

Legislation Text

File #: 17-266, **Version:** 1

Agenda Item Title:

Public Utilities Department recommending the City Council adopt Resolution 17-40C authorizing the execution of an interlocal cooperation agreement between Salt Lake County and Sandy City relating to the emergency repair of Dimple Dell Road (Tom Ward).

Presenter:

Tom Ward, Public Utilities Director

Description/Background:

Salt Lake County and Sandy City operations staff agreed to work together to complete an emergency repair project in May 2017 to Dimple Dell Road at the Dry Creek crossing. Half the road is County responsibility, and half is City responsibility. The County did not have people or equipment available to do the emergency repair work, and agreed to reimburse the City if Sandy City completed the work. Repairs to the failing culvert and road were completed by Sandy City crews, and the County prepared and approved an agreement for reimbursement to the City. This resolution will finalize the approval and exchange of funds.

Recommended Action and/or Suggested Motion:

Motion to adopt Resolution 17-40C.
