Agenda Item Title:

Community Development Department presenting a rezone application (File #ZONE-07-20-5877, Copper Creek Rezone) on behalf of Utah Development Group, requesting that 1.02 acres located at 1368 E. Copper Creek Road be rezoned from the CN and R-1-8 Zone to the RM(12) Zone.

Presenter:

Jake Warner

Description/Background:

Marco Diaz, on behalf of Utah Development Group (Applicant), has submitted an application for a zone change of approximately 1.02 acres located at approximately 1368 E. Copper Creek Road. The proposed zone change would change the subject property from the CN Zone "Planned Center-Neighborhood District" and the R-1-8 Zone "Single Family Residential District" to the RM(12) Zone "Residential Multi-Family District" (12 units per acre)."

The Applicant's proposal was presented in a neighborhood meeting held on August 13, 2020. The Application was presented to the Planning Commission in a public hearing on September 3, 2020. The Applicant presented a concept plan to the Planning Commission that showed six duplexes, for a total of twelve units. Four of the units directly access 1380 E. and eight units access Copper Creek from a common lane. The Planning Commission, by a vote of 5-2, forwarded a recommendation to the City Council to not approve the Application.

Fiscal Impact:

A potential subdivision would likely increase the revenue and expenses of the City by minimal amounts.

Further action to be taken:

The Application is requesting a rezone, a legislative item, and is being presented to the City Council for a decision to approve or deny the proposed zone change. A separate application for a subdivision or site plan would need to be submitted and approved prior to development.

Recommended Action and/or Suggested Motion:
