Community Comments:

1. Residents are excited about this, but they do have some concerns.
2. Residents are interested in having a gate at this property and having it closed at night.
3. Some residents are worried about walking trail proximity to homes.
4. Concerns about the height of the lights and light pollution. Would like the city to do everything they can to minimize the amount of light in this park.
 - a. Could we consider putting guards on both sides of the lights?
5. They would like year-round restrooms.
6. They would like additional trees in the plans.
