneville Shoreline Trail - Current funding is for design of the Bonneville Shoreline trail from Hidden Valley Park north to Bell Canyon Reservoir. Future funding is for right-of-way purchase and construction.						
4100 General Revenue	\$ 63,767	\$ -	\$ -	\$ -	\$ -	\$ -
4210 Park Fees	364,124	-	-	-	-	-
4220 Trail Fees	25,201	-	-	-	-	2,045,000
Total	\$ 453,092	\$ -	\$ -	\$ -	\$ -	\$ 2,045,000
14095 - Dry Creek Trail - This funding will design and install a tunnel for access to the Porter Rockwell Trail and Dimple Dell Canyon from the west side of Trax at 10200 South, design and construct Dry Creek Trail from the Trax tunnel to I-15, and go toward the Dimple Dell Connection Project adjacent to I-15 near the Del Sol building at about 10100 South.						
4220 Trail Fees	\$ -	\$ 9,000	\$ 741,000	\$ -	\$ -	\$ -
14096 - Sandy Canal Trail - This will be used to design and construct the Sandy Canal Trail from 9400 S. to Lazon Dr.						
4210 Park Fees	\$ 173,411	\$ -	\$ -	\$ -	\$ -	\$ -
4220 Trail Fees	50,000	-	-	-	-	-
Total	\$ 223,411	\$ -	\$ -	\$ -	\$ -	\$ -
140XX - Path Trail Replacement - This is for path trail replacements at Bluth Park, and other parks on an as needed basis.						
4100 General Revenue	\$ -	\$ -	\$ 100,000	\$ -	\$ 115,000	\$ -
MISCELLANEOUS PROJECTS						
14005 - Parks, Recreation, and Trails Master Plan - This funding is to update the current master plan which was last updated in 2005.						
4500 Grants	\$ -	\$ 47,000	\$ -	\$ -	\$ -	\$ -
19008 - Impact Fee Study - This funding is for an updated impact fee study to assess capital facilities needs and associated impact fee amounts in accordance with state statute.						
4210 Park Fees	\$ 38,392	\$ -	\$ -	\$ -	\$ -	\$ -
4220 Trail Fees	1,200	-	-	-	-	-
Total	\$ 39,592	\$ -	\$ -	\$ -	\$ -	\$ -
19012 - Gateways/Beautification Projects - This project funds gateway projects on the City boundaries as well as beautification projects on the I-15 corridor through Sandy.						
4100 General Revenue	\$ 116,244	\$ -	\$ -	\$ -	\$ -	\$ -
Total Parks	\$ 8,565,567	\$ 2,341,724	\$ 42,506,000	\$ 1,135,500	\$ 7,675,000	\$ 14,355,000

Golf	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
14004 - River Oaks Irrigation Controllers - This project funds the replacement of irrigation controllers to improve performance, save water, and reduce operation costs.						
5600 Golf	\$ -	\$ 224,480	\$ -	\$ -	\$ -	\$ -
14818 - Bridge Deck Replacement - This project funds the replacement of decking on bridges crossing the Jordan River and canals.						
5600 Golf	\$ 38,000	\$ -	\$ 40,000	\$ 16,000	\$ 17,000	\$ -
Total Golf Operations	\$ 38,000	\$ 224,480	\$ 40,000	\$ 16,000	\$ 17,000	\$ -

Community Dev.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
19002 - General Plan Update - This project will make updates to the City's General Plan first adopted in 1979. Subsequent amendments and area specific plans have been made, but the Plan is due for a comprehensive update. The project will provide an overall future land use map, and tools to guide the City into the future. Wasatch Front Regional Council is providing a \$100,000 match for this project.						
4100 General Revenue	\$ 224,840	\$ -	\$ -	\$ -	\$ -	\$ -
19036 - Neighborhood Preservation Initiative - This project funds costs related to the implementation of the city's neighborhood maintenance and preservation plan.						
4100 General Revenue	\$ 55,348	\$ -	\$ -	\$ -	\$ -	\$ -
19052 - Historic Preservation - This project funds various historic preservation projects.						
4100 General Revenue	\$ 10,000	\$ -	\$ 10,000	\$ -	\$ 10,000	\$ -
4500 Grants	10,000	-	10,000	-	10,000	-

CDBG	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
23002 - Emergency Home Repair - This funding will help provide repair services for conditions that affect the health, safety or well being of senior citizens and low income residents.						
2300 CDBG Fund	\$ 85,073	\$ 75,000	\$ -	\$ -	\$ -	\$ -
23005 - The Road Home - This funding is for repairs and maintenance costs associated with the four Sandy City homeless housing units owned by The Road Home.						
2300 CDBG Fund	\$ -	\$ 20,000	\$ -	\$ -	\$ -	\$ -
23064 - Neighborworks - This funding will be used to help with the revitalization of neighborhoods.						
2300 CDBG Fund	\$ 390	\$ 13,824	\$ -	\$ -	\$ -	\$ -
23065 - Park Improvements - This funding will be used for improvements at the park locations.						
2300 CDBG Fund	\$ 324,668	\$ 115,000	\$ -	\$ -	\$ -	\$ -
23066 - Pedestrian/Accessibility Improvements - This funding will be used for various pedestrian/accessibility improvements.						
2300 CDBG Fund	\$ 256,423	\$ -	\$ -	\$ -	\$ -	\$ -
Total CDBG	\$ 666,554	\$ 223,824	\$ -	\$ -	\$ -	\$ -

Water	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
EXPANSION PROJECTS						
19008 - Impact Fee Study - This funding is for an updated impact fee study to assess capital facilities needs and associated impact fee amounts in accordance with state statute.						
5110 Water Expansion	\$ 14,397	\$ -	\$ -	\$ -	\$ -	\$ -
19092 - Mesh Node Camera System - Replaces and upgrades the City's Mesh Node Camera System.						
5110 Water Expansion	\$ 14,462	\$ -	\$ -	\$ -	\$ -	\$ -
1103 - Land Purchase - This funding will be used when opportunities arise for the city to buy land and property.						
5110 Water Expansion	\$ 100,000	\$ -	\$ -	\$ -	\$ -	\$ -
51001 - Water Meters (New Construction) - This is for the installation of new meters in new developments.						
5110 Water Expansion	\$ 25,000	\$ 30,000	\$ -	\$ -	\$ -	\$ -
51042 - Purchase of Water Stock - This provides for the purchase of water shares that become available in order to expand the City's water rights to meet future demand.						
5110 Water Expansion	\$ 305,500	\$ -	\$ -	\$ -	\$ -	\$ -
51068 - Security Improvements - This project pays for fencing, lighting, and alarm systems at wells and tanks.						
5110 Water Expansion	\$ 21,800	\$ -	\$ -	\$ -	\$ -	\$ -
51120 - Falcon Park Connection and New Castle Dr. - New 24-inch pipeline New Castle Dr. to Highland Dr. and new connection to POMA at Falcon Park.						
5110 Water Expansion	\$ 300,000	\$ -	\$ -	\$ -	\$ -	\$ -
511XX - High Bench/A-1 Transmission Line - This project will run a new water transmission line in Wasatch Blvd. from the High Bench Tank (11000 South) to Little Cottonwood Road. This line is needed to supply more water to the north end of the upper two pressure zones in the water system. This project will be needed when the A1 Tank, located at 3800 East 9800 South, is decommissioned in the next 10 years.						
5110 Water Expansion	\$ -	\$ -	\$ -	\$ -	\$ 800,000	\$ -
511XX - Sterling Dr., New Install - New 20-inch pipeline in Sterling Drive to 9400 South & 20-inch pipeline west from Sterling Drive to 9300 South.						
5110 Water Expansion	\$ -	\$ -	\$ -	\$ 2,000,000	\$ -	\$ -
511XX - Happy Valley Rd. - Install a new 20" pipeline in Happy Valley Road from 1700 East to Happy Valley Drive.						
5110 Water Expansion	\$ -	\$ -	\$ -	\$ -	\$ 3,000,000	\$ -
REPLACEMENT PROJECTS						
51801 - Hydrant Replacement - This provides for the regular replacement of fire hydrants.						
5110 Water Expansion	\$ 50,000	\$ 50,000	\$ 30,000	\$ 30,000	\$ 30,000	\$ 30,000
51802 - Replace Service Line - This provides for the regular replacement or for the lowering of existing water lines.						
5110 Water Expansion	\$ 50,000	\$ 60,000	\$ 32,000	\$ 32,000	\$ 32,000	\$ 32,000
51810 - Replace Meters - This provides for the regular replacement of the system's water meters each year.						
5110 Water Expansion	\$ 129,901	\$ 40,000	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000
51811 - Replace Mainlines - This is for the replacement of mainlines identified by our master plan that have become old and susceptible to breakage.						
5110 Water Expansion	\$ 5,737,759	\$ 200,000	\$ 2,000,000	\$ 2,000,000	\$ 2,000,000	\$ 2,000,000
5181113 - Boring Under I-15 - This project will provide a new water pipe and will replace the waterline that runs in 9000 South under I-15. This line is in poor condition and the repairs to this line are very expensive because of the UDOT concrete pavement section.						
5110 Water Expansion	\$ 2,736,050	\$ -	\$ -	\$ -	\$ -	\$ -
51813 - Replace/Raise Valves - This funds a program to regularly replace mainline valves.						
5110 Water Expansion	\$ 70,000	\$ 60,000	\$ 36,000	\$ 36,000	\$ 36,000	\$ 36,000
51821 - Replace Well Infrastructure - This funding provides for the replacement of well equipment.						
5110 Water Expansion	\$ 100,000	\$ 120,000	\$ 162,500	\$ 162,500	\$ 162,500	\$ 162,500

Water Cont.	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
51822 - Replace Tanks Infrastructure - This provides funding for replacing/repairing the City's water storage facilities.						
5110 Water Expansion	\$ 50,000	\$ -	\$ 29,000	\$ 29,000	\$ 29,000	\$ 29,000
51824 - Replace Booster Station Infrastructure - This provides funds to maintain the City's nine booster stations.						
5110 Water Expansion	\$ 100,000	\$ 50,000	\$ 58,000	\$ 58,000	\$ 58,000	\$ 58,000
51828 - Repair Granite Mesa Tank and Well - This is for a repair to the existing tank and well at Granite Mesa (1160 E. Cy's Road).						
5110 Water Expansion	\$ 65,825	\$ -	\$ -	\$ -	\$ -	\$ -
51830 - Master Plan - This funding will be used to update the Water Master Plan.						
5110 Water Expansion	\$ 45,382	\$ -	\$ -	\$ -	\$ -	\$ -
51831 - SCADA Upgrade - This funding will update the hardware for the SCADA system including radios and panel.						
5110 Water Expansion	\$ 28,575	\$ 22,000	\$ -	\$ -	\$ -	\$ -
51832 - Aquifer Storage & Recovery - This funds a multi-phase project that will help to measure and replenish the water supply in Sandy's aquifer below Dimple Dell Park.						
5110 Water Expansion	\$ 20,680	\$ -	\$ -	\$ -	\$ -	\$ -
Total Water	\$ 9,965,331	\$ 632,000	\$ 2,447,500	\$ 4,447,500	\$ 6,247,500	\$ 2,447,500

Storm Water	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
EXPANSION PROJECTS						
19008 - Impact Fee Study - This funding is for an updated impact fee study to assess capital facilities needs and associated impact fee amounts in accordance with state statute.						
2810 Storm Water Expansion	\$ 10,798	\$ -	\$ -	\$ -	\$ -	\$ -
28025 - Storm Drain Master Plan (SDMP) - The update to the Master Plan will be a comprehensive surface water management plan. It will introduce a new approach to managing the City's storm water system and to meeting new water quality standards.						
2810 Storm Water Expansion	\$ 12,711	\$ -	\$ -	\$ -	\$ -	\$ -
28070 - SCADA sites - This is for two new SCADA sites: Aspen Meadows (2150 E 9800 S) was partially completed but needs a remote control component \$10,000. Also a new site at Home Depot (11400 S State) allows us to remotely monitor and dump/hold water in the East Jordan Canal for flood management.						
2810 Storm Water Expansion	\$ 75,000	\$ -	\$ 45,000	\$ 45,000	\$ -	\$ -
28083 - Floodplain Projects - Projects to reduce potential for flooding and update floodplain mapping.						
2810 Storm Water Expansion	\$ 200,000	\$ 300,000	\$ 100,000	\$ 100,000	\$ 100,000	\$ 100,000
28117 - Dry Creek Flood and Water Quality - This project will provide critical infrastructure improvements along the Dry Creek Corridor to 1) eliminate flooding potential in the Sandy Cairns downtown area, 2) restore the channel and convert it from an overgrown hazard to a central feature of the Sandy Cairns downtown area with recreational features including open space, trails, and the Art Walk, and 3) provide demonstrations for public education along the corridor of Low Impact Development (LID), water conservation, and water quality Best Management Practices (BMPs).						
2810 Storm Water Expansion	\$ 824,878	\$ -	\$ 200,000	\$ 200,000	\$ 200,000	\$ 200,000
REPLACEMENT PROJECTS						
28802 - Neighborhood Projects - These projects will install and replace various storm drain lines in neighborhoods throughout the city.						
2810 Storm Water Expansion	\$ 2,029,750	\$ 290,547	\$ 775,000	\$ 775,000	\$ 750,000	\$ 750,000
28808 - CMP Replacement - This will be an ongoing budget line item to replace the Corrugated Metal Storm Drain Pipe in the city.						
2810 Storm Water Expansion	\$ 500,000	\$ 600,000	\$ 350,000	\$ 350,000	\$ 500,000	\$ 500,000
Total Storm Water	\$ 3,653,137	\$ 1,190,547	\$ 1,470,000	\$ 1,470,000	\$ 1,550,000	\$ 1,550,000

Street Lighting	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
27003 - Street Lighting Improvements - This funding is for street lighting projects throughout the City.						
2700 Street Lighting	\$ 750,088	\$ 417,731	\$ 600,000	\$ 600,000	\$ 600,000	\$ 600,000
Total Street Lighting	\$ 750,088	\$ 417,731	\$ 600,000	\$ 600,000	\$ 600,000	\$ 600,000
Non-Departmental						
Non-Departmental	2023 Budget	2024 Tentative	2025 Planned	2026 Planned	2027 Planned	2028 Planned
1103 - Land Purchase - This funding will be used when opportunities arise for the city to purchase property.						
4140 Sale of Property	\$ 1,934,796	\$ -	\$ -	\$ -	\$ -	\$ -
19027 - Central Wasatch Commission - This amount partially funds an environmental study of Little Cottonwood Canyon.						
4100 General Revenue	\$ -	\$ -	\$ -	\$ -	\$ -	\$ -
19087 - Envision Utah Plan - This will go toward the Envision Utah Plan Initiative.						
4100 General Revenue	\$ 10,000	\$ -	\$ -	\$ -	\$ -	\$ -
19088 - Cairns Placemaking Project - This will go toward placemaking items in the Cairns area.						
4100 General Revenue	\$ -	\$ -	\$ 100,000	\$ -	\$ -	\$ -
19090 - Smart City Initiatives - This will be used to fund different types of electronic mediums to manage assets and resources efficiently. This includes data collected from citizens, devices, and assets that is processed and analyzed to monitor and manage community services. The smart city concept integrates information and communication technology, and various physical devices to optimize the efficiency of city operations and services and connect to citizens. Smart city technology allows city officials to interact directly with both community and city infrastructure and to monitor what is happening in the city to reduce costs and resource consumption, and to increase contact between citizens and government.						
4100 General Revenue	\$ 61,500	\$ -	\$ -	\$ -	\$ -	\$ -
19091 - Active Transportation Plan - In conjunction with the Wasatch Front Regional Council and Draper City, this project funds the development of a transportation plan identifying the best ways to build out multi-modal, active transportation such as biking path/routes, the location of transit routes and stops, and other planning features that will be incorporated into the Transportation Master Plan.						
4100 General Revenue	\$ 6,500	\$ -	\$ -	\$ -	\$ -	\$ -
19092 - Mesh Node Camera System - Replaces and upgrades the City's Mesh Node Camera System.						
4100 General Revenue	\$ 19,385	\$ -	\$ -	\$ -	\$ -	\$ -
19093 - Open Space Preservation						
4100 General Revenue	\$ 5,000	\$ -	\$ -	\$ -	\$ -	\$ -
190XX - Parking Structures - This will include a two-level parking structure on the west side of city hall, and a smaller two-level structure on the east of city hall.						
4140 Sale of Property	\$ -	\$ -	\$ 1,500,000	\$ -	\$ -	\$ -
19999 - Contingency - This amount is Council Contingency for priority capital projects.						
4100 General Revenue	\$ 5,670,556	\$ -	\$ -	\$ -	\$ -	\$ -
Total Non-Departmental	\$ 7,707,737	\$ -	\$ 1,600,000	\$ -	\$ -	\$ -
Total Capital Projects	\$ 58,935,872	\$ 12,278,306	\$ 79,118,500	\$ 34,011,000	\$ 25,786,500	\$ 29,714,500

Total FTEs			4.00	4.00	4.00

1) Regular Council Members receive compensation for 6 hrs/week. Council Chair receives compensation for 9 hrs/week. The base hourly rate is adjusted according to citywide compensation plan, therefore the pay rate reflects the previous fiscal year.

For example, the \$77.99 - 89.79 hourly rates reflect what was paid to City Council members in FY 2022-2023.

2) Additional Part-Time position funded in FY 2024. Position will assist with increased work load demands in Administration.

	Bi-weekly Salary		Full-time Equivalent		
	Minimum	Maximum	FY 2022	FY 2023	FY 2024

Staffing and Compensation Plan

I. EFFECTIVE DATE

The provisions of this plan shall be effective commencing July 1, 2023 except as it has been or may be amended from time to time by resolution of the City Council and subject to budget limitations established by the Council.

II. PURPOSE

THIS PLAN IS NOT A CONTRACT, NOR IS IT INTENDED TO VEST EMPLOYEES WITH RIGHTS OF EMPLOYMENT OR COMPENSATION OR ANY CAUSE OF ACTION WHATSOEVER. THE PLAN IS SUBJECT TO CHANGE AT ANY TIME BY RESOLUTION OF THE CITY COUNCIL AND IS INTENDED TO DO THE FOLLOWING:

- A. Establish a compensation system whereby the salary ranges are established by market and classification data.
- B. Design the compensation system whereby movement within the salary ranges is determined by individual employee productivity and skills.
- C. Comply with 10-3-818 U.C.A. 1953, relating to the establishment of employee compensation.

III. STAFFING

The Mayor may appoint and hire personnel necessary to carry out the duties and goals of the city within budget limitations as established by the City Council. Current budget staffing is outlined in Attachment B.

IV. ELIGIBLE EMPLOYEES

Eligible employees may be appointed, classified, and compensated under policies and procedures promulgated by the Mayor, within budget limitations established by the Council. All appointed employees, elected officials, and regular, part-time, and seasonal employees are subject to the Sandy City compensation plan as provided herein.

V. COMPENSATION PHILOSOPHY

Sandy City is committed to maintaining employee wage ranges which are competitive with other Wasatch Front communities of comparable size. The Human Resource Office will conduct periodic wage and benefits surveys of the relevant communities. The most recent compensation study can be found on the City Website at <https://sandy.utah.gov>.

Staffing and Compensation Plan

Because not all city positions have matches in the established market, a classification analysis may also be done on each position in conjunction with the market survey. This classification analysis may consider such factors as education and experience requirements, supervisory and financial responsibilities, level of risk in the position, and the analytical requirements of the position. Based on the market and classification analysis, the Mayor's Budget Committee will review wage ranges and recommend changes as appropriate. City Council ranges will be approved by the City Council as part of the annual city budget.

VI. WAGES AND SALARIES

A. Appointed, Regular, and Part-time Benefitted Status

Appointed, regular, and part-time benefitted employees may be paid within ranges specified for their position and receive insurance, retirement, and other benefits as summarized in Attachment A as established by the Mayor and approved by the City Council.

It is recognized that the Chief Administrative Officer (CAO) and the City Attorney are appointed officers of the city that have been hired under written contract. Such contracts, and the compensation provided thereunder, are hereby ratified and confirmed by the City Council and are hereby made a part of the city's compensation plan. The Mayor may review such contracts annually and execute amendments on behalf of the city if appropriate to conform such agreements more fully with this Plan, as it may be changed from year to year. Copies of such contracts, and any amendments hereof, shall be maintained for public inspection in the office of the City Recorder.

NO OTHER CONTRACTUAL RIGHTS TO EMPLOYMENT OR COMPENSATION ARE INTENDED TO BE CREATED OR RECOGNIZED BY THIS PLAN NOR MAY SUCH RIGHTS BE CREATED EXCEPT THROUGH EXPRESS WRITTEN CONTRACT EXECUTED WITH THE MAYOR, WITHIN CERTIFIED BUDGET APPROPRIATIONS AND CONSISTENT WITH THIS PLAN AND THE REVISED ORDINANCES OF SANDY CITY SECTION 6-7-3.

B. Performance Pay

A two-tiered performance pay plan structure may be used combining base salary increases, evaluation adjustments, and incentive pay, subject to budget limitations approved by the City Council. Employees that reach the top of their salary range are eligible for annual topped-out incentive pay up to 5%. Employees that have not reached the top of their salary range are eligible for performance incentive pay up to 1%.

These incentives will be awarded based on attaining positive performance evaluations and predetermined goals.

Employees, regardless of their position in their salary range, are eligible for individual spot/mid-year awards up to 1%. These awards are for exceptional performance, often on

Staffing and Compensation Plan

special projects or for performance that so exceeds expectations as to be deserving of an add-on payment.

Incentive payments shall be calculated net of taxes and shall not exceed the limits set forth above for any employee in any one fiscal year, unless approved by the Mayor.

C. Elected Official

The Mayor and City Council members' compensation shall be adjusted annually on July 1 by an amount equivalent to the average pay increase to city employees.

D. Seasonal Employees

A separate pay plan shall be used to compensate seasonal employees. Benefits for seasonal employees shall be established by the Mayor with the approval of the City Council (Attachment A). When the term seasonal is used throughout the budget book in regards to pay or staffing information the term may refer to both seasonal and part-time non-benefitted employment classifications.

E. Separation and Severance Pay

Any employee terminating employment with Sandy City is entitled to separation payments for accrued Paid Time Off (PTO) and earned compensatory time plus benefits, as provided by city policy and promulgated by the Mayor, as shown on the payroll records at the time of termination.

The Mayor, at his sole discretion and upon recommendation by a department head, may extend severance payments to employees of the city under the following provisions:

1. The amounts of severance not to exceed an amount equivalent to three months base salary.
2. The compensated employee meets one or more of the following criteria:
 - a. The employee has lost employment with the city due to reduction-in-force, physical or mental disability, or a termination without cause.
 - b. The employee is eligible for retirement under the Utah State Retirement System, provided that retirement is entirely voluntary by the employee and the employee's department can demonstrate a savings to the city which is at least equivalent to the amount of the additional severance benefit.
3. Any severance payments may be conditional, as determined by the Mayor, and must be made from actual and current budget appropriations as approved by the City Council.

Staffing and Compensation Plan

4. Such payments may be in the form of a single lump-sum payment, periodic cash payments, insurance benefits, annuity, or other similar forms.
5. It is negotiated with the employee that receipt of any such payments shall be conditioned upon the compensated employee waiving any claims against the city relating to the termination of employment.

Additional severance payments in excess of three months must be approved in advance by the City Council.

F. Miscellaneous Compensation Provisions

Subsection E shall not vest any employee with severance payment rights or restrict the CAO from classifying, reclassifying, advancing, or terminating city employees under policies and procedures promulgated by the Mayor.

VII. PAY PREMIUMS, DIFFERENTIALS, AND ALLOWANCES

In addition to compensation provided under Section III, eligible employees of the city shall receive the following benefits:

A. Overtime and Gaptime Compensation

Eligible employees who are authorized and required by their supervisors to perform city work on an overtime basis shall be compensated by pay or compensatory time off at rates and procedures established by city policy and procedure in accordance with federal regulations.

In no case shall overtime compensation exceed the rate of 1½ times an employee's regular hourly rate of pay. Gaptime shall not exceed an employee's regular hourly rate of pay, except for eligible police comp time.

[NOTE: Gaptime is straight time overtime.]

B. Certification, Education Assistance, Incentive Pay

The Mayor may adopt programs to promote employee education and training, provided that all education assistance and education compensation incentives under such programs are authorized within appropriate budget limitations established by the City Council and administered in accordance with applicable Federal and State statutes.

C. Differential Pay

Staffing and Compensation Plan

The Mayor may adopt programs to reward employees for the performance of assigned duties which may not be permanently assigned and/or are additions to the normal or regular duties of the employee's position.

D. On-Call Pay

Any department required to provide 24-hour emergency response service may pay a special fixed amount of pay for employees to remain available to respond while otherwise off-duty. Such programs must be approved by the Mayor and paid from budget appropriations as approved by the City Council.

E. Other Allowances

1. Automobiles

a. The Mayor may authorize under city policy an eligible employee to utilize a city vehicle on a take-home basis, and shall, as a condition of receipt, require eligible employees to report usage to the city and to report a portion of the take-home vehicle cost as a taxable benefit or to pay reasonable expenses.

b. A vehicle allowance may be paid to department heads and other eligible employees, within budgetary limitations established by the City Council, but in no case to exceed \$493.00 per month. Such payment shall be in lieu of local mileage allowance or an assigned city vehicle. The rate shall be determined based upon annual driving requirements of the position and for the inflationary increase of the cost of vehicle operation.

c. Mileage Reimbursement

Some employees may be required to use their personal automobile for business purposes. Mileage for business use shall be reimbursed at the current IRS authorized rate.

2. Uniforms and Tools

Eligible employees may be provided uniforms and tools or receive an allowance for the procurement of uniforms and tools within policies and procedures established by the Mayor. Each employee shall be responsible for the care and maintenance of uniforms and tools in his/her charge.

3. Cell Phones

In accordance with policies and procedures established by the Mayor, employees

Staffing and Compensation Plan

may receive an allowance to compensate them for using their personal cell phones to regularly conduct city business. No cell phone allowance shall exceed \$40.00 per month unless approved separately by the Chief Administrative Officer.

VIII. LEAVES OF ABSENCE

Eligible employees may receive scheduled and emergency leaves of absence, with supervisor approval. The specific terms and conditions upon which such leaves are to be made available to appointed, elected, regular, and part-time benefitted employees, including holidays, vacations, family and medical leave, bereavement leave, military leave, jury duty leave, bonus leave, administrative leave, and leave without pay shall be administered by policies and procedures promulgated by the Mayor.

IX. INSURANCE

A. Group Insurance

Appointed, regular, and part-time benefitted employees and elected officials of the city may participate in the city's group insurance in conformity with and under the terms of each insurance plan adopted by the Mayor and approved by the City Council.

The city may provide a Health Savings Account (HSA) contribution or cafeteria credit as detailed in Attachment A to each eligible appointed, regular and part-time benefitted employee and elected official.

The city may deduct from each applicable payroll all monies, including cafeteria credits and other employee benefit dollars or wages, necessary to fund employee cost of insurance coverage and make all payments necessary to fund the plan within budget limitations established by the City Council.

Life and disability insurance may be provided for all eligible employees.

Group Insurance includes:

1. Health and Dental Insurance
2. Group Employee Life Insurance
3. Disability Insurance

B. Worker's Compensation

In addition to the foregoing, the Mayor may provide for worker's compensation coverage to the city's workforce including seasonal, volunteers, and court assigned workers under applicable provisions of State statute, and other service related disability plans compensating appointed, elected, and career employees of the city who are permanently

Staffing and Compensation Plan

and totally disabled while in the discharge of official duties.

C. Unemployment Insurance

The city will provide unemployment benefits as provided by State law to employees who lose their employment with the city under terms and conditions established by State law and regulation.

X. RETIREMENT

A. Social Security

Sandy City has elected to exempt itself from participation in the Federal Social Security System with the exception of Medicare provisions for employees hired after April 1, 1986.

B. Retirement Programs

The city may, in accordance with applicable state and federal laws, permit or require the participation of appointed, elected, regular, part-time, and seasonal employees in retirement programs as approved by the City Council. Such programs include:

1. The Utah Public Safety Retirement System
2. The Utah Firefighters Retirement System
3. The Utah State Public Employees Retirement System
4. Deferred Compensation Programs, including IRS approved 401(k) or 457 plans
5. IRS approved Retirement Health Savings (RHS) plans
6. IRS approved Health Savings Account (HSA)
7. A Medical Retirement Plan

The Mayor may make direct retirement contributions to designated employee groups in accordance with established RHS plan documents, provided that any such contribution together with performance pay shall not exceed the limitations of Section VI. B.

The city may, at the request of any eligible employee, deduct additional funds for approved deferred compensation programs for the employee subject to federal Internal Revenue Service guidelines and limitations.

XI. SCHEDULE OF GROUP BENEFITS

- ### A. Benefits Funded by City - See Attachment A.

XII. EMPLOYEE HANDBOOK

Additional employment policies and procedures as promulgated by the Mayor are included in the Employee Handbook. The most recent copy can be found at <http://sandy.utah.gov>.

ANNUAL AMOUNTS ARE PAID SEMI-MONTHLY (24 PAY PERIODS PER YEAR)

- Notes:
- This charge applies to all public employees and police officers participating in the Utah Retirement System. Appointed officials/employees in non-benefit-eligible positions, planning commission members, and board of adjustment members are ineligible to participate in the URS.
 - The Unemployment Insurance only applies to Appointed employees and not the Mayor.
 - Under the Patient Protection and Affordable Care Act, for health insurance purposes, a full-time employee is one whose work schedule is ≥ 30 hrs/wk (with some exceptions). Therefore, part-time benefit eligible employees with work schedules of 30 or more hours per week are eligible for full-time benefit amounts unless indicated otherwise. All other part-time benefitted employees are eligible for 50% of the full-time benefit amounts unless indicated otherwise.
 - The city pays 100% of the health premium for full-time and part-time benefitted (≥ 30 hrs/wk) employees and 50% of the health premium for other part-time employees.
 - The city pays 100% of the Ameritas Base plan premium for full-time and part-time benefitted (≥ 30 hrs/wk) employees and 50% for other part-time employees. Employees who elect the Ameritas High plan will be required to pay the difference between the amount the city pays and the premium for the High plan.
 - At age 70, age reduction applies. Please see your policy for more details.
- * Sandy City Corp. reserves the right to modify these benefits at times and in ways deemed appropriate and necessary to meet the needs of the City and its employees generally.

Part-Time Benefitted & Elected	\$25,000	\$25,000	\$25,000		\$25,000	N/A	

ANNUAL AMOUNTS ARE PAID SEMI-MONTHLY (24 PAY PERIODS PER YEAR)

- Notes:
- For purposes of meeting URS requirements, Tier 2 elected officials are designated as full-time employees eligible to participate in the Tier 2 defined contribution plan and Tier 2 appointed and other employees in benefit-eligible positions are also eligible to participate in the URS. Appointed officials/employees in non-benefit-eligible positions, planning commission members, and board of adjustment members are ineligible to participate in the URS.
 - The 10.08% and 14.08% rates consist of 10% and 14% for the respective retirement benefits and 0.08% for death benefits. Public and Public Safety employees choose a defined contribution plan or a defined benefit/defined contribution-hybrid plan. Employees may be required to contribute to the hybrid plan if the rates increase above the 10% or 14%. The URS requires an employee contribution of 2.59% for Police Officers and Firefighters in the hybrid plan. This amount will be paid on the employee's behalf and will be offset by a reduction into the URS 401(k).
 - Police Officers in the URS defined contribution plan receive 5.58% while Police Officers in the hybrid plan receive 2.99% to offset the employee cost of the hybrid plan. Firefighters in the URS defined contribution plan receive 5.00% while Firefighters in the hybrid plan receive 2.41% to offset the employee cost of the hybrid plan.
 - The city does not participate in Social Security. As a replacement, the city will match an employee's contribution up to 3%.
 - Under the Patient Protection and Affordable Care Act, for health insurance purposes, a full-time employee is one whose work schedule is ≥ 30 hrs/wk (with some exceptions). Therefore, part-time benefit eligible employees with work schedules of 30 or more hours per week are eligible for full-time benefit amounts unless indicated otherwise. All other part-time benefitted employees are eligible for 50% of the full-time benefit amounts unless indicated otherwise.
 - The city pays 100% of the health premium for full-time and part-time benefitted (≥ 30 hrs/wk) employees and 50% of the health premium for other part-time employees.
 - The city pays 100% of the Ameritas Base plan premium for full-time and part-time benefitted (≥ 30 hrs/wk) employees and 50% for other part-time employees. Employees who elect the Ameritas High plan will be required to pay the difference between the amount the city pays and the premium for the High plan.
 - At age 70, age reduction applies. Please see your policy for more details.
- * Sandy City Corp. reserves the right to modify these benefits at times and in ways deemed appropriate and necessary to meet the needs of the City and its employees generally.

BUDGET GLOSSARY

AAA or AA+ — Bond ratings given by financial rating agencies as their professional opinion about the ability of a government or not-for-profit organization to repay a tax-exempt loan (bond). Bond ratings may range from AAA (prime rating) to D (default).

Accrual — A method of accounting that recognizes income when earned and expenses when incurred regardless of when cash is received or disbursed.

ADA (Americans with Disabilities Act) — A wide-ranging civil rights law that prohibits, under certain circumstances, discrimination based on disability.

Administrative Charges—Charges that are made by the general fund to the proprietary funds for services provided that are administrative in nature (i.e., the cost of personnel, facilities, etc.).

AED (Automated external defibrillator) — A lightweight, portable device that delivers an electric shock through the chest to the heart. The shock can potentially stop an irregular heartbeat (arrhythmia) and allow a normal rhythm to resume following sudden cardiac arrest (SCA).

Amended Budget — The annually adopted City budget as adjusted through Council action.

Amortization — an accounting technique used to periodically lower an amount originally entered into the city's financial records (referred to as the book value) over a set period. This is most often used in reference to long-term debt such as bonds.

Appropriation — An authorization by the City Council to spend a specific amount of money in a given fiscal year. Appropriations are set for each department and fund.

Assessed Property Value — The value of real estate or other property set by the County Assessor and the State as a basis for levying taxes.

ARPA (American Rescue Plan Act) – A 2021 economic relief package designed to help mitigate the public health and economic impacts of COVID-19.

AWWA (American Water Works Association) — An international non-profit organization dedicated to improving water quality and supply.

Audit — an official inspection or examination, usually in reference to financial documents and statements.

Balanced Budget — A City budget in which planned funds available equal planned expenditures.

Bonds — A certificate of debt issued by an entity, guaranteeing payment of the original investment plus interest, by a specified future date.

Budget — An annual financial plan that identifies revenues, specifies the type and level of services to be provided, and establishes the amount of money which can be spent.

Budget Staff — The group of staff members tasked with developing the Mayor's recommended budget. It consists of the Mayor, the Deputy Mayor, the Chief Administrative Officer, and the Deputy Chief Administrative Officer, the Administrative Services Director, the Budget Services & Business Intelligence Director, the Human Resources Director, Budget Services Analysts, and other staff as assigned.

ACFR (Annual Comprehensive Financial Report) — The annual financial statement prepared in accordance with generally accepted accounting practices. It is published following the year-end closing and an annual financial audit by an independent accounting firm.

CAIRNS — The CAIRNS is a 1,100-acre development in the city center which includes a planned 20 million square feet of development: office, retail and residential over the next 30 years.

CAO (Chief Administrative Officer) — The Chief Administrative Officer for Sandy City is appointed by the Mayor and approved by the City Council. The CAO is responsible for overseeing all operations of Sandy City.

CARES (Coronavirus Aid, Relief, and Economic Security) Act – A 2020 economic relief package designed to help mitigate the public health and economic impacts of COVID-19.

CARI (Children at Risk Intervention) — A police program dedicated to reducing the number of domestic violence cases and advocating protection of youth.

Capital Equipment — Equipment with an expected life of more than one year, such as automobiles, computers, and furniture.

Capital Projects — A project that affects the infrastructure or building assets of the City. Capital projects may include improving existing roads, building parks, remodeling buildings, and so on.

Capital Projects Fund — A governmental fund established to account for capital projects.

CDA (Community Development Area) — An area of development where the in-coming development must create jobs and increase property and sales tax revenue.

CDBG (Community Development Block Grant) — Funds received from the U.S. Department of Housing and Urban Development to help develop viable urban communities by providing decent housing, suitable living environments, and expanding economic opportunities, principally for persons of low and moderate income.

CERT (Community Emergency Response Team) — Community Emergency Response Team training is a program where members of the fire department teach citizens basic emergency management techniques.

Charges for Services — A variety of fees for services charged by city agencies, generally categorized under Parks, Public Safety, Cemetery, Animal Control, Public Works, and Public Utilities.

Consolidated Capital Schedule — The budgeted costs to provide needed infrastructure, park development, building construction, rehabilitation, and other related items. Funding is received from various sources.

Contingency — An appropriation available to cover unforeseen events that occur during the fiscal year. These funds, if not used, lapse to fund balance at year-end. This is not the same as Fund Balance or Retained Earnings.

Court Appointed Counsel — Legal counsel and assistance appointed by the court.

Debt Payoff Ratio — The proportion of principal borrowed that is paid off in a specified period.

Debt Service — The payment of principal and interest on borrowed funds such as bonds.

Debt Service Fund — A fund that accounts for long-term debt proceeds, principal, interest, and related costs.

Depreciation — The method of allocating the cost of an asset across the useful life of the asset.

EDA (Economic Development Area) — An area of development where the in-coming development must create jobs. Retail businesses and residential development do not qualify for an EDA.

E-Mod (Experience Modifier) — A multiplier applied by a worker's compensation insurance carrier to the premium of a qualifying policy and provides an incentive for loss prevention.

EMS Grant (Emergency Management Services Grant) — A state grant which gives money to fire departments. Part of the grant is based on city population and the number of emergency workers within the city; part of the grant is competitively based.

EMT (Emergency Medical Technician) — A medical technician specifically trained to respond to emergency situations.

Enterprise Fund — A self-supporting fund designed to account for activities supported by user charges.

EOC (Emergency Operations Center) — An operations center built and maintained by the City to provide necessary communications and information in the event of an emergency within the City.

Equivalent Residential Unit (ERU) — Equivalent residential unit (ERU) is a measurement that represents an average usage for a living accommodation for a single family, whether a single-family residence or a residence in a multifamily building.

False Alarm Fees — A fee charged when any alarm system has a false alarm. Any one location can have four false alarms in a 12-month period without paying a fee. After the fourth false alarm the City assesses a fine for every false alarm to recoup the costs of responding to false alarms and potentially reduce the number of false alarms.

FCIU (Family Crimes Intervention Unit) — A team within the Sandy City Police Department that provides services to victims of domestic violence, sexual assault, child abuse, stalking and harassment, threats, robbery, burglary, and elderly abuse, etc. The team is comprised of Victim Advocates, a Therapist, a Child Advocate, and a Detective specially assigned to work in the unit.

FEMA (Federal Emergency Management Agency) — An agency of the U.S. Department of Homeland Security. The agency's primary purpose is to coordinate the response to a disaster that has occurred in the United States and that overwhelms the resources of local and state authorities.

Fines and Forfeitures — A variety of fees, fines, and forfeitures collected by the State Court System, including bail forfeitures, garnishments, and legal defender's recoupment.

FMLA (Family Medical Leave Act) — Act covers employee personnel issues such as when employees can take leave of work for pregnancy, illness, or taking care of family members. The act is designed to promote a balance between work and health.

FTE (Full-Time Equivalent) — Employees who work full time and receive all employee benefits. A full-time position requires 80 or more hours per pay period (14 days) and is considered 1.0 FTE (or 100%). All positions requiring less than 80 hours per pay period are considered part-time and are designated as a proportion of full-time.

Fund — A set of interrelated accounts to record revenues and expenditures associated with a specific purpose.

Fund Balance — A government's total financial resources or reserves at a given point in time, including accumulated surpluses or shortfalls from previous years. The ending fund balance from one fiscal year is the same as the beginning fund balance for the following fiscal year.

Fiscal Year (FY) — A period of 12 consecutive months designated as the budget year. Sandy's fiscal year begins July 1 and ends June 30 of the following year.

GAAP (Generally Accepted Accounting Practices) — A set of rules governing the way in which the City's revenues and expenditures are accounted for in its quarterly and annual financial statements. The rules are codified by the Governmental Accounting Standards Board and the National Council on Governmental Accounting.

GASB (Governmental Accounting Standards Board) — A board which establishes and seeks to improve state and local government accounting and financial reporting standards.

GASB 34 — GASB established new accounting standards with Statement 34 to make the accounting of local governments to include all assets and account for depreciation similar to accounting for non-governmental organizations.

General Fund — A governmental fund established to account for resources and uses of general operating functions of city departments. The majority of resources are provided by taxes.

General Fund Balance Reserve — The excess of assets over liabilities in the General Fund held in reserve.

General Fund Subsidy — A subsidy for an Enterprise Fund or Internal Service Fund that comes from the General Fund.

GFOA (Government Finance Officers Association) — A professional association of state and local finance officers. The focus is to provide best practice guidance, consulting, networking opportunities, publications including books, e-books, and periodicals, recognition programs, research, and training opportunities for those in the profession of public finance.

GIS (Geographic Information System) — A computer application used to store and view geographical information, especially maps.

GL (General Liability) — The City carries general liability insurance to protect the City in the event that the City is held liable in a lawsuit. The City also requires that all City contractors carry general liability insurance.

GO Bond (General Obligation Bond) — Debt instrument issued by the City after a vote of the people that is backed by the full faith and taxing power of the government.

Governmental Fund — Any fund that is classified as a "governmental type" activity, meaning function that is not financed primarily through its own activity (i.e., through user fees and charges in a public utility) and for resources held by the city acting in a fiduciary capacity for other entities. This includes general, debt service, special revenue, and capital projects funds.

GRAMA (Government Records Access Management Act) — The Government Records Access Management Act defines and clarifies the process citizens go through to access public information.

Haircut — An incremental change, either up or down, in the proportion of property tax revenues that go toward developing an EDA or RDA, etc. and the proportion of property tax revenues that go directly to government entities that receive property tax. Typically, the incremental change is an annual adjustment that takes place over a specific period.

HIPAA (Health Insurance Portability and Accountability Act) — A federal act allowing employees to transfer their health insurance coverage to another insurance provider upon changing jobs. The privacy section of HIPAA maintains the privacy of health records and keeps them from being shared with co-workers.

Homeland Security Grant (HLS) — Grants provided by the Homeland Security Grant Program (HSGP) on behalf of the U.S. Department of Homeland Security with the purpose to purchase surveillance equipment, weapons, and advanced training to law enforcement personnel to heighten security.

Health Management Organization (HMO) — A medical insurance group that provides health services for a fixed annual fee.

Health Savings Account (HSA) — A tax-advantaged savings account available to individuals covered by a high deductible health plan.

Housing and Urban Development (HUD) — A Department of the United States government whose purpose is to provide housing and community development assistance and to make sure everyone has access to “fair and equal” housing. To achieve these goals, it runs or participates in many programs intended to support homeownership, increase safe and affordable rental housing, reduce homelessness and fight housing discrimination.

Heating, Ventilation, and Air Conditioning (HVAC) — This refers to all the environmental controls and systems for City buildings.

IBC Building Standards Valuation — Standards is the international building code magazine. Budgeting and valuation for Sandy City is based on the valuations in Standards.

ICC (International Code Council) — The organizational body that sets standards on building codes. ICC took over and consolidated the three former building code bodies, BOCA, SBCCI, and ICBO.

ICMA (International City Manager's Association) — A professional and educational organization for chief appointed managers, administrators, and assistants in cities, towns, and counties.

ICMA RC (International City Manager's Association Retirement Cooperation) — The International City Manager's Association Retirement Corporation handles the 401(k)'s, IRA's, 457's, and retiree health savings program for Sandy City employees.

Impact Fees — Impact fees are used to offset the additional burden on City infrastructure caused by new development within the City. The fees are collected and accounted for separately to be used for projects relating to the impact of the additional development.

Innkeeper Bonds — Bonds where the innkeeper fees are pledged as the source to pay off the bonds.

Innkeeper Fees — Fees that are paid by hotels, motor courts, motels, and similar institutions. The fees are an annual license tax equal to 1.5% of the gross revenue of the institution derived from the rent of each occupancy of a suite room for less than 30 days.

Interest Income — Revenue earned in the form of interest from investing the City's cash reserves.

Intergovernmental Revenue — Federal, state, and county grants and other forms of revenue. These include CDBG, Class "C" Road Funds, Liquor Control Funds, noise pollution inspection fees, and occasional grant funds.

Internal Service Fund — A fund to account for charges made by one city entity for goods or services provided to other city entities.

IT Charges (Information Technology Charges) — Charges applied to each department as they utilize the services of the information technology staff. These charges are the revenue source for the Information Technology Internal Service Fund.

ISO Rating (Insurance Services Office Rating) — A rating that evaluates a city's fire department, water delivery, and other city services for insurance purposes.

IVR (Interactive Voice Response) — A technology that automates interactions with telephone callers.

JAG (Justice Assistance Grant) — A program that provides states, tribes, and local governments with critical funding necessary to support a range of program areas including: law enforcement, prosecution, indigent defense, courts, crime prevention and education, corrections, drug treatment and enforcement, victim and witness initiatives, mental health programs, corrections programs, behavioral programs, and crisis intervention teams.

Lease Revenue Bonds — Bonds wherein a government organization leases capital from a municipal building authority. The municipal building authority issues the bond and the lease payments they receive from the governmental organization pay off the bond. In such a lease, the building or capital project itself is the collateral the bondholders have if the bond goes into default.

License Revenue — Both a "revenue fee" and "regulatory fee" imposed on businesses.

LLEBG (Local Law Enforcement Block Grant) — A block grant awarded to Sandy City and used for the purchase of law enforcement equipment and technology.

LUDMA (Land Use Development & Management Act) — A state act that authorizes and governs land use and zoning regulation by cities and counties and establishes mandatory requirements that local governments must follow. LUDMA establishes the legal framework for each locality to make zoning decisions, enact ordinances, and implement plans.

Major Fund — Any fund whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds.

MBA (Municipal Building Authority) — The purpose of the MBA is to acquire, improve or extend one or more projects and to finance their costs on behalf of the City.

Metropolitan Water District of Salt Lake and Sandy (MWDSL) — A district providing water services to residents in areas of Salt Lake and Sandy.

Modified Accrual — A basis of accounting in which revenues and expenses are recognized when they become measurable and available and qualify as current assets or liabilities, respectively. Some items, such as interest and principal on long term general debt, are exempted from this rule.

NAMI (National Alliance on Mental Illness) — An advocacy group focused on promoting recovery by preserving and strengthening family relationships of those affected by mental illness.

NIMS (National Incident Management System) — A comprehensive, national approach to incident management that is applicable at all jurisdictional levels and across functional disciplines.

NOVA — An education program (replaces DARE) administered through the police department with a mission of "*Nurturing* youth to seek out positive *Opportunities*, internalize good *Values*, and to accept *Accountability* for their choices in life."

NPDES (National Pollution Discharge Elimination System) — A piping system designed to make sure storm water discharge is safe from pollutants.

O&M (Operation and Maintenance) — Money set aside or charged for the operation and maintenance of City buildings and equipment.

Operating Budget — A City budget for general expenditures such as salaries, utilities, and supplies.

OSHA (Occupational Safety and Health Administration) — An agency of the U.S. Department of Labor assigned to assure safe and healthy working conditions for working men and women by setting and enforcing standards and by providing training, outreach, education, and assistance.

Park Projects Bonds — Projects in parks throughout Sandy City paid for with bonds. The RDA haircut money was pledged as the financing source for these bonds.

Pay-As-You-Go Strategy — A financial strategy where monies are saved up over time for the paying of capital projects or where capital projects are paid for as they are built as opposed to debt financing where the City incurs debt (issues bonds) to pay for the initial capital project and then pays off the bond over time.

POMA (Point of the Mountain Aqueduct project) — A 12-mile culinary water pipeline connecting the Little Cottonwood Treatment Plant to the Point of the Mountain Water Treatment Plant. The purpose of the pipeline was to bring more water to cities in the growing Salt Lake Valley.

PQI (Pavement Quality Index) — An index measuring the quality level of the pavement in different parts of the City.

Property Tax — A tax levied on the assessed value of real and personal property. This tax is also known as an ad valorem tax.

Proprietary Fund — Funds for a department or division of the City that may be accounted for similar to the full accrual accounting of private businesses. Such funds include the enterprise fund and the internal service fund.

Pound-force per Square Inch (PSI) — A unit of pressure or of stress based on avoirdupois units. It is the pressure resulting from a force of one pound-force applied to an area of one square inch.

PUD (Planned Unit Development) — A development built with an overall master plan for the development in mind as opposed to single houses built one at a time.

RDA (Redevelopment Area) — An area of development intended to improve a part of the City which is blighted or undesirable. An RDA may allow a wide variety of organizations to develop within the area.

Revenue Bonds — Bonds wherein a specific revenue source is pledged for the repayment of the indebtedness. For example, a sales tax revenue bond pledges the sales tax revenues of the City for the repayment of the bond.

RFP (Requests for Proposal) — A document that solicits proposals, often made through a bidding process, by an agency or company interested in procurement of a commodity, service, or asset.

RHS (Retiree Health Savings) — Accounts that provide employees with a tax-advantaged way to pay for health care expenses generally applying to retirement.

RMS (Records Management System) — The management of records for an organization throughout the records-life cycle. The activities in this management include the systematic and efficient control of the creation, maintenance, and destruction of the records along with the business transactions associated with them.

SAFG (State Asset Forfeiture Grant Program) — A program set up to fund crime prevention and law enforcement activities within specific guidelines. Agencies seizing private property as a result of illegal activities direct these liquidated and forfeited assets to the Criminal Forfeiture Restricted Account (CFRA), which then may choose to allocate those funds to agencies providing drug enforcement, drug courts and crime victim reparations services.

SAN (Storage Area Network) — A computer network which provides access to consolidated, block-level data storage. SANs are primarily used to enhance accessibility of storage devices, such as disk arrays and tape libraries, to servers so that the devices appear to the operating system as locally attached devices.

Sales Tax — Tax imposed on the taxable sales or use of all final goods. Sandy City receives part of the sales and use tax charged in Salt Lake County.

SCADA (Supervisory Control and Data Acquisition) — Automated water meter reading system designed to scan meter readings from a computer in a public utilities truck rather than at the meter.

Section 108 Loan — A loan that was received from the Federal Department of Housing and Urban Development and used to build the Senior Center. The City pledged CDBG money to repay the loan.

SIB (State Infrastructure Bank) — Fund set up by the Utah Department of Transportation to provide loans and assistance to improve transportation infrastructure in the State of Utah

Sister Cities — The Sister Cities program was established to improve relations and understanding between cities of different countries. Sandy City has two Sister Cities: Piedras Negras, Mexico, and Riesa, Germany.

SOB (Sexually Oriented Business) — For licensing purposes, any operation which has a substantial portion of its business relating to sexual activities as defined by City ordinances 04-49 and 05-07.

Sources — All revenues and other receipts derived by the City including transfers from other funds, appropriation of prior years' earnings, or the proceeds from short-term tax anticipation notes.

Special Assessments — The assessments made to the property owners within a special improvement district to pay for the improvements voted upon and made within the district.

State Money Management Act — A section of the Utah Code that describes the responsibilities of municipal financial managers (municipal treasurers) in terms of how they invest their money, how they account for it, and so on.

Tax Increment Bonds — A bond for improvements in an RDA area. The increment in property tax revenues is used to pay off the bond.

Tax Rate — The property tax rate on all assessed property within the City limits. The City Council establishes the City's tax rate.

TND (Traditional Neighborhood Development) — A comprehensive planning system that includes a variety of housing types and land uses in a defined area.

TOD (Transit-Oriented Development) — A type of urban development that maximizes the amount of residential, business and leisure space within walking distance of public transportation.

TQM (Total Quality Management) — A management strategy and philosophy aimed at eliminating variation-causing errors and improving the quality of the organizational output at all levels.

Tourism, Recreation, Culture, & Convention (TRCC) Support Program — Salt Lake County program that funds the development and maintenance of convention, cultural, and recreation facilities or tourism promotion. Eligible organizations, such as Sandy City, can apply for funding for consulting, capital, or tourism expenses.

UCA (Utah Code Annotated) — A multi-volume set that contains the Utah Code together with commentaries or explanations at the end of each section of the Utah Code. These commentaries are not part of the official code but may be helpful in interpreting the law.

UCAN Charges (Utah Communications Area Network Charges) — Charges paid by the City for the use of the 800 MHz radio system which is operated and owned by the State. Each City department that uses the system pays a fee for the rights to use it.

UDOT (Utah Department of Transportation) — The Utah State department in charge of constructing and maintaining the transportation infrastructure throughout Utah.

Unpaved R-o-W Permit (Unpaved Right of Way Permit) — A charge applied to a contractor to work in an unpaved right of way that is owned by the City.

UPS Batteries (Universal Power Supply Batteries) — Batteries that keep the City's data processing equipment operational through a power interruption.

URMMA (Utah Risk Management Mutual Association) — An association that provides third-party liability insurance, risk management services and education services to its member municipalities in the State of Utah.

Utah Code — The compilation of laws enacted by the Utah Legislature that are codified. Two editions, annotated and unannotated, of the code are published each year.

User Fees — Fees charged to the users of specific government services. User fees are implemented throughout the City so that those citizens who use specific government services pay for those services.

VECC (Valley Emergency Communications Center) — A dispatch center created through an agreement between communities in the Salt Lake Area. The VECC previously dispatched fire and police calls for Sandy City from this center.

VIPS (Volunteers in Police Service) — Highly-trained individuals who act as an extra set of eyes and ears for the Police Department performing Mobile Patrol shifts. They report any suspicious activity that they see to patrol personnel on duty.

VOCA (Victims of Crime Act) — A fund created to provide federal support to state and local programs that assist victims of crime.

WAN (Wide Area Network) — A wide area network distinguishes between a local area network (LAN). A LAN is typically within a single building whereas a WAN is a network between buildings, across a city, or from continent to continent. The WAN in Sandy is between the different City buildings.

WC (Worker's Compensation) — Sandy City carries Worker's Compensation Insurance to insure against situations where City employees may receive large sums of money for worker's compensation claims.

WCF (Workers Compensation Fund) — Worker's Compensation insurance provider

Working Capital — A financial metric which represents the amount of day-by-day operating liquidity available.
