

ANNUAL BUDGET CARRYOVER PROCESS

From Fiscal Year Ending 06/30/24

History

Operating Budgets

- ☐ The process is intended to curb the "use it or lose it" mentality and encourage more productive spending and investment
- Also helps to avoid overspending total department appropriations

Purpose

The goal is to appropriate remaining balances toincrease productivity, efficiency, and service levels.

Recommended appropriations are for expenses such as:

- Equipment
- Capital Projects
- ☐ Fleet Vehicles
- ☐ IT Projects/Software

Cannot be used for operating expenses

Carryover Process

Allocate General Fund Savings

- **Step 1:** Savings in each General Fund department budget are reviewed after the close of each fiscal year and sent to departments
- Step 2: Departments submit requests to spend that remaining budget on equipment, software, capital projects, etc.
- Step 3: Requests are reviewed and recommended to Budget Committee and City Council for approval and appropriation

Other Funds

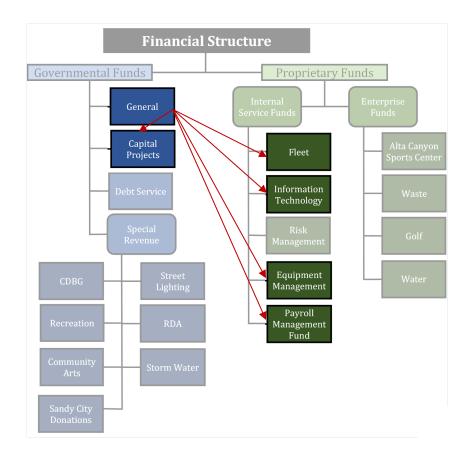

- Close Out Completed Capital Projects
- Carry Over Uncompleted Capital Projects
- Transfer Appropriations Between Capital Projects
- Carry Over and/or Adjust Appropriations for Fleet/Equipment Items
- Carry Over and/or Adjust Appropriations for Operating Line Items

ANNUAL CARRYOVER PROCESS

Accounting

General Fund savings may be transferred to appropriate internal service funds or other funds, such as the Capital Projects fund
