4. [CUP-05-18-5](#) Ahmadian Accessory Apartment

 [Falcon Park, Community #16]

Wade Sanner introduced this item to the Planning Commission.

Shamim Ahmadian, Applicant, gave an over view of the proposed item.

The Chair opened this item to public comment.

Perry Frandsen asked if the Conditional Use permit goes with the land or if it's specific to the applicant.

Brian McCuistion replied typically in Land Use the Conditional Use permit goes with the property. However, there is language in the Development Code for accessory apartments that states it does not continue on with the next property owner. The new property owner would have to come before the Planning Commission.

Perry Frandsen asked if there is a landscape requirement.

James Sorensen stated there is a general requirement for landscaping for the city.

Perry Frandsen stated generally, he wouldn't have an objection to the application if it were specific to the owner and that the owner is not an absentee owner.

Brian McCuiston stated this Conditional Use permit requires the home to be owner occupied. We can not allow accessory apartments unless the owner lives in the home.

Ray Larson stated he believes one of the owners doesn't live in the home. He also stated his biggest concern is increasing the density in an area that is already saturated.

The Chair closed this item to public comment.

The Planning Commission and staff had discussion about accessory apartments.

A motion was made by Monica Collard, seconded by Jeff Lovell, that the Planning Commission approve a Conditional Use Permit for Shamim Ahmadian to allow for a 640 square foot accessory apartment on the property located at 1528 East 8640 South based in the three findings and six conditions listed in the staff report.
