Agenda Item Title:

Mr. Bruce Blanchard presenting budget concepts to the City Council.

Presenter:

Bruce Blanchard

Description/Background:

Bruce Blanchard will present a couple of possible budget reports that he believes answers many of the questions that fellow citizens ask him about how Sandy City is spending their tax dollars. The first is about the various functions of city government, their importance to the citizen, how much money is being spent on each of those functions and what is their individual rate of growth. Then there will be a report on employee benefits and compensation addressing further citizen requests for information.
