Subject: Proposed development of 11400 South
Date: Monday, September 23, 2019 10:42:54 AM

Dear Mr. Warner,

As a neighbor who has been receiving notices about the development along 11400 S., I would like to go on record as strongly approving this new compromise for the acres under consideration for redevelopment. This is very much in harmony with surrounding homes. It will make a good addition to the neighborhood.

Sincerely,
Judy Olsen
