Agenda Item Title:

Public Utilities Briefing the City Council on water pipeline breaks and "stray current" corrosion

Presenter:

Tom Ward

Description/Background:

As requested, this is a brief update of the City's ongoing evaluation of an increased level of pipe breaks and impacts to the neighborhoods as presented at the July 25, 2017 City Council meeting by Karen Wiet, Aaron Wiet, and Phil Solomon from the River Oaks HOA. We are providing a brief update at this time based upon preliminary data, and we will provide a more thorough presentation later this fall when we have more information on specific projects.

Further action to be taken:

Future detailed updates pending in 2018 update of Water System Master Plan and Asset Management Plan
