

Legislation Text

File #: 21-363, **Version:** 1

Agenda Item Title:

Public Works and Waste Management providing the Council with an update on cardboard recycling

Presenter:

Mike Gladbach, Public Works Director

Blake Leonelli, Waste Management

Description/Background:

A brief update will be provided as related to the possible deployment of public use recycling receptacles, near the public works facility, meant for the disposal of cardboard.

Further action to be taken:

No council action necessary.
