

## Sandy City Council

Regarding: Bell Canyon Cove – Rezone

Council Members,

My name is Gerrie Shaw. I own the property in question known as the Bell Canyon Cove property that is being considered for a rezone to R-1-10. I have lived here in 50 plus years. We bought the property knowing that one day we would want to sell the property for our retirement. My husband passed away unexpectedly in 2011, I am 79 years old and things have changed drastically since then. I believe that this is my property right to zone my property as I see fit. We appreciate this forward-thinking approach.

We appreciate your service as City Council Members.

Thank you.
