ANEX-04-19-
5637(PC)
Approximately 1.4
acres

HEARING NOTICE: *This item has been noticed to property owners within 500 feet of the subject area.*

PROPERTY CASE HISTORY	
Resolution Number	Summary
Resolution #19-14C	On April 16, 2019, City Council approved resolution indicating intent to annex this property, to set a hearing date to consider the annexation and direct publication of hearing notice.

BACKGROUND

Dennis Dean and Michele Couch are requesting to annex a certain contiguous unincorporated area, totaling approximately 1.4 acres, located at approximately 1785 East 11400 South in Salt Lake County, Utah. The area under consideration for annexation contains one parcel (see attached location map). The applicants own two parcels, but the smaller one (0.1 acres) is already part of Sandy City as it was annexed in 1973 as part of the Hilltop Annexation. The property owners have consented to the proposed annexation.

The subject property is bordered by Sandy City on the north, south, east and west sides.

ANALYSIS

The annexation is being considered by the City for the following reasons:

1. The area is **contiguous** to the Sandy City boundary (north, south, east and west sides).
2. The properties are located within an area designated in the **Sandy City General Plan** for incorporation.
3. The City is presently providing **water, fire service and emergency medical service** to this area.
4. The City can provide a high level of other **municipal services** to these properties.

5. The City is authorized to **annex the area without a petition pursuant to Utah Code Annotated § 10-2-418.**

General Plan

Portions of the **Sandy City General Plan** which relate to this application are as follows:

p.43 *Recognize that economics alone is not sufficient reason to alter established neighborhoods. Human and environmental impacts also should be recognized.*

p.44 *Require proposed zoning changes to be in harmony with established neighborhoods.*

Zoning

The current Salt Lake County zoning on these properties is A-2, which requires a minimum of one acre lots. There are a number of different zoning districts near this property. To the north is R-1-10 (including the small parcel the applicants own), to the east and south is zoned R-1-40A, and the west is SD(R-2-A) Fluckiger.

In general, when Sandy City annexes a property into the City from Salt Lake County we have always been sensitive to what the property was zoned in the County. In most cases we have been able to zone property to a comparable zone as we annex them into the City. As we have done this we have taken into account the existing properties that are adjacent to the area being annexed and try to assure that the annexed area is compatible with the existing area.

Staff is proposing to annex the subject properties into the City with the R-1-40A zoning district.

STAFF RECOMMENDATION

It is recommended that the Planning Commission send a positive recommendation to the City Council that the Dean/Couch Annexation be approved and zoned R-1-40A based upon the following findings:

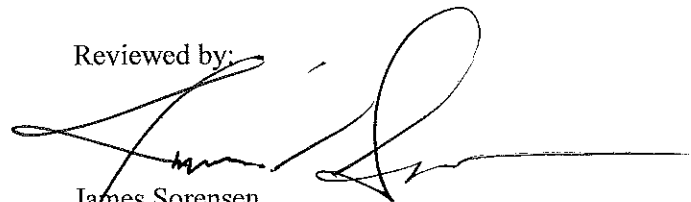

1. The area is **contiguous** to the Sandy City boundary (north, south, east and west sides).
2. The property is located within an area designated in the **Sandy City General Plan** for incorporation.
3. The City is presently providing **water, fire service and emergency medical service** to this area.
4. The City can provide a high level of other **municipal services** to these properties.
5. The **R-1-40A zone** is appropriate for this parcel based upon current land use.
6. The City is authorized to annex the area without a petition pursuant to Utah Code Annotated § 10-2-418.
