## MEMORANDUM

**To:** Mike Wilcox  
**From:** Tyler Shelley, P.E. TS  
**Date:** September 13, 2018  
**Re:** 1778 East Crescent View Drive

---

We have reviewed the vacant property located at 1778 East Crescent View Drive and have determined that the previous drainage restriction is no longer necessary. The plat can be amended to lift the current "sump" drainage condition and the lot may be developed under condition that the development meet all Public Utilities Development Standards and Requirements as defined in the Sandy City Standard Specifications (see General Conditions, Part B – General Conditions Development – Part 7.00 – Public Utilities Development Standards and Requirements).

Please let me know if you have any questions.

Thanks.
